

CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

December - 1975 # 53

Now that the embargo on mail to Canada is lifted and the Newsletter can once again go to Canada, it is about time for your editor to get out a Newsletter.

Especially to try to beat the postal rate increase they are promising us here in the States.

I am saddened to report the death of our member Harry Clappett Jr. of 47 Cross St., New Canaan, Conn., Harry and Jean attended many of the BNAPS Conventions and I am sure many of you remember Harry. Harry was responsible for the yearly mini-conventions of the Revenue Group held here at Willow Grove. It was mainly through his persuasion that these get-togethers were started. He and Jean attended all of them. We will surely miss Harry and be assured that these get-togethers will continue, Jean, we wish to express our heart felt sympathy.

Our get-together next year will be announced in the January Newsletter.

Enclosed your membership card for 1976 - Canadian Revenue Group of BNAPS.

I still understand that the Revenue column in Topics will soon be activated.

In regards the Richardson Handbook - The committee appointed on this has no report at the present.

The committee appointed at the Sept. Annual Meeting of the Revenue Group in regards to Scott's publishing a specialized Canadian Catalog including Revenue issues has sent their report;

"Thank you for your kind offer to undertake the revenue section of the proposed Canada specialized catalogue.

I have to report that this project has been shelved-for how long it is impossible to say. If it is taken up again, and if I am in charge of the books editorial content, you will be welcome to a place on the staff of contributors.

Please convey my thanks to the Canada Revenue Society for offering to help. It is good to know that we can count on the assistance of such a specialist Study Group. Also, let me thank you for sending copies of your interesting "Van Dam's RevNews" #7 and 8, which I have enjoyed perusing.

Thank you E. S. J. Van DAM

Sincerely, James B. Hatcher

I received Van Dam's RevNews #9 There are many interesting items listed. He also mentions it is necessary to subscribe to his RevNews in view of today's mounting costs for printing and mailing. This seems only fair. However unlike many other dealers who send out auction catalogs and price lists on a subscription basis only, he offers to re-imburse his subscribers with a refund on their purchases.
