SPECIALISED STAMP SALES (Great Britain, British Empire and other countries) are held weekly in London throughout the season. *QUALITY and CHARACTER are the outstanding features* making these sales of particular interest to the specialist and advanced collector.

POSTAL HISTORY AUCTIONS (also in London) are held five or six times a year and include pre-adhesive covers, old letters, ship letters, classics on covers, cancellations, postal stationery, etc.

BOURNEMOUTH STAMP AUCTIONS, held monthly throughout the year, offer material of a general nature: i.e., Collections, Mixed Lots, Collections by Countries, Sets, Single Rarities, etc.

THE NEW SEASON IS WELL UNDER WAY and we shall be happy to send you a sample catalogue or details of our subscription rates. **OUR AUCTION CATALOGUES** are known to be *the best in the world* and for the specialist who does not have time to search personally for his requirements we have devised the popular **BUSY BUYER'S SERVICE**, full details of which will be sent on request.

Can we help You?

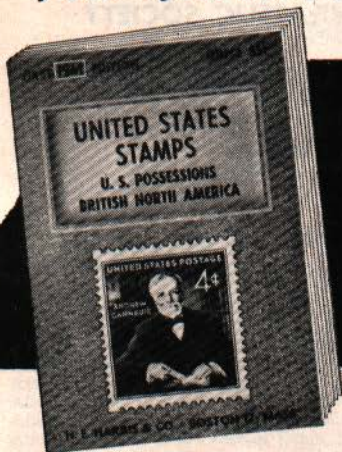

Please send for our current "Review" if you would like full details of our international organisation.

There is a sprinkling of Canadian material in the November 30th British Empire sale in London and the December 2nd and 3rd General Sale at Bournemouth—illustrated catalogues \$1 each including second class airmail postage.

SALES DEPARTMENT

SELL YOUR DUPLICATES . . . FILL THOSE SPACES IN YOUR COLLECTION THROUGH THE SALES DEPARTMENT

EXTRACT FROM THE RULES OF THE SALES DEPARTMENT

1. This Department shall function entirely for and in the interest of the membership of the British North America Philatelic Society. Any Member, in good standing, may participate in the Department and, by his participation, attests and agrees to abide by the Rules and Regulations of the Department. Any Member, so participating, may be denied such participation for infraction of any of the Rules or Regulations of the Department.

2. Any stamp or item which is damaged, counterfeited, re-perforated, cleaned, repaired, a reprint, or in any other way of doubtful or questionable character, must be clearly so marked next thereto by the affixer upon submission for entry in the Department books. Any such stamp or item, in any way of doubtful or questionable character not so marked clearly by the affixer, so decided by the Board of Examiners, or established by any other means, in its sole discretion, and without any liability or responsibility therefor to the owner or anyone else, shall automatically cause a charge of at least 25 cents for any and each such unmarked item and be removed from the book.

3. A charge of 2 per cent as an insurance fee shall be made of the net value of the material entered at any one time. Monies so collected shall be deposited in the Insurance Fund from which Fund claims for loss or damage to material shall be paid.

4. A charge of 8 per cent shall be deducted from all sales made through the Department. Monies so collected shall be deposited in the General Fund of the Department, and all costs of conducting the Department shall be paid from this Fund. Both the Insurance and the Commission charges shall be deducted whenever a payment shall be made to an owner.

5. Circuits must be forwarded to the next Member shown on the Route Sheet within five (5) days of receipt by the forwarding Member, to be forwarded by him by Registered Mail insured for Five Dollars (\$5.00). Strict observance and compliance with this Rule shall be enforced by the Sales Manager and any violation shall be subject to a penalty and charge of 25 cents per book in the Circuit for each day delayed in forwarding Circuits. The loss of any material not so forwarded by Registered Mail shall be entirely the responsibility and liability of the remitter.

6. The Member, upon receiving a Circuit, shall verify the number of books in the Circuit, as evidenced on the Route Sheet, and that all spaces on each page of each book contain a stamp or other item, or a proper indication that the stamp or item of the space has been sold or is accounted for. If any space on a page is not so properly accounted for, the receiver must immediately notify the Sales Manager and similarly the Member from whom he received the Circuit. Such discrepancies must and shall be adjusted between these two Members; the Department is entirely absolved in such instances.

7. The buyer must sign his name in INK (or use a suitable rubber stamp) and indicate his Society membership number in all spaces from which he has removed and retained an item. Each so identified purchase shall be entered on the forms specifically provided for that purpose with each Circuit. The properly completed Report Form, together with payment and remittance for all purchases in U.S. funds, must be sent to the Sales Manager. The Circuit must then be forwarded to the next Member shown on the Route Sheet in the manner prescribed in (5) above.

