**One request:** Does any one own or know who owns a copy of a New Brunswick Telephone Frank similar to the one displayed in "negative" form in the New Brunswick section of Van Dam's 1979 Reference Manual? If any one does own such an item, a photocopy would be greatly appreciated for the purpose of including it within my next manual, to be titled THE ATLANTIC PROVINCES. Of course, all contributions will be duly acknowledged and appropriately attributed within footnotes or references.

Edward Zaluski, 2777 Springland Drive, Ottawa, On. K1V 9X2.

By the way, my first reference manual, "Canadian Revenues Volume One -- Federal Bill and Law Stamps" is again available as a 1991 reprint within which a four-page information "update" has been included. Price postpaid: \$19.00 Cdn to a Canadian address, \$18.00 U.S. to an American address. (For people already possessing the manual and who want the update only, please send a self-addressed envelope together with either sufficient funds or Canadian stamps to cover postage costs, which are 40¢ to a Canadian address, 46¢ to an American one.)

Type P.

Type Q.

A new type of cancellation came into use in 1907, which I have illustrated as Type P. This type occurs on the 1893 issue and the new issue (changes of colours for some stamps) which came in 1906 or 1907.

As a matter of interest, I may say that the use of the Type P. cancellation extends well into the 1912 bilingual issue and was superseded by a new one (Type Q.). Type Q. is in French, the first time that occurs, all previous cancellations having been in English.

December 1991 # 202

## Coming Events

June 13 - Canadian Revenue Mini-convention - Willow Grove, Pa.

Sept. 10 to 12 - BNAPS Convention and Exhibition - St. Charles, Ill.

\* \* \*

It is not too early to PLAN on being in Willow Grove June 13 for our Annual Revenue get together.

\* \* \*

## EXHIBIT

EXHIBIT AT THE BNAPS CONVENTION at St. Charles

I'D like to see four or five Revenue Exhibits in the BNAPS Exhibition in Sept. However it would promote the collection of Revenues if we could do a little co-ordination, so that there aren't two or three exhibits covering the same theme. If the members who are going to exhibit would contact me telling me what they expect to Exhibit. I know several of us could exhibit another phase and we would cover a greater overall picture of Canadian Revenue collecting.

## CHANGE of ADDRESS

# 226 - Joe Foley - Box 133 - Riva, MD 21140

\* \* \*

The Mid-Atlantic Group of BNAPS held a meeting at Virginia Beach Sat. Nov. 9 we had about 15 members present. Our member Jim Lehr gave a very interesting talk on the Stamps of Prince Edward Island. Thank you Jim.

The members presented beautiful plaques to two of their old time members - Ed Whiting and Bill Rockett. My plaque is a real beauty and hangs in a very special place in my Stamp room. Thank you.

MERRY XMAS ♡ HAPPY NEW YEAR

Wanted: To complete a specialized section within Canadian Revenues, Volume V, I am seeking information on Canadian Amusement and Sales Tax Tickets, such as the two examples shown at right. If you have such items, please provide a photocopy of both the front and back of each item (as matched pairs so that I know which back belongs to which front), along with the following information for each pair: Colour

of ink used to print the inscriptions on front and back (black or otherwise), paper colour (white or otherwise), paper thickness (thin or thick card-type), the colour and type of background underprint, if any (most are in rose-red), the colour of the serial number, and the colour of the prefix letter (if different from the serial number). All respondents will receive free a copy of a one-cent B.C. Social Security and Municipal Aid Tax Ticket, as shown at left. Please reply to Ed Zaluski, 2777 Springland Drive, Ottawa, On. K1V 9X2.
