I have been told many times, "I would like to save Canadian Revenues, but where would I be able to secure Canadian Revenues, many dealers don't carry these items.

Well collectors of Canadian Revenues, now is the time. February 7 Sissons Auctions have a great selection listed for this auction. In fact, it will be interesting to see what lot number 1065 sells for. This lot catalogs over \$13,000 in the 1969 Sissons Catalog. There are two items listed in this lot that would look good in my collection.

Then van DAM has his Mailsale #17 set for the 25th of January. (I imagine he may change the date of this sale to later, for the Post Office failed to deliver his catalog, somehow) There are many fine items listed in this auction. Especially the FU 56/55, the rare fisherman issue of the Federal Unemployment Stamps. This list also includes prices realized in Mailsale #16. There were many interesting prices realized in this sale.

Then George Wegg has Newfoundland Inland revenue stamps, gutter pairs, at a very attractive price. See his CIRCULAR GM-32 issued in January 1979. I am sure this circular is still available. Drop George a line. 36 Victoria St., Toronto, Can. M5C 2N8.
