### SQUAMISH - NEWPORT BEACH - SQUAMISH

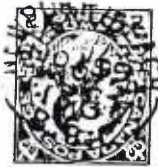

The hammer for the Squamish Post Office was proofed JU 29 / 91 but the office did not open until July 1, 1892. The post office was located near the dock and was operated by a local merchant William Mashiter,

Proof - JU 29 91

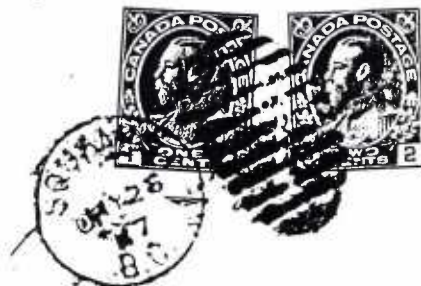

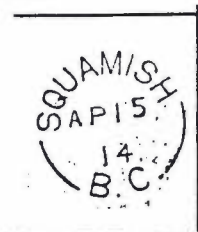

On May 30, 1912 the Newport town site, located at the head of Howe Sound, was registered in Victoria and after considerable debate the developers as part of the promotional scheme, on September 1, 1912, renamed the Squamish Post Office Newport Beach

Proof - AU 2 12

Little development took place at the Newport town site and on February 12, 1914 the name was changed back to Squamish following a \$500 re-naming competition that attracted close to 33,000 entries.
