## RULES AND REGULATIONS

1. This Department shall function entirely for and in the interest of the membership of the British North America Philatelic Society. Any Member, in good standing, may participate in the Department and, by his participation, attests and agrees to abide by the Rules and Regulations of the Department. Any Member, so participating, may be denied such participation for infraction of any of the Rules or Regulations of the Department.

2. The President of the Society shall appoint a Member to serve as Sales Manager who shall be responsible to the Board of Governors. The President of the Society shall appoint a Committee to serve as a Board of Examiners to examine any and all stamps or books of stamps submitted to it by the Sales Manager and to order removed any such stamps or other material entered which, in its opinion, is of a questionable character, without any responsibility or liability therefore to the owner or anyone else.

3. The Sales Manager shall keep accounts and records of all transactions of the Department in books of the Society so provided by it. He shall at specific times, provide the Board of Governors with reports of the affairs of the Department, including a full balance sheet of all bookkeeping entries and shall similarly cause such reports to be published in BNA TOPICS.

4. Members entering material for sale through the Department shall mount their material in such books as shall be prescribed by the Board of Governors. Books shall be obtained from the Sales Manager upon request and at such price as shall be determined by the Board of Governors. No other books or forms except the prescribed ones shall be used. The Department reserves the right to limit the dollar value of material entered in any one book and may reject any material which it feels will not be well received, except that such restriction shall be the joint action and decision of the Sales Manager and the Board of Examiners, without any responsibility or liability therefore to the owner or anyone else.

5. Any stamp or item which is damaged, counterfeited, re-perforated, cleaned, repaired, a reprint, or in any other way of doubtful or questionable character, must be clearly so marked next thereto by the affixer upon submission for entry in the Department books. Any such stamp or item, in any way of doubtful or questionable character not so marked clearly by the affixer, so decided by the Board of Examiners or established by any other means, in its sole discretion, and without any lia-

bility or responsibility therefor to the owner or anyone else, shall automatically cause a charge of at least 25 cents for any and each such unmarked item and be removed from the book. In instance of gross or deliberate abuse or violation of this Regulation, or where it may be deemed requisite or equitable, the Sales Manager may, at his discretion, impose reasonable additional charges, or deny the services and privileges of the Department, or both. Such gross and deliberate abuse or violation may be considered as "Conduct unbecoming a Member."

6. A charge of 2 per cent as an insurance fee shall be made of the net value of the material entered at any one time. Monies so collected shall be deposited in the Insurance Fund from which Fund claims for loss or damage to material shall be paid. The Board of Governors shall have final jurisdiction in the payment and settlement of claims.

7. A charge of 8 per cent shall be deducted from all sales made through the Department. Monies so collected shall be deposited in the General Fund of the Department, and all costs of conducting the Department shall be paid from this Fund. Both the Insurance and the Commission charges shall be deducted whenever a payment shall be made to an owner.

8. Circuits must be forwarded to the next Member shown on the Route Sheet within five (5) days of receipt by the forwarding Member, to be forwarded by him by Registered Mail insured for Five Dollars (\$5.00). Strict observance and compliance with this Rule shall be enforced by the Sales Manager and any violation shall be subject to a penalty and charge of 25 cents per book in the Circuit for each day delayed in forwarding Circuits. The loss of any material not so forwarded by Registered Mail shall be entirely the responsibility and liability of the remitter.

9. The Member, upon receiving a Circuit, shall verify the number of books in the circuit, as evidenced on the Route Sheet, and that all spaces on each page of each book contain a stamp or other item, or a proper indication that the stamp or item of the space has been sold or is accounted for.

10. The buyer must sign his name in INK (or use a suitable rubber stamp) and indicate his Society Membership Number in all spaces from which he has removed and retained an item. Each so identified purchase shall be entered on the forms specifically provided for that purpose with each Circuit.

2. The Librarian shall receive and acknowledge all contributions to the Library. He shall cause to be published in BNA TOPICS reports of all activities of the Library.

3. A Member, on written application to the Librarian, accompanied by all charges, may have sent not more than two (2) volumes and shall not retain such borrowed material for more than thirty (30) days, at which time, or sooner, same borrowed material must be returned in good condition, fully insured and all charges prepaid. The Member so borrowing material from the Library shall be responsible and liable to the full value of the material until same shall have been acknowledged as received by the Librarian. A member shall make such adjustment or payment for any damage or loss to the material borrowed from the Library in such amounts as shall be determined and established by the Librarian.

4. There shall be a charge of twenty-five (25) cents per week or part thereof for each item borrowed from the Library and held in excess of thirty (30) days. A rental of twenty-five (25) cents or more per week may be charged for any special or rare book when so determined by the Librarian.

#### SECRETARY'S REPORT

To the Officers and Members of the British North America Philatelic Society assembled for the 17th Annual Convention & Exhibition (BNAPEX '65) at the Chatham Bars Inn, Cape Cod, Massachusetts, this 18th day of September 1965.

