I received an advance copy of "Plating Study of the 25¢ value of the Fifth Issue of the British Columbia Law Stamp". I don't think I have to make any comments on this tremendous thorough work. (see paragraph below).

F. W. L. Keane of Victoria and Howard Martin of San Anselmo, California have been at work on a plating study of the 25¢ value of the Fifth Issue of the British Columbia Law Stamp. It has been a three year project, and all members of the Group will receive a copy within the next few weeks. There is no copyright, and we hope that others will take on the other values of the Fifth Issue using this as a spring board. THANK YOU [illegible]

I wish to sincerely apologize to our member # 244. Somehow I forgot to [illegible] Woodward as a member. It seems I jumped from #243 to #245. So [illegible] was listed below #244. As chairman of the Revenue Group, ARA graciously included me in their membership as a NRM (Thank you ARA). So in [illegible] their librarian a listing as a member of our Revenue Group.

[illegible] - - Welcome Into the Canadian Revenue Group.
