From our Chairman:

As indicated in our last issue of the Perforator, Mike Hargraft has been selected as our new secretary. We had a number of volunteers for this job. Mike was chosen due to being in a location where the books, papers and funds could be transferred much easier from Mrs. J. Purcell. Another plus was the fact that it is possible to have personal contact with the editor and myself at the Toronto shows, or in individual's homes.

As chairman I wish to apologize to all for the oversight in not contacting each volunteer on the choice of secretary.

Dues

Last call for 1986 dues of \$5.00. A red dot beside this will remind you. Send your dues along with the questionnaire that was included in the last Perforator. We would appreciate your list of additions to the list of issues on page 3, and also your list of issues of the three types which will be included in a future issue of the Perforator.

Annual Meeting

Our Study Group meeting will be held on Saturday, Aug. 30 at 3:45 pm, in conjunction with the annual meeting of BNAPS at Dearborn, Mich. A very interesting program has been arranged by the executive.

PLATING by Conrad W. Tremblay

I did reconstruct the sequence of the dies for many perforators and I keep trying to complete many more... They show all the varieties one can find within the same perforating machine. From time to time when space will permit, it is with great pleasure that your editor will feed them to you ...if only I can keep up with him!