SALES DEPARTMENT NOTES

We hauled about 100 pounds of circuit books to the Convention—7,055 miles—and are now checking them out. Sales were over \$400, and would have been more had we not taken some time to see the sights at Banff.

Our thanks to Bill Hassan, No. 911, who gave much of his time to help us handle the rush of business at Banff, and who, in addition, is helping the Sales Manager check out hundreds of books.

Your material will move faster if you will only classify it—one specialty to a book. Where possible, use the categories or groups used for exhibits. A member who wants squared circles hates to go through ten books marked "Used Canada" and find only 20 squared circles in it. Keep the Newfoundland in separate books; ditto covers, stampless, Small or Large Queens, revenues, booklets and panes, etc. The material that moves is from the books that contain one class or group. Make it easy for your buyers.

The circuit books are 12 for \$1.00 postpaid. Here's a chance for our Canadian members to dispose of their spare U.S. dollars—equivalent to a 5 per cent discount. Since circuits are payable in U.S. currency, here is another chance to save.

If you can almost fill a circuit with one class of material, "X" out the last couple of pages. You will sell more out of it.

Mount the large stamps horizontally using two blanks—the vertical "long" ones likewise, using two spaces vertically. Those who had material not mounted this way had their material lifted a good many times in order to find out the asking price. Even the Sales Manager has to lift them in checking books on receipt.

If you meet with a group, why not have a BNAPS Circuit Night periodically? Drop the Sales Manager a note and the material will be sent in time for your meetings. If you meet regularly send in the dates and you will get the material. ★

EXTRACT FROM THE RULES OF THE LIBRARY

1. This Department shall be maintained and shall function entirely for, and in the interests of, the membership of the British North America Philatelic Society. Any member of the Society in good standing may borrow material from the Library. Any member may be denied that privilege for infraction of any of the rules of the Library.

2. The Librarian shall receive and acknowledge all contributions to the Library. He shall cause to be published in BNA TOPICS reports of all activities of the Library.

3. A Member, on written application to the Librarian, accompanied by all charges, may have sent not more than two (2) volumes and shall not retain such borrowed material for more than thirty (30) days, at which time, or sooner, same borrowed material must be returned in good condition, fully insured and all charges prepaid. The Member so borrowing material from the Library shall be responsible and liable to the full value of the material until same shall have been acknowledged as received by the Librarian. A Member shall make such adjustment or payment for any damage or loss to the material borrowed from the Library in such amounts as shall be determined and established by the Librarian.

4. There shall be a charge of twenty-five (25) cents per week or part thereof for each item borrowed from the Library and held in excess of thirty (30) days. A rental of twenty-five (25) cents or more per week may be charged for any special or rare book when so determined by the Librarian.

NOTE: It would be appreciated by the Librarian if members would include return postage when requesting books, as much of the Library's budget is used up by mailing costs.

REPORTS SHOW SUCCESSFUL YEAR OF OPERATION FOR MOST DEPARTMENTS OF THE SOCIETY IN 1960

President V. G. Greene took the chair at 10:35 a.m., Saturday, September 17, 1960, and declared the meeting officially open for the consideration of such business as should come before it.

It was moved and seconded by G. B. Llewellyn and D. C. Meyerson that the meeting dispense with the reading of the minutes.

In the absence of the founder and Secretary of the Society, Jack Levine, Al Kessler was requested by the chair to make notes of the minutes of the meeting and forward same to the Secretary.

The President then read a telegram from A. Banfield, expressing his regret at inability to be present. A letter was also received by the President from W. W. Chadbourn, who likewise was unable to attend.

Increasing the membership by pointing out the benefits of membership in the Society was the theme of the President's address to the assembled members.

The Secretary's report was then read by D. C. Meyerson, who moved its adoption, seconded by several and filed. (See **REPORTS** on page 269.)

The suggestion by the Secretary, contained in his annual report to the Society, that the retiring Treasurer, W. C. Peterman, shall henceforth and hereafter be designated "Treasurer Emeritus," was unanimously adopted by all present rising and applauding the only Treasurer this Society has had in its first 18 years of existence.

At the suggestion of, and upon motion of B. C. Binks, seconded by L. Davenport, the chair was instructed to convey the best wishes of the Society to Lloyd W. Sharpe for a speedy recovery.

The Treasurer's report was then read and upon motion of the Treasurer, seconded by G. B. Llewellyn, adopted.

D. C. Meyerson then read the report of the Chairman of the Board of Governors which, upon correction regarding the attendance by members from the West at our past conventions, was moved for adoption by the Chairman of the Board, seconded by W. Rorke.

The report of the Advertising Manager was then read by G. B. Llewellyn, and upon his motion, seconded by A. MacMaster, was adopted.

A report of the Publicity Committee and the Permanent Convention Committee Chairman was then submitted for adoption by the Chairman of the Committees, Al Kessler, and upon being seconded by G. B. Llewellyn, accepted.

