

CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

EDITOR - W. Rockett

NOVEMBER - 1977 # 70

I was very fortunate to be able to go to Ottawa and have the opportunity to look over the material which the Custom and Excise Division turned over to the Postal Museum. I was able to turn up many items that had not been listed in the Tax Paid Catalog. I am sure we shall hear from Lee Brandon in the near future.

It gave me a splendid opportunity to renew friendships with quite a few of the Revenuers in the Ottawa area.

Although Hilda didn't meet the Queen, she was fortunate enough to see the Queen on two occasions.

At the Annual Meeting of BNAPS in Edmonton, the Presidents Award was presented to me. I accepted this award in the name of the Revenue Group, since many of our new members joined BNAPS in order to become members in the Revenue Group. (The Presidents Award is presented to the member who proposed the most members to BNAPS for the preceding year.)

QUESTION: Could you advise how to remove the liquor seals from the bottles?

The glue they are using almost takes the glass with it.

W. H. Howes - Box 609 - Kindersley - Sask - Canada S0L 1S0

Included in this month's Newsletter are three more pages of "Liquor Tax Stamps" by E. F. Vilter. Fred has done a splendid job on this phrase of the Canadian Revenue Stamps. When you have received the complete catalog it will be a nice addition to your Canadian Revenue Literature.
