A PUBLICATION OF THE CANADIAN REVENUE GROUP OF BNAPS

EDITOR - W. Rockett

MAY - 1986 # 157

Coming Events

June 7 - Annual Revenue Meeting at Willow Grove, 2030 Overlook Ave., Pa.
August 29/31 - BNAPS Convention and Exhibition, Dearborn Mich.

Third Issue Bill Stamps - Perforating Errors.

Imperforate side margins on the 4¢ value. An imprint block of six showing the left margin without perforations and an Imprint block of nine showing the RIGHT MARGIN imperforate. This is the result of a sheet having been fed into the perforating machine in an inverted position.

A similar situation exists with the 30¢ value which is not cataloged. The single shows the same BLIND PERF that appears on the 4¢ and it is marked with a Red dot. A vertical pair has the left margin imperforate. An imprint strip of 4 of the 30¢ shows the first two stamps imperforate at the bottom but this is due to a fold in the sheet.

It has been reported:

The Saskatchewan Government has ceased using Law Stamps
as of April 1st, 1985.