The Editor's report was then read by Treasurer W. C. Peterman and its acceptance moved by W. Rorke, seconded by D. C. Meyerson.

Robert J. Duncan, Librarian, was then called upon and he thanked the members of the Society for their efforts in the past and appealed for their continued support in the future in maintaining the library.

There was no report from the Editorial Board, Dr. C. Jephcott, Chairman.

The Sales Manager, Al Cook, then read his report, with a concluding recommendation that in the future the host group, upon the request of the Sales Manager, arrange to provide assistance to the person handling the circuit books of the Society at the Convention in order that the Sales Manager not be confined to the bourse table for the duration of the show. The report and

recommendations were moved for adoption by Mr. Cook, seconded by E. Harris, and carried.

W. C. Peterman then read a report for the Chairman of the Handbook Committee, R. J. Woolley. The Perfin handbook and the Duplex handbook are sold out. Enough of the Squared Circle handbooks have been sold to cover the entire costs and all future sales will be profit to the Society.

Under the subject of unfinished business, E. A. Richardson thanked the members for their co-operation in the progress of the Flag Cancellation handbook—to date over 60 members have submitted valuable information in connection with same. Other handbooks being considered are "Canadian Booklets," "Canadian Semi-Official Aids," "Boer War" and others. Mr. Richardson then continued by submitting copies for all present of the proposed changes in Rules and Regulations for Exhibitors at BNAPS Exhibitions. In concluding, Mr. Richardson made a plea for increasing the membership to overcome the losses incurred each year.

Upon the calling of new business to be brought before the Society, President V. G. Greene informed the membership that it has been suggested that insurance in the amount of \$1,000 be issued to cover the Library. This was adopted upon the motion of C. P. deVolpi, seconded by A. MacMaster.

E. A. Richardson then offered a donation of "Literature" handbooks to the Society.

An invitation to hold BNAPEX-61 in Elmira, N.Y., was extended by Al Cook on behalf of the "Apple Knockers" of Ithaca. This was accepted by the members present. This was followed by an invitation by C. P. deVolpi for a return visit to the Alpine Inn at Ste. Marguerite, Quebec, in 1962, which was also accepted.

The subject of the listing of the membership geographically in one of the issues of BNA TOPICS each year was then raised. W. C. Peterman made mention that the only reason it had been discontinued was due to the cost which was prohibitive at the time it was discontinued. After a lengthy discussion, it was agreed that such a list should be published at least once a year. At this point S. Nickle suggested a separate book, free to the membership, for sale to others as a mailing list, alphabetically and geographically listed and showing collecting interests. Upon motion of G. B. Llewellyn, seconded by H. Lussey, it was carried.

W. Rorke then suggested that the son or daughter of a deceased member be permitted to inherit the membership number of the mother or father. This was referred to the Board of Governors.

A rising vote of thanks was declared in order to W. Rorke and his Committee of the host groups of Edmonton and Calgary for their hospitality and fine arrangements for the comfort and pleasure of those members who gathered from far and near for this annual convention and exhibition.

Dr. K. Day presented a plan for the creation of a committee to make a study of the fancy cancellations of the Queen's era, with the hope that at some time in the future a cancellation catalogue might be published. The suggested committee members were, in addition to Dr. Day,

BNAPSers Brassler, Kemp, Ludlow and Lussey. Upon motion of D. C. Meyerson, seconded by L. S. Crosby, authority to do so was granted.

(Editor's Note: At a later meeting of the group the following name was decided upon: Nineteenth Century Canadian Fancy Cancellation Group. Information on the background, scope and purpose of this group will be published in BNA TOPICS in the near future.)

A rising vote of thanks was extended to the Postmaster General of Canada for the official recognition of the Society by the issuance of a special slogan cancellation covering the period of September 1 to 17, inclusive. Approximately 42,000 pieces of mail went through the Banff post office during that time and received this cancellation.

A vote of thanks was also extended to S. Nickels for the display provided by the Glenbow Foundation which was on view in the same area as the BNAPEX exhibition, including four frames loaned by the Post Office Department.

A motion for adjournment was made by L. S. Crosby and carried at 12:10 p.m.

Respectfully submitted.

ALFRED H. KESSLER, Acting Secretary

REPORTS

REPORT OF THE SECRETARY

I am so very sorry that last minute developments made it impossible for me to be present with you at this Convention. I had so looked forward to enjoying our first gathering in the West, and can now only wish you all a most pleasant convention.

