

CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

September - 1975 # 51

With this issue we have become quite professional looking - Our member Bill Steinmetz not only suggested a printed letterhead, but also furnished us with an adequate supply of these letterheads. He did a great job and the Newsletter Staff wishes to thank him. THANK YOU BILL.

September 17, this is the date Hilda and I take off to the BNA Convention where we expect to see many of our OLD friends and certainly hope to meet others of you for the first time. Hilda has pulled all our slides from the many previous conventions. She will bring these plus her projector to the convention to show anyone who might be interested in seeing them. I know that there is a beautiful (?) shot of Fred Jarrett and Vinnie Green at poolside down Texas way. Or how about the Lobster feast at Halifax.

Also, don't forget the annual meeting of the Revenue Group. Sorry, but at this time I do not have a schedule of events. That reminds me to take time out to write my annual report, to submit at our annual meeting.

Enclosed with this month's Newsletter is an interesting and unusual item from Ed Richardson's collection. I've told Ed that one of those 10¢ stamps should fall off into a letter addressed to me.

In last month's listing of Excise Tax Stamps used on Playing Cards, Lee Brandom reports "on page two at top" "The C.L.M. Co. (?) I show this to be "Canada Litho Manufacturing Company".
