

CANADIAN REVENUE — NEWSLETTER —

OCTOBER * 1971 # 30

The BNAPS Convention of 1973 has "come and gone" The Calgary "guys and gals" really outdid themselves - good participation - good fellowship - grand exhibits - good food and hospitality - and much, much graciousness - this convention has to rated as one of the TOP ONES ! ! ! !

Many of the Awards were won by members of our Revenue Group. I especially wish to congratulate Leo LaFrance for his fine exhibit of Saskatchewan Revenues, which naturally won an award.

* * * * *

Our member Harry Lussey was entered into the Order of the Beaver, This honor is awarded to members of BNAPS for outstanding contribution to BNAPS and BNA Philately. At present this honor has only been awarded to ten members.

* * * * *

A very sad note - Our member Bob Wooley suffered a very severe heart attack Saturday afternoon just before the banquet. We are all anxiously awaiting any news on Bob's condition.

Our annual Revenue meeting went off on schedule with many of our members in attendance. There were at least 30 members plus some 10 visitors I hope it was enjoyed by all. We were informed by Ed Richardson that he is at present very busy with the new Canadian Revenue Handbook.

Once again it was voted unanimously to discontinue dues in the Revenue Group for the coming year. It was felt that due to the generous donations we usually receive for the continuation of the Newsletter, it would not be necessary to collect dues.

Your present officers were voted to continue in their present offices. Glenn Hansen, for those who don't know, publishes a wonderful "Guidebook and Catalogue of Canadian Stamps". His 2nd edition is just released and it is a beauty, in fact a must for Canadian collectors. In his third edition there will be a section "Tax paid Stamps of Canada and Newfoundland" by our illustrious member editor Lee Brandon. This is the Tax Paid Catalog which Lee published and which is being circulate with our Newsletters. There are several pages enclosed with this Newsletter.

MY one regret is that I did not have time to visit and speak with the many Revenueers in attendance. Looking back I know there were several I tried to contact and just didn't get to it. I really enjoyed the opportunity of meeting the members I did get a chance to speak with. I can now have the pleasure of a visual image when I write their name on the monthly communication

Our member Jon R. Whitrock exhibited Canadian Revenues at the Illinois State Fair Stamp Exhibit, he won third place this year in the section which included all first place winners from previous exhibitions.
