Report of the ninth annual Revenue Group

Mini-convention

Friday evening there were six of us for dinner.

Saturday we started about 9:30 A.M. with danish and coffee. the first to arrive were the La France's from N. Y., followed closely by Rubec of Ottawa, Lehr's,

Graper, Siverts from Del., Paige's from Va., Whiting's and Liggett from Pa., plus a few local BNA characters.

17 were here for lunch and 18 for dinner. Except for one table of bridge in the evening, the entire day was spent talking, buying, swapping revenues. Yes I think Canadian postal issues were mentioned (whatever they are). The ladies disappeared in the afternoon on a sightseeing excursion.

We had a group meeting, with several items being discussed.

I gave a financial report of the Revenue Group. Some interesting items were promised for next years Newsletter.

It was voted to send certificates of Award to Chuck Emery and Erling van DAM for publishing the "Revenue Reference Manual". Question raised, where is the next part?

Sunday breakfast was attended by six.

Nov. 6 to 8 REAPS Convention at McAllen Texas. The Particulars are published in the current issue of TOPICS. This should be one of the best conventions of the 80's. Be sure to register. Our Annual Group Meeting is scheduled for Friday Nov. 8 at 10:30 A.M. Why not plan to exhibit this year?
