Hilda and I enjoyed our Florida trip, where we took in the  
Sarasota Stamp Show. Here we met several BNAPSers.

Friday April 26 - Those of us at State College for the Mid-Atlantic  
BNA gathering will probably be having dinner at the Autoport Motel  
last year there were about 20 of us.

It will be great meeting with you all again this year. Hilda  
and I are looking forward to it.

"Honoraires/Fees" was overprinted on the 1912 Quebec Law issue (an issue with many shades and sizes) perf 11 and perf 12. So the overprint can be found on many items.

French and Holmes gave two positions for the "F" but the "F" floats into more than two positions.

Ed Morris kindly sent me a study of the vertical leg of the "F"

- position A - F bisects the N
- position B - F lines up with the right leg of N (French under NO)
- position C - F bisects the distance between the NO
- position DD - F under the O (French under the O)
- position E - F bisects the O

Checking Will Rockett's and my material Ed Morris is right.

The short overprint is .69 inches and the long is .75 inches.

My perf 11's are all Kinsalis 72 (metric 10.936) Kinsalis does not have a 10 3/4 (metric 10.786) check your SG Instanta gauge for shrinkage.

The Basic Chart includes items that French and Holmes showed. The "X" shows recent reportings. Kindly check your material to fill in blanks. Credit must be given to Ed Morris, Will Rockett, John Siverts and Clay Rubec, submitted by Kirk Liggett, 135 Glenview Rd., Wyncoote, Pa.
