Here we are starting another year - your editor is trying out a new typewriter. Note: the type face is now pica instead of elite. We is hoping to get a better re production. Of course, he realizes this won't help with spellin, etc.

* * * * *

It is with deep regret I have to announce the death of a very dear friend. Russ McNeil, Russ was one of our early Revenue Group Members. Russ was a faithful and dedicated worker in the BNAPS, he will be greatly missed and I have lost a dear friend.

One of our original members recently sold his collection of Canadian Revenues thru Wolffer's Auction.

His 43 lots listed at a bout \$13,000 the realized price came to \$6800 just a little over 50% of the Sissons current catalog value. Overall not too bad.

Of course, there were some individual items which brought nice prices.

Especially some of the Supreme Court Stamps.
