FROM THE EDITOR'S DESK:

As you may know by now that the Editor of the The BNA Perforator has changed hands. I took over as of the middle of September. I had an extended holiday in Europe the first in years for my wife and me. Due to business pressures when I arrived home plus a little catching up around the house I am afraid that the newsletter never got a started when I wished it.

The auction is going out with this issue, Please send your bids to Mike Hargraft We are in need of some money to keep the newsletter going.

Michael Beha has resigned as Editor of our newsletter and from BNAPS.

To all people who have sent in articles please let me know what they were and to all those who have not sent in anything to be published, please do so because I need something to put into the newsletter. I have some material but I don't have any idea who sent it.

Also to make things interesting my computer decided to be sick this weekend So after bring it home from the hospital,,it decided that my printer did'nt want to work as well. So I had to resort to my old clunker of a typewriter. Please excuse spelling mistakes its the typewriters fault.

Chairmans Message:

When I took over as Chairman I sent a couple of letters for the editor to publish but was never done. Maybe the new editor will publish the chairmans Message.

Please write and let me know what you are working on. Also what research you would like the group to do. Does any understand the rarity factors and how it is applied to a particular perfin, stamp issue and position so that I would how much to pay for a perfin. I suppose its how much an individual would be willing to pay.

PERFINS STUDY GROUP AUCTION # 3

Welcome to the 3rd annual auction! This time we have over 500 lots, and there is something here for everyone.

All lots are believed to be genuine as described. Because of the large size of the auction, and because of some technical difficulties, no photocopies have been made.

Every lot has a minimum bid. Kindly bid by lot number in 10¢ increments below a dollar, and 25¢ increments otherwise. Successful bids will be 10% above the next highest bid, rounded up according to the above increments. The Study Group will charge a 10% commission on all lots sold, payable by the consignor.

Successful bidders will be notified and billed by mail. Stamps will be forwarded on receipt of funds.

Send your bids to the Secretary-Treasurer:

Mike Hargraft
Trinity College School
Box 60
Port Hope, Ontario
L1A 3W2

Phone 416-885-8794

Bid in Canadian dollars. Bids will close 6 weeks after the secretary receives his copy of the Perforator listing the auction.

Good Luck!