My report will show many favorable aspects and some which could show even better results. These comments are based mostly on our membership development as it is covered in this report and I offer the following summary and analyses on which these comments are offered:

Membership Summary

From Sept. 1, 1959 to Sept. 1, 1960

Total Membership, Sept. 1, 1959	1033	
New Members, 9-1-59 to 9-1-60	98	
Replaced on Rolls, 9-1-59 to 9-1-60	1	
		1132
Dropped from Rolls, 9-1-59 to 9-1-60....	30	
Resignations, 9-1-59 to 9-1-60	37	
Deceased, 9-1-59 to 9-1-60	11	
		78
Total Membership, Sept. 1, 1960	1054	

From the preceding summary, we note that our total membership was 1033 last year and has increased to 1054 this year—a gain of 21. For your further information, there were 22 life members last year and there are 23 this year. To study our membership development more closely, let us review the following comparative analysis between last year and this:

	1959	1960
New Members	118	98
Replaced	2	1
Increase	120	88
Dropped	26	30
Resigned	29	37
Deceased	7	11
Decrease	62	78
NET INCREASE	58	21

Our first observation is that only 98 new members were enrolled this year compared to 118 last year—20 less. We must naturally wonder and question why a smaller enrollment with an even larger membership? It would seem obvious that less members are encouraging their friends to understand and recognize the advantages of membership in our Society. We have never sponsored a concerted drive for new members but have always realized membership gains by and because of the belief and knowledge of our members that BNAPS is THE Society for their friends who collect B.N.A. This reason is still very much the best one and perhaps only a reminder to the members is all that is needed.

We next note that losses through dropped, resignations and deaths were 78 this year against 62 last year; 16 more numerically but actually 12 in the dropped and resignations. Of course, with an increase in membership numbers, we might expect a larger loss but we must always wonder why. A greatest percentage of resignations are offered with the regret that either age, health or sale makes it impossible or inadvisable to continue. Such reasons for resignation cannot be contested or questioned, but any other usually is. As for the dropped from the rolls, here, as I have remarked before, the reasons are unknown except when such must be done where members have re-located and present address is unknown and cannot be learned even after advertising that mail has been returned.

So, as I said, this portion of my report on membership shows some favorable aspects and some which could be improved, and I trust that the favorable will continue and the less favorable receive your attention and efforts.

The President's Certificate

Each year the "President's Certificate" is awarded to the member who enrolled the most new members during the year. From January 1959 to December 1959 (per date of Secretary's Report), new members were recruited by the following members in such numbers as indicated: E. A. Richardson 23, R. J. Duncan 8, A. H. Kessler 5, E. A. Harris 4, V. G. Greene 3. Two each: C. M. Chandler, E. A. Clark, A. E. Hetherington, D. C. Meyerson, A. W. McIntyre, J. H. M. Young. One each: F. G. Atkinson, E. C. Banno, B. Bartlett, L. M. Bell, M. Campbell, W. P. Carter, J. J. Charron, J. R. Cooke, H. M. Dilworth, J. H. Eley, R. S. B. Greenhill, H. C. Hazell, W. S. Johnson, W. H. King, A. Koeppel, G. L. Lee, J. P. Macaskie, G. H. Melvin, R. F. McLellan, I. McTaggart-Cowan, N. Pelletier, W. T. Pollitz, H. Reiche, D. G. Rosenblat, G. Showers, J. S. Siverts, D. Tincknell, E. A. Totten, G. M. Tuttle, N. Utberg, J. F. Webb, E. A. F. Welter, A. Whitehead, H. W. S. Wilding, J. A. Wilson.

From the preceding recruiting report, I am very pleased to be able to announce the repeat winner of the "President's Certificate" for 1959 is: EDWARD A. RICHARDSON.

Vincent G. Greene Award

Each year a winner is voted to receive the "Vincent G. Greene Award"—a silver cup awarded to the author or authors of the best original article or articles, column or series of columns originally published in BNA TOPICS. To determine such a winner, the four elected officers, the nine members of the Board of Governors and the donor are canvassed by the Secretary for their three successive selections and points are allowed on a 3 for first, 2 for second, and 1 for third choice basis. These have all been so canvassed and from the 11 ballots received, the following point score noted: L. W. Sharpe 22, J. H. M. Young 19, D. C. Meyerson 7½, N. A. Pelletier 5, W. W. Chadbourne 3, C. P. deVolpi 3, A. Whitehead 3, E. A. Smythies 2, Perfin Study Group ½.

From the above reported results of the voting, the winner of the "Vincent G. Greene Award" for 1959 is: LLOYD W. SHARPE.

Elections

Article IV, Section 3, of the Society Constitution and By-Laws provides, "If all candidates to be elected in any one election shall be unopposed, no official ballot need be prepared or mailed and the Secretary shall cast one vote, or any form, for such unopposed candidates."

