

CANADIAN REVENUE NEWSLETTER

A publication of the Canadian Revenue Group of BNAPS

AUGUST 1993

No. 1

**EDITOR BILL ROCKETT
RETIRES!!!**

After producing more than 215 consecutive Newsletters over the last twenty-two years, Bill Rockett has decided to step down as Editor of the BNAPS Canadian Revenue Newsletter. Over those many years, his newsletter has been a welcomed sight in the mailbox. The Newsletter has announced discoveries of new varieties, distributed updated listings, such as *Brandom's Taxpaid Catalogue* and universally served as the connection between Canadian Revenue collectors. Bill has been a tireless worker in the promotion of the Canadian Revenue collecting field. We all owe him a very special "thank you!"

Fritz Angst has agreed to carry on with the newsletter. Fritz is an attorney who lives in Saint Paul, Minnesota. In asking for support from the members, Fritz explained "as every editor of every newsletter has ever pleaded before, I welcome the contributions of the membership, be it articles, discoveries, ideas, corrections, etc." Fritz can be reached at the following address:

**INTERESTING

**FIRST EDITION
APRIL 5, 1971**

Attached is a copy of the first page of Bill's first Newsletter. Thought you might find it interesting.

It would give me great pleasure to re-activate the Canadian Revenue News-
letter. I would like to have a Bi-monthly. In fact, if we can get enough
interesting revenue news, we can try for a monthly. So, if you have any
news that you think the other renewsers would like to hear, send it
on and we shall see what we can do.

Also, we can have a buy and sell page. Send in your adlets. Perhaps someone
has just the items you have been looking for. Or you may have duplicates
another collector is looking for.

I am going to try to get out the revised list of members for the next
sending I'll try to get it in the mail before the postage rate goes up.

Of course if any of you aren't particularly interested in receiving
these newsletters drop me a line. In that way I can save both time and
postage.