#### REPORT OF THE SECRETARY

I am very happy to be able to be with you for this 17th Annual Convention and to bring to you a favorable report which shows, for the first time in some years, an

increase in our total membership, even though a small one. I am also pleased to and 17  
this is a small gain in number but becomes more significant when taking into account that last year we had a loss in membership of 45. Very gratifying also is the fact that 83 new members were enrolled this year compared to the 59 last year. We repeat our expressed hope that more members will be encouraged to participate in new member enrollments. Losses from dropping, resignations and death were 25 less this year than last year — 85 vs. 110. This smaller loss is also encouraging and we hope too that this trend will continue. Our hopes are high, our expectations encouraged.

#### The President's Certificate

Each year the "President's Certificate" is awarded to the member who proposed the most new members during the year. From January 1964 to December 1964, new members were enrolled by the following

MINUTES of the 17th Annual Meeting and Convention of the British North America Philatelic Society held Saturday, September 18, 1965, at Chatham, Cape Cod, Massachusetts.

The meeting was officially opened and called to order by the President Clarence Westhaver, at 10:00 a.m.

It was moved by G. B. Llewellyn, seconded by M. B. Dicketts that the meeting accept the minutes of the previous annual meeting as published in BNA TOPICS. The motion was affirmed.

The Secretary, J. Levine, read a letter from C. R. McNeil inviting the members of BNAPS to attend the Annual Convention (TIPEX) of the Royal Philatelic Society of Canada to be held May 26-27-28, 1966, at the Holiday Inn, Hamilton, Ontario.

### PRESIDENT'S REPORT

It is indeed a happy occasion for me to extend to you all a warm welcome to the Chatham Bars Inn here on Cape Cod. I hope your short stay will be profitable, enjoyable, and one you won't forget for a long time. This past year has been one of voluminous correspondence, and I assure you I now realize the responsibilities and problems of a society of this type.

I was fortunate, on the advice of John Siverts, to secure Jim Lehr as our new Sales Maanger. This department has been ~~run and Jim is doing an excellent job.~~

At Muskoka last September, I estimated that we would show a loss of about \$32.00. The actual surplus was \$735.00. The difference between the estimated and the actual was caused by three factors: 1. The unplanned combination of the Yearbook with the December Issue of Topics resulted in a savings of at least \$450.00. 2. The profitable operation of the Sales Department. 3. The continued profitable operation of the Handbook Department.

I will now give you a summary of the financial operations of this Society for the first eight months of 1965.

As in past years, this report does not include income or expenses connected with any of the following: The 1965 Yearbook, The Handbooks, The Sales Department or The Library. Record for these operations are either unavailable or incomplete at this time.

The total income through August was \$5,603 and the total expenditures for the same period amounted to \$3,883, leaving a balance of \$1,720 for expenses for the balance of the year.

I estimate that the income for the balance of the year will be \$697, while expenses will be \$2,362. If these estimates prove to be accurate we should show a surplus of \$55. The estimated expenses have a built in provision for our yearly Yearbook deficit.

It appears now that we are on firm financial ground for this year at least and I want to take this opportunity to thank the Editor, the Advertising Manager, the Secretary and all the other officers for their co-operation and economies.

This report is respectfully submitted for your consideration, and I move its approval.

### SECRETARY'S REPORT

To the Officers and Members of the British North America Philatelic Society assembled for the 17th Annual Convention & Exhibition (BNAPEX '65) at the Chatham Bars Inn, Cape Cod, Massachusetts, this 18th day of September 1965.

### REPORT OF THE SECRETARY

I am very happy to be able to be with you for this 17th Annual Convention and to bring to you a favorable report which shows, for the first time in some years, an

increase in our total membership, even though a small one. I am also pleased to be able to suggest at this early date that a continued increase in our membership total for next year is a strong possibility thanks to the special effort of some of our members. We hope that this special effort of some will encourage many to follow their example and that your Secretary will be able to bring you an even more favorable report next year.

### Membership

The total membership of BNAPS as of September 1, 1965, is 986 compared to 982 as of the same date last year. While it is only an increase of 4 over last year's total, it becomes more significant when compared to a loss in total of 45 last year. Here is a comparative analysis of membership between 1964-1965:

	1964	1965
New Members enrolled ....	59	83
Total Membership .....	982	986
Replaced on rolls .....	6	6
	—	—
Increase .....	65	89
Dropped from rolls .....	41	35
Resignations .....	50	45
Deceased .....	19	5
	—	—
Decrease .....	110	85
Net Increase in Membership .....		4

The above comparative analysis shows 89 members added to the rolls and 85 lost from the rolls to the net gain in membership of 4 over last year. As previously noted, this is a small gain in number but becomes more significant when taking into account that last year we had a loss in membership of 45. Very gratifying also is the fact that 83 new members were enrolled this year compared to the 59 last year. We repeat our expressed hope that more members will be encouraged to participate in new member enrollments. Losses from dropping, resignations and death were 25 less this year than last year — 85 vs. 110. This smaller loss is also encouraging and we hope too that this trend will continue. Our hopes are high, our expectations encouraged.