Since all offered slates of candidates were duly published in BNA TOPICS and, since all such slates were for the same candidates without opposition for or to any office and therefore unopposed, I, Jack Levine, Secretary, do herewith cast one vote for the following candidates to the designated offices and do thereby formally and officially effect the election of:

PRESIDENT: Walter W. Chadbourne
VICE-PRESIDENT: Arnold P. Banfield
SECRETARY: Jack Levine
TREASURER: James T. Culhane
BOARD OF GOVERNORS: Leslie A. Davenport, Alfred H. Kessler, Willard Rorke.

As founder of the Society and its Secretary for all of its 18 years, for the first time I am presuming to allow myself a privilege which I wish entirely as my own. For all these 18 years I have worked with only one Treasurer of our Society. In all these years I felt I was in a position to know who worked hard for the Society—and I know that none worked harder than the Treasurer; I know that none was more sincere, none more loyal, none more tireless, none with the interest and welfare of the Society more to heart. Our Treasurer retires in the knowledge that the office has been entrusted to a good man. I know of no way to honor or thank Bill Peterman for what he has done—for what he will still do. I can only ask that, in my absence, you all rise and show him our appreciation and recognition of the man and his work for the Society and, enact and effect at the meeting a ruling whereby Bill "Pete" Peterman shall henceforth and hereafter be designated "Treasurer Emeritus."

Respectfully submitted.

JACK LEVINE, Secretary.

INTERIM REPORT OF THE TREASURER

(January 1 to August 31, 1960)

The Report of the Treasurer for 1959 is published in the September issue of BNA TOPICS so at this time I will give you only a few of the unusual items and the net results.

At the time of last year's Annual Meeting it was estimated that we might have a surplus of about \$280 at the end of the year. However, due to unexpected and non-recurring income of \$532 surplus from BNAPEX-59 and an unusually high operating surplus of \$338 from the Sales Circuit, we ended the year 1959 with a surplus of \$804.

I will now give you a summary of the financial operations of BNAPS for the first eight months of 1960, as an interim report which will later be published in TOPICS in full.

As in the past, this report does not include income or expenses in connection with the current Yearbook, for which records are not complete. The total 1960 income to August 31 from all other sources was \$4,777 and the total expense for the same period was \$3,830, leaving a balance of \$947 of 1960 funds for use toward paying expenses from August 31 to December 31.

It is estimated that the income for the balance of this year will be about \$400 and that expenses will be about \$1,400. The expenses will, thus, be about \$50 more than the present funds plus the estimated income for the balance of the year.

The above estimated expenses include a loss of about \$100 on the Yearbook and about \$100 in the Sales Department due to the inactivity of this department. Without the loss in the Sales Department we would have probably ended the year with a surplus of about \$50.

This report is respectfully submitted for your consideration. I move its approval.

W. C. PETERMAN, Treasurer.

REPORT OF THE CHAIRMAN OF THE BOARD OF GOVERNORS

It is with great pleasure that I address this report to the members of the British North America Philatelic Society assembled at Banff for the 1960 annual meeting. I for one am pleased that the Society has finally held its annual meeting in this part of the country so that our loyal and faithful members could meet some of their fellow BNAPSers from other parts of the country. Although this is our twelfth annual meeting, I can only remember five previous visitors from the Canadian Northwest to our former meetings. Mr. MacMaster attended our first convention in Buffalo; Mr. Bury Binks attended our fourth meeting at Ithaca, N.Y., in 1952, and Lt.-Col. Fred Eaton was in attendance at the meeting held at Niagara Falls in 1955. Last year for the first time the meeting at Atlantic City was honored by two members, your own Bill Rorke, chairman of the 1960 Convention, and Murray Ward, another tireless worker for the Society. I do hope that with the example set by us Easterners at this show, that our future shows in the East will show a greater cross-section of the membership than it has in the past. May I add that there would have been at least another dozen in attendance from the East had it not been that the show this year coincided with the London International and

REPORT OF THE HANDBOOK COMMITTEE

The **Perfin Handbook** was published in time for the BNAPS Convention in October of 1955 and had a printing of 500 copies. This was entirely sold out by early summer this year. The present demand is not very strong, although a few more copies could be sold. Consideration will be given to a revised edition which will include all new designs reported since publication of the original edition, other corrections or identifications and possibly a list of the stamps known to have been punched by the provinces. These would be the Legislatures of Ontario, Prince Edward Island and Saskatchewan, the Quebec Liquor Commission and Workman's Compensation Board of British Columbia. A rarity factor, it is hoped, will be included for guidance of collectors and no doubt will be a popular feature of a revised edition. The committee of the Perfin Group hopes to work on this during the coming winter.

Squared Circle Handbook. The revised edition of Dr. Whitehead's handbook came off the press last fall, 1959, and has proven to be very popular, around 400 copies having been sold to date. The printing of 1,000 copies will be sufficient for a few years yet, as probably demand will be in the range of 150 to 200 annually.

Flag Cancellations is our proposed next publication. Under the leadership of Ed Richardson, an interested group is engaged in revising the work of A. L. McCready of Cobden, Ont., and Ed has been fortunate in arranging for the use of the plates from the original publication. Material for the handbook is being published in a series of articles in TOPICS, which after revision will be collated and it is hoped published in time for BNAPLEX-61.

CPS of G.B.: Our exchange arrangement with this society has worked to the advantage of both groups and sales of their Duplex Cancellations of the Victorian Era reached 120 through BNAPS before they reported they were sold out. It is hoped that their new handbook on the 1898 Map Stamp will shortly be available for distribution through BNAPS.

The financial report of handbook sales is included in the Treasurer's report.

The Handbook Committee would be pleased to hear of any proposal for the publication of new handbooks compiled by study groups within the Society or edited by one of our members. Please contact the Chairman of the Committee.

Respectfully submitted.

**R. J. WOOLLEY, Chairman,
Handbook Committee.**

some members were unable to travel such great distances twice in one year. Let's make attendance at our future shows truly international.

The Board transacted all of its regular business, such as having its committee pass on membership applications, having the books audited and preparing and passing on the current budget. This is as good a time as any to express the appreciation of the Board for the tireless work turned in by Bill Peterman, Treasurer of BNAPS from its very inception. Bill has finally laid down the reins of office and I know that we are all sorry to see him go; he has been a tower of strength and an indefatigable worker for the good of the Society — and he sure prepared a darned good budget!

The Board also felt that the Society rule of barring from an exhibition any exhibit that had formerly won a Grand Award would eventually work to the detriment of future exhibits, as we would gradually be losing the privilege of looking at some of our top collections. And yet it wouldn't be fair to allow these same Grand Award exhibits to be continually shown against new exhibitors. A new class was, therefore, set up for former winners of Grand Awards and they could show only in that classification in which they won the Grand Award. An entirely new set of medals was provided for, to be paid for by the Society, and the host group has the privilege of using this classification at any time that they see fit, and we do hope that all future convention chairmen will avail themselves of this new classification, as the exhibits of the former winners were enough to make our mouth water.

The Board had hoped by this show that the classification list would have been revised to include a third class, for so-called "side-line" collections, but unfortunately the committee responsible for setting up this new class to give recognition to the widening interests of philately was unable to reach a final conclusion and we do hope that it will be submitted to the Board in time to have it included in the plans for the 1961 show to be held at Elmira, N.Y., by the Ithaca Group—"Appleknockers" to those of us who have known them for years. So let's all get together again in 1961.

Respectfully submitted.

**DANIEL C. MEYERSON, Chairman,
Board of Governors.**

(Postscript: On the day before I left to come to this show, I received the new classification list to submit to the Board of Governors, and I am pleased to advise that for BNAPLEX-61 the Society will undoubtedly have a third classification composed of sidelines, with medals awarded for the classification. The Board will be canvassed on these new classifications as soon as I return east.)

REPORT OF THE ADVERTISING MANAGER

Display advertising revenue for the first six months of 1960 totalled \$503.35—only slightly more than the \$492.57 received during the comparable period last year. The full year's receipts from this source in 1959 amounted to \$863.72, which amount should be equalled or exceeded by the end of this year.

The 1959 Yearbook, which was the October issue, grossed \$461.50 in display advertising. This year the Yearbook will be the November issue, and will contain the report of this convention and annual meeting, as well as other useful and pertinent information. As you undoubtedly know, we endeavor to make this special issue self-sustaining by soliciting advertising from our membership. As of this writing, ads totalling \$356 have been received. The deadline for copy is October 1, and I earnestly urge those attending this meeting and convention, who have not already done so, to cooperate by giving this effort their support. I will be only too happy to accept your copy up until the time the convention adjourns, or you may mail it to reach my home address on or before October 1.

I respectfully submit this report and move its adoption.

OUTSTANDING COLLECTIONS FEATURED IN FIRST BNAPEX SHOW TO BE HELD IN THE WEST

By A. W. McINTYRE (BNAPS 762)

THE 12TH ANNUAL Convention and exhibition of the British North America Philatelic Society, BNAPEX-60, drew exhibits that were medal winners in the London and Johannesburg International Shows. Members registered for the convention from six provinces and eight states, coming from as far distant as Delaware and Texas.

A display by the Canada Post Office included the only known block of 25 inverted Seaway stamps. Development of the Alberta-Saskatchewan Golden Jubilee and the 1958 centennial stamp for British Columbia, from sketches to color trials, were shown. Historical sketches, maps and letters of the '80s in pioneer transport in what is now Alberta were presented in a display arranged by the Glenbow Corporation.

Prize Exhibits

For the first time a past grand awards competition was provided. The winner was Harry Goody, Bramhall, England, who sent 10 frames of Newfoundland pence issues, fresh from taking new laurels in the London International. Fine displays of Canada Admiral issues were presented by H. W. Lussey, New Milford, N.J., whose entry of Large Queens captured a silver medal "with felicitations" in the open classes. Also shown was the extensive display of Prince Edward Island by L. W. Crosby of Banff, who showed a frame of 1897 Jubilees in blocks, and whose six frames of Small Queens won a bronze medal.

Grand Award winner of the open show was a striking display of Newfoundland pence stamps by D. C. Meyerson, Harrison, N.Y. The gold medal in the 19th Century section went to John T. Pratt of Minnesota for a fine display of Nova Scotia, on and off cover. Bronze medals for this section were also won on Canada pence by John Siverts, Wilmington, Delaware, and on a comparative study of Small Queen and Registration stamps of the '70s by Walter Carter, Willowdale, Ont.

The gold award of the 20th Century section went to an extensive display of pioneer, semi-official and early first flight airmail covers shown by N. A. Pelletier, Toronto.

Three bronze medals were awarded in the 20th Century section to Dr. C. W. Hollingsworth, Wall-sall, England, on his display of Canada Edward VII; to W. C. Rockett, Willow Grove, Penna., on an extensive display of Canadian revenue stamps; and to P. D. van Oudenol, Calgary, on a showing of perfen covers, including departmental and commercially perforated stamps.

Other Exhibits

Other members of the Society exhibiting at the show were:

Section 1: W. Rorke, Canada Pence (non-competitive); S. S. Kenyon, Canada 1859 Issue; W. Rorke, Small Queens; L. Wilson, 8c Small Queen (non-competitive); Carl Nickle, Mac Issue; L. S. Crosby, Jubilee Blocks; E. E. Poole, Newfoundland Proofs.

Section 2: B. Bartlett, Edwards and Quebec Issue; E. E. Poole, 20th Century Newfoundland; H. W. Lussey, Registration Stamps; C. Russell

McNeil, Officials; C. Russell McNeil, Officials and Varieties (non-competitive); E. A. Harris, Alberta Territorial Cancellations; W. Rorke, Registration Stamps (non-competitive); A. P. Cook, George V Booklets; C. A. Porter, Registration Stamps. The judges for the exhibit were: C. P. deVolpi, chairman; Bury C. Binks, L. A. Davenport and Dr. Kenneth M. Day.

For the first time at a BNAPS Convention a postal slogan featuring the philatelic show was in use at the Banff post office prior to and during the event. Used 42,000 times, this is not likely to be plentiful among covers saved.

Entertainment during the Convention included a drive to Lake Louise, with tea there with hosts, Mr. and Mrs. L. S. Crosby; a barbecue and bonfire at Two Jacks Lake; drives for the ladies to the museum, hot springs and gondola lift; final banquet and presentation of awards.

Convention chairman was W. Rorke of the Edmonton Group; registrar was R. S. Traquair, secretary of the Calgary Group. Ladies committees of these two host groups were generous in driving visitors about the mountain resort.

The official list of those registering at BNAPEX 60 is as follows:

AL KESSLER'S CONVENTION ROUND-UP

Here they come—from the East, the South, the North, and points West. Yes, sir! Wednesday, Sept. 14, when the good people of Banff thought the season for the "invaders" was at an end, in troops those BNAPSers. They came by plane, by train—and that intrepid frontiersman, Llewellyn, in his "covered wagon" with that charming little wagon-master, better known as Mrs. Betty L.

When the "Canadian" pulled into the station, 13 of those dog-gone Easterners alighted. Fortunately, the genial hosts, the Edmontonians and Calgarians, were there to meet them, and from that moment on had them on their backs, transporting luggage, taxing their guests, to their lodgings, then to the registration desk, to meals, on shopping tours, sight-seeing trips, etc.

The 51-hour trek westward from Toronto via the "Canadian" was as full of dangers as any history book or novel that has ever been written—what with Doc Day taking on any comers who wanted to play bridge. The list of scalps hanging from his belt by the time he returned to "civilization" is too numerous to mention.

Registration totalled 107, of whom 37 were from points east, including Miss Kathy Cook, age 3 years (BNAPS convention No. 4 for her!) Scanning the list of those registered, the only names that I can find that have batted 1000, that is, attended every one of our 12 annual gatherings, are Messrs. Meyerson, Culhane, Rockett, Peterman and Kessler. (If I missed you, kindly advise, and accept my apologies in advance—but it is readily understandable that anyone attending 12 years in a row must be getting near Social Security, so we must allow for a miss here and there!)

