Virginia Beach "VAPEX" was a great success. Friday evening about 20 BNAPSers went to the Lighthouse Restaurant.

As for the exhibition, 8 awards were won by BNAPSers, 2 gold, 2 vermilion, 2 silver and 1 silver bronze. Our members Cook, Stillions, and Wald won vermillions, Paige a silver and Ribler a silver bronze. Rockett showed his Canadian Federal Revenues and won a gold, a grand award from the ARA, the mid-Atlantic Group award for the best Canadian exhibit and the Horner award for the best British Commonwealth exhibit. Not bad for Canadian Revenues.

I have noticed, it was only a few years back that if you went to a stamp Bourse it was unusual to find a dealer who had any Canadian Revenues for sale. Now it seems you can find at least one or more dealers with a smattering of Canadian Revenues in their stock.

van DAM'S "The Canadian Revenue Album" this is really an amazing work that van DAM has accomplished. These are beautiful padded three ring binders. If I were wondering whether to save Canadian Revenues this could very well be a determining factor in convincing me. A person would be proud to show these to a friend.

At last here is a Canadian Revenue Album to be proud of, it has spaces for all of the Canadian Revenue Stamps of Canada. Those who wish to specialize in perf. varieties etc. can easily do so, for extra pages are available. The pages are punched for three ring binders. Therefore you can easily add or remove a page.

The two padded binders with pages, post paid are sold by van DAM (U. S. \$64.00) (Canada \$74.95) extra pages and binders are available from van DAM

Also, van DAM now has his second edition of the Canadian Revenue Catalog at the printers. This should be ready by the end of the year. The price will still be the same as his first edition \$7.50. A new section has been added the "Alberta Hunting Stamps" as well as other changes and additions.
