

# Parking at St. Lawrence College

## General SLC Parking Guidelines

1. From Monday to Friday parking fees must be paid for parking in all St. Lawrence College parking lots. Parking is free Saturdays and Sunday.
2. No overnight parking is allowed except for residence guests, and only for parking in the residence parking lot.
3. Parking must be paid using the HONK app on a cellphone using a credit card and the vehicle license plate number. For guests not wishing to install the HONK app, payment can be made at a HONK NO APP Express Checkout (see attached) which will be set up at the main entrance to the college.
4. The Parking lots are patrolled regularly, and tickets will be issued for unpaid parking.

## BNAPEX 2024 Registered Member Parking

BNAPEX 2024 included Friday parking for members who registered in advance plus dealers, board members, judges and organizing committee members.

## Residence Parking

SLC have provided the list of people who have reserved rooms at the residence. This week I will provide the Residence with a list of the members from that list who are entitled to paid parking on Friday. For dealers, board and committee members who are checking in on Wednesday or Thursday, paid parking coverage will be extended for those days. Upon check in at the residence, eligible members will be given a parking pass to be placed on their dashboard. The pass is good for daytime and overnight parking in the residence lot and for daytime only parking in other SLC lots.

## Day Parking - Main Parking Lot

All day visitor parking in the main SLC lot is required to be paid using the HONK phone app.

The HONK APP requires the following data:

- Zone # - use 1771 for SLC main parking lot
- Vehicle License Plate number
- Credit card number for payment or an assigned code.

Registered Members who are not staying in the Residence will be provided with codes for each qualified day to enter in the HONK App along with their licence plate number. For members who do not wish to download the HONK App to their phones, the App can be access by QR code on the NO APP Express Checkouts which will be located at the front entrance and at the

Registration Desk. Registered members who receive codes but do not have cell phones can email me, and I will enter their license plate number & code through my HONK APP and confirm.

**BNAPS 2024 Walk in Visitor Parking**

Walk in visitors will be required to pay for parking on Friday only. SLC will place a whiteboard sign at the front entrance to advise BNAPEX visitors of the process to pay for parking on Friday by downloading HONK APP or using the NO APP Express Checkout.