To attempt to mention by name those able assistants of Convention Chairman Bill Rorke would be folly, for there is not space enough in an issue of TOPICS to list the names and deeds of hospitality extended by those wonderful people of the

two western groups of BNAPS. Husbands and wives gave of their time and resources to make the Convention one that will never be forgotten. Nothing, whether it be a question about the scenery, or how to go here or there, was too much for that sturdy group. Words are hollow when one who is the recipient of such hospitality attempts to say "thank you" for a job well done!

The co-operation of the Canada Post Office Department was 100 per cent, for in addition to supplying a beautiful four-frame display at the exhibition, the slogan cancellation provided for the first 17 days of September saw approximately 42,000 pieces of mail leave the Banff post office bearing this marking. There was also the daily attendance of Postmaster Foulds of Banff, as well as visits by Messrs. W. G. Murphy, public relations Officer of the Calgary district, and A. J. Taylor, chief superintendent of control of the Financial Branch of the Canada Post Office.

"Tex" Richardson no longer stands alone, for Prexy V. G. Greene was knighted as a "Tex" when he was presented with the 10-gallon lid—but who "borrowed" this item of distinction and forgot to return same? If the hat has not been returned by now, and the guilty person will return it, no questions will be asked. Anyone appearing at future shows with a 10-gallon hat will be thoroughly quizzed. Don't say we didn't warn you!

The Barbecue was but one of the many highlights of the Convention. Over 100 starving (?) BNAPSers lined up for that event, and quicker than you can say BNAPS, that roast beef with the trimmings disappeared. Gathered around a blazing fire in the heart of a wooded section on the mountainside as dusk approaches, under a clear western sky, chilly but not cold . . . Oh, well, that was weeks ago, and here we are back at the grind—but what memories, memories that will never be forgotten!

This could go on forever, even as BNAJPS will continue on—each one providing another chapter in the Book of Memories of those attending. To those who could not be with us—believe me, we missed you. Try and be with us next year!

If anyone sees a B'ar, will they kindly advise Mrs. J. T. C. of Norristown, Pa.? . . . J.S. of Wilmington, Del., wants to know how any book that looks like an approval book, cannot be an approval book? . . .

IT'S TIME TO MENTION
THE NEXT CONVENTION!

Al Kessler.

SQUARED CIRCLES

FOR BEGINNERS AND ADVANCED COLLECTORS

GREETINGS AGAIN, FELLOW SQUARED CIRCLE COLLECTORS! I am still hopeful that Brigitte Bardot might have started collecting since my last ad appeared in "Topics" but although I did not hear from her, I did hear from a wonderful group of collectors throughout the world. Actually I received over one hundred replies and this speaks well both for the value of advertising in "Topics" and for the increasing popularity of Squared Circles. I have made many new friends and this has resulted in numerous transactions of mutual benefit. With some collectors I made no trades but merely shared interesting facts concerning indicia, etc. With others I traded—and almost always a collector has something to trade, even if it is a humble St. John or Halifax. I purchased many Squared Circles, both on and off cover and had no difficulty in reaching a mutually agreeable price. All in all, it was a revelation to realize that there are so many fine people collecting Squared Circles.

Perhaps my greatest pleasure lay in receiving letters from over 20 collectors who stated it was the first letter they had ever written in answer to a stamp ad. So I say to all you lazy collectors — please — take three minutes and drop me a line and I'll promise to reply almost by return mail. Let me know your wants and I'm certain to have something of interest for you, both on and off cover. Even if we do not trade I think you'll share my enthusiasm for just corresponding about something we both like. If you have something common or rare in Squared Circles and don't want to trade, set your own price and let's hear from you.

I am also interested in acquiring any and all Squared Circle copies of certain towns on the 3c Small Queen provided the indicia and dates are clear — it doesn't matter that there is not much of the town itself on the stamps. These towns are as follows: Belleville, Charlottetown, Halifax, Hamilton, Kingston, Paris, Peterborough, St. John, Victoria and Winnipeg. Everyone has at least one or more of these towns so dig out your spare copies, drop me a line and tell me your price — either in cash or trade. Also advise me whether or not you collect Squared Circles on stamps only, or on covers and postcards as well. I have many good "traders" that I can make available.

If after reading the foregoing you are too lazy to write, then just send me your name and address together with 1, 5, 10, 200 or 10,000 mixed Squared Circles and I will reciprocate. And if you don't want to count them, just send whatever you have anyway. I don't know how to make it any easier.

Lastly, to those with anything unusual in Squared Circles who would like a decent price or trade and a lifelong friend, send them along. I am interested in any common towns with unusual indicia. Naturally I would also like a Mission City, Pointe A Pic, Ashcroft Station, etc., but wouldn't we all! But even if you have a lovely strike of even the commonest town I'm interested. If you have a Squared Circle collection for sale send it along by registered mail, together with your price, or ask for an offer.

Interested with me in improving your collection? You won't unless you do something about it, and never a better time than right now. Three minutes effort and who can tell the results?
