

# CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

EDITOR - W. Rockett

SEPTEMBER - OCTOBER 1978 - # 79

FIRST - July-August TOPICS published a list "Dropped for non payment of 1978 Dues" I noticed a few are members of the Revenue Group. I am sure it is a case of forgetting to take care of this. I will check with Ed Whiting before the next Newsletter. Naturally if this isn't cleared up I will also have to drop these members from the Revenue Group.

BNA Convention October 12 to 15 - Palm Beach, Florida at the Breakers. It still is not too late to make reservations. Of course, there will be an annual meeting of the Revenue Group.

July-August issue of TOPICS had a very fine Revenue Study Group News column by our Editor Chuck Emery.

Last month we reported New Brunswick Stamps issue of 1934 50¢ - \$5 - \$20 with dull gum.

\* \* \* \* \*

John Siverts reports he has the 20¢ with dull gum. Also imorint copies of the 20¢ - 50¢ - \$5 and \$20 at the bottom 19+ mm. whereas the old imprint was 15mm.

I traveled to Balpex at Baltimore where the Middle-Atlantic regional Group of BNA was formally organized. Regional Director Larry Paige, BNA President Leo LaFrance, BNA Treasurer Ed Whiting were in attendance. John Burnett organized the affair.

Several Revenue Group members were there. A good start. It was thought that BNA members in the Va., Maryland, N. J., Del., Pa., N. Y. area would have a chance to meet and know each other. In this way it gives members in this area to become acquainted, since many members don't have the opportunity of attending BNA Conventions.

DONATIONS - I wish to thank the many generous Revenue Group members who have sent in donations for the Newsletter throughout the year. (see treasurers report) below. This makes it possible for me to again recommend no collection of Revenue Group dues for the year 1979.

Again I hope to see many of the Revenue Group at the Breakers.

Revenue Seminar and the Annual meeting October 13 at 1.30 P.M.

If you look at the July- August TOPICS you will find the necessary reservation form. Why not place an exhibit of Revenues in the exhibition.

\* \* \* \*

In the August Newsletter I quote "There is some talk (which I hope will materialize) of pending Revenue Handbooks".

I have received a section of this handbook already completed, which looks like a splendid beginning. Who knows, perhaps this time around the Handbook will really materialize.

I have made check lists taken from my notes on cancellations on tobacco stamps. They were picked because I have a particular interest in this issue.

I make no pretense that the lists are exhaustive. Probably most of the missing items exist (plus varieties in perf. and print style). Obviously I would like to locate the missing items to fill in the collection. But I would like to hear from you who also collect these items, to fill in the listing for a future printing.

Anyone wishing a copy of this 10 page study may have a copy. Write to:
