

CANADIAN REVENUE NEWSLETTER

A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

EDITOR - W. Rockett

AUGUST - 1979 # 88

This issue we are dedicating to one of our oldtime members a staunch supporter of the Revenue Group. After 67 years of dealing in stamps, he retired from the stamp dealing business. It is with deep regret we accept his resignation from the Revenue Group.

We wish Anna and Les Davenport all the best
Remember, Les, old Revenuers simply fade away.

I received a copy of "THE CANADIAN REVENUE REFERENCE MANUAL". It is a real beauty. Send \$16 to Erling van DAM, B ox 205, Bridgenorth, Ont. Canada K0L 1H0. There is a limited quantity, send today. You will enjoy this. The format is loose leaf three ring binder pages 8 1/2 x 11 inches. This makes it easy for corrections, additions and substitutions. Chuck and Erling have done a superb job. We wish to congratulate them.

If you get a chance be sure to read "The first issue of Alberta Law Stamps" article in Stamp Collector June 30, by Chuck Emery. A very interesting article.

Chuck reports a \$30 B. C. Law Stamp rouletted has been issued. So far, I haven't gotten this stamp.

In this issue of the Newsletter there are three more pages of Lee Brandon's Tobacco Tax Catalog supplement.

Don't forget the BNAPS Convention Sept. 13 to 15 at Quebec. I hope to see many of you there. The Revenue Group annual meeting will be held Friday Sept 14 at 1 to 3 P.M. See you there.
