

# CANADIAN REVENUE

## NEWSLETTER

Apr. 5 - 1971

It would give me great pleasure to re-activate the Canadian Revenue Newsletter. I would like to have a ~~bi-monthly~~ issue every two months. However, if we can get enough interesting revenue news, we can try for a monthly. So if you have any news that you think the other revenueers would like to have, send it on and we will see what we can do.

Also, we can have a buy and sell page. Send in your adlets. Perhaps someone has just the items you have been looking for. Or you may have duplicates another collector is looking for.

I am going to try to get out the revised list of members for the next sending. I will try to get it in the mail before the postage rate goes up.

Of course, if any of you aren't particularly interested in receiving these newsletters drop me a line. In that way I can save both time and Postage.

The separate sheet enclosed is to put with your listing of Federal Unemployments. This is the latest listing of these. I have been told that the Canadian Government is not using these stamps anymore.

How about if we all head toward Nova Scotia and Halifax for the BNA Convention this August. I understand that yours truly is planning on being there. Also our good secretary and chairman Ed Richardson. We will naturally have our annual Revenue meeting. Plan to attend. Also, Plan on entering an exhibit of revenues in the exhibition. There will be a silver trophy awarded for the best revenue exhibit, exhibited by a member who has never previously won an award in the BNA exhibition.
