Hilda and I wish to thank all of you for the many Christmas and New Year Cards.

Our Revenue Group member Ed Whiting has been appointed Secretary of B.N.A.P.S. to fillin that vacancy until the office is filled by election.

I understand that Lee Brandom has submitted his Tax Paid Catalog complete with prices to Glenn Hansen. This will be incorporated in Glenn's Third Edition "The Guidebook and Catalogue of Canadian Stamps" by Glenn Hansen, which will published shortly.

New York Collector's Club has scheduled Wednesday, February 19, 1975 for a Canadian Revenue Meeting. Harry Clampett will participate, speaking on the Supreme Court Laws. Do we have any other members who are willing to participate? At least if you are in the New York area be sure to plan to attend this meeting.

Now that we have started the Year 1975, get out your calendar and mark down several dates.

This year we are going to have our 4th Annual Revenue get-to-gether earlier than usual. One reason is that the Royal Philatelic Convention is in Quebec, May 29 to 31. So by having our Revenue get-to-gether the preceeding week this may enable some to take in both. So, we will start our Revenue get-to-gether May 23 with a Friday evening Dutch Treat dinner at a local restaurant. Then a Champagne breakfast at Rockett's Saturday 9 A.M. followed by Revenues, lunch, revenues, and dinner. (Of course there will be morning and afternoon programs for the ladies). Hilda and I are sorry we don't have sleeping accommodations. However, there are several Motels nearby. So, put May 23 and 24 on your 1975 calendars. This year you come and that will make it bigger and better than ever.

Our B.N.A. Circuit is in the process of changing managers. More on this later.

Note that with this issue of the Newsletter we insert the final section of Jon Whitrock's study on the New Brunswick and Prince Edward Island Tobacco Stamps. Nice work Jon.

Next Month we have another real great article for insertion. Xeroxing is all due to the generosity of Publication Manager Bob Withsosky.
