

CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

Editor - W. Rockett

NOVEMBER - 1976 # 59

First, last month I failed to report that the Adriatic Insurance adjustor (American Philatelic Society Stamp Insurance) stopped in at 2030 Overlook Ave., with the 6th Canadian Covers recovered from the 1972 robbery and turned these covers over to me, for the amount of money they paid me in my claim for this portion of my robbery loss. I wish to thank Horace Harrison (APS Insurance Manager) for his continuous efforts in my behalf. Horace is a member of our Revenue Group.

The BNAPS Convention in San Francisco was a huge success, it was a real pleasure meeting many Revenuers from our Group whom I had never previously seen. Quite a few of our Revenue members were on the Host committee and the host committee did an outstanding job.

The Annual Revenue Meeting was well attended, 22 members. Ed Richardson spoke on the new Canadian Revenue Handbook. He expects to have the Federal Section published before the next Convention.

The same officers were retained for another year. The Chairman Treasurer (me) gave the following reports: Receipts for the year \$200.46, Expenses for the year \$178.75. Gain for the year \$22.71.

The membership list shows a total of 190 members. However, in my opinion there are 30 to 50 on this list who have exhibited no real interest in the Group.

It is quite a pleasant project to get out the Revenue Newsletter which

means writing - typing - duplicating - addressing envelopes, etc. but it seems a waste of time and money to service these disinterested members.

As my financial report shows the Newsletter keeps in the black because of the generosity of a few members. (This should not be). I suggested for 1977 we have a membership fee of \$2 per member and those members not paying the membership fee be dropped from the rolls.

A motion was made and carried to do this.

I am having 1977 membership cards printed and those members (20) who have already paid their dues will receive their cards with next month's Newsletter. Probably in February 1977 I will send out a complete new list of members. I hope your name will be on this list.

We had two revenue meetings in San Francisco, the second was a seminar on Canadian Tax Payers. This meeting was hosted by the Editor of the newly published "Tax Payer Catalog of Canada" Lee Brandon. Again we had great attendance. The Lee Brandon "Tax Payer Stamps of Canada" is now a published Handbook. It is a beautiful Handbook which all revenueurs will enjoy having on their bookshelf. It sells for \$6.00 thru various dealers and the B.A. Handbook Department.

If you are interested in an autographed copy write Lee Brandon, Box 3313, McAllen, Texas 78501

At the Revenue Group meeting the First Literary Award ever given by the Revenue Group was awarded to Lee Brandon.

San Francisco was exciting, the exhibition was great. There were three awards given for Revenue exhibits. Our recording secretary will send me his written report on the two revenue meetings and the names of the Revenue Exhibit winners.
