

# CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

OCTOBER - 1975 # 52

Let's start out with a report on the Revenue Group Meeting at the B N A P S Convention.

The meeting opened at 2 P M Thursday with about 40 of our members in attendance. The same officers were re-elected for another term. The treasurer gave his report:

Income for the year	Expenses for the year
dues - 22.00	Trophy - 9.00
interest - 10.96	Postage and
donations - 333.00	Stationary - <u>235.00</u>
sale of cat. - <u>11.00</u>	244.00
376.96	

receipts over expenses for the year 132.96

So it was again voted to dispense with actual dues for the forthcoming year.

A motion was passed to thank Ed. Richardson for his untiring work in behalf of Canadian Revenues and all present wanted to go record as missing he and Mickey at this year's convention.

Many favorable comments were made regarding the new Newsletter letter-head. A motion of thanks was passed thanking Bill Steinmetz for his generous contribution of furnishing these for the society.

Quite a few wondered about receiving the marvelous work published in the book on the 25¢ value of the Fifth issue of the British Columbia Law Stamps, by Howard Martin and Fred Keane. A motion was passed to thank Howard and Fred for sending each member a copy.

There were three main topics discussed at the meeting.

The possibility of publishing a hand book with prices, on the Lee Brandom "Tax Paid Stamps of Canada". The next day at the Board of Governors meeting the B N A P S Book Department decided to publish this ~~book~~ Handbook.

The report of various members that Scott's was contemplating the publishing of a Canadian Specialized Catalog. If this is true, then surely there should be a section on Canadian Revenues. A committee was appointed to look into this and offer their services.

The Richardson Handbook on Canadian Revenues, could this in any way be expedited? So that we would soon see some tangible results? A committee was appointed to contact Ed.

Several members are working on and doing studies on different phases and as hoped we shall be receiving copies of their work in the forthcoming newsletters.

With this, the business of the meeting was adjourned and stamps were sold, with some of the members staying until 5:30 P. M.

Jon Whitrock was invited to show his stamps at the Illinois State Fair in August. His Canadian Revenue Exhibit was in competition with the previous winners of First Prize. Jon won third place. Congratulations.

In the Exhibition at the BNAPS Convention there were two Canadian Revenue Exhibits. Leo LaFrance had a beautiful exhibit. This exhibit was well worth examining, a real nice showing of Saskatchewan. In fact he showed the 5¢ inverted center on a document along with other goodies. Congratulations Leo on receiving the Silver Award. The other exhibit was showing of the Revenues of the Province of Ontario, this received the Bronze Award. It is always great to see Revenues represented in these annual exhibitions.

Altho it gets to be a chore at the end of each month to get at the job of getting out this Newsletter, I get quite a bit of satisfaction in knowing that I am helping in the promotion of our collecting of Canadian Revenues.

Especially since I see other members of our Group who are doing research, Publication of books, Exhibiting Canadian Revenues, writing articles, writing columns and giving their support to this hobby in many other ways.
