Included with this Newsletter are the final 2 pages of a study of the 5th and 6th issues of Saskatchewan Laws by our member #235 John Graper. Thank you John. I am still missing the 50¢ rouletted item. Who can help me with a single and a block of 4?

Hilda and I attended the BNAPS Convention in McAllen. This convention was a great success, the registration was phenomenal, the hospitality of the Texans unequalled, the convention was held under ideal conditions, since all activities were under one roof. It was really like one great big family reunion. The exhibition was superb, practically all phrases of Canada Stamp collecting were represented. Many of the Canadian Classics were on exhibition. Of course, Canadian Revenues were well represented. Harry Lussey had a non-competitive exhibit, he had a block of four of the \$5 George V Excise in orange instead of the normal color, vermillion. Ed Richardson had 2 frames of revenues non-competitive with many rarities including the Newfoundland Transportation Stamps.

John Siverts, Federal and Eastern Provincial Revenue issues.

Joe Shelton, British Columbia, including examples of use.

Bill Rockett, Alberta, B. C., Saskatchewan and Yukon.

So you see there was a real showing of Canadian Revenues.

It will be a real challenge to equal this convention.

The Mid-Atlantic BNAPS Group met at the VAPEX show at Virginia Beach. We had 12 members at our meeting, 5 of them were Revenueers. 2 new BNAPSers were signed up. One new member for the Revenue Group. Welcome Dick. On Sat. Nov. 14, Our member Al Waddington invited the BNAPSers to his lovely home on Sunday Nov. 15. Betty and Al had a great set-up, our one regret was we couldn't spend as<sup>much</sup> time, enjoying their hospitality, as we wished. Thank you Betty and Al.

HELP IS NEEDED - Several of us are trying to gather a complete file of the Newsletters and Bulletins published by the present Revenue Group and also the Original Canadian Revenue Society. So far we have been fairly successful. We need #1 to #138 of the CRS Bulletins. We will then have a complete file for the Revenue Group and also the Canadian Postal Museum.