### The President's Certificate

Each year the "President's Certificate" is awarded to the member who proposed the most new members during the year. From January 1964 to December 1964, new members were enrolled by the following

members in the number indicated: J. N. Sissons (11); D. C. Meyerson (6); L. A. Davenport (4) and E. A. Richardson (4); J. H. M. Young (2); and one (1) each — D. Amos, G. April, J. E. Averill, K. Bileski, E. C. Black, D. A. Crawford, P. C. Dinger, G. W. Frampton, V. G. Greene, F. R. Hadley, G. D. Hicks, G. P. Lewis, C. R. McNeil, N. Pelletier, W. C. Rockett, R. S. Traquair, E. Triet, G. Vaughan, M. M. Walter, J. F. Webb, J. H. Westren, A. Whitehead, R. J. Woolley.

From the indicated results of the preceding report, I am pleased to announce the winner of the President's Certificate for 1964 is:

**J. N. SISSONS**  
**"V. G. Greene Award"**

Each year a winner is voted to receive the "Vincent G. Greene Award" — a silver cup award to the author or authors of the best original article or series of articles or columns originally published in BNA Topics. To determine such a winner, the 4 elected officers, the 9 members of the Board of Governors and the Donor are each canvassed by the Secretary for their three successive selections. Points are allowed on a 3 for 1st; 2 for 2nd; and 1 for 3rd basis and the selection receiving the most points on this basis is so declared the winner. The above named have all been canvassed by the Secretary and from the 10 ballots received, the following point score noted:

Max Rosenthal 20 (6-1st; 2-3rd); Dr. Edward S. Mercantini 7 (1-1st; 2-2nd); Daniel G. Rosenblat 5 (1-1st; 2-2nd); Lloyd W. Sharpe 5 (2-2nd; 1-3rd); 3 each — Dr. Robert V. C. Carr, A. G. Fairbanks, C. M. Jephcott; 2 each — Dr. K. M. Day, J. Houser and J. J. MacDonald.

From the above reported results of the voting, the winner of the "Vincent G. Greene Award" for 1964 is:

**MAX ROSENTHAL**

This concludes my report and I move its adoption.

Respectfully submitted:

Jack Levine, Secretary

The motion was seconded by R. B. Warlick and so affirmed.

**REPORT OF THE CHAIRMAN OF  
THE BOARD**

**MEMBERS OF THE BRITISH NORTH  
AMERICA PHILATELIC SOCIETY:**

During the past year the Board of Governors performed its regular duties as pre-

scribed by the Constitution, such as passing on the current budget and having the Treasurer's books audited by a Certified Public Accountant.

The Board was polled on a disciplinary matter at the request of the Treasurer and voted to expel a member who had ignored repeated requests to settle a bill for advertising in the 1963 Yearbook. Having learned of the Board's contemplated action, the member belatedly paid his advertising obligation and was, subsequently, dropped for non-payment of dues.

Your Chairman exchanged correspondence with The Canadian Philatelic Society of Great Britain regarding the increased number of forged cancellations appearing on Canadian material in Canada and the United States as well as abroad. Up to date, no conclusion has been reached regarding this matter requiring formal action by the Board.

Respectfully submitted  
and moved its adoption

G. Llewellyn

Chairman of the Board

The motion was seconded by S. Nickle and voted affirmed.

Mr. Llewellyn, Chairman of the Board of Governors, reported to the meeting that the Board had met on September 19th and voted to authorize the Chairman to conclude a new agreement with Mission Press for at least 1 year and possibly 2 on motion by R. V. C. Carr, seconded by J. T. Culhane. Mr. Llewellyn further informed the meeting that the Board had voted affirmatively on motion by W. Westhaver, seconded by J. T. Culhane to allocate \$100.00 for the use of the Publicity Director to be used judiciously to advertise and solicit membership enrollment to the Society.

**REPORT OF THE EDITOR**

September 1965

It is with regret that your Editor is unable to attend the Annual Convention and thus I have asked the Chairman of the Editorial Board to present this report to the Annual Meeting of the Society.

During the past year the number of articles sent in for publication has been decreasing and it was necessary to appeal to our members for help. I am pleased to report that the following members came to our aid: K. Bileski, Frank Campbell, Harold M. Dilworth, Peter J. Hurst, N. A. Pelletier, Stanley Pollard and E. A. Smythies.

Some of their articles will be published in the October issue. I also wish to thank our other contributing authors namely, Dr. Kenneth Day, Jacque Houser, Ted Kilish, Dr. Mercantini, Max Rosenthal, N. W. Scales, Col. L. W. Sharpe, E. A. Smythies, Clarence Westhaver and John Wilsdon.

As this is a time for throwing laurels, I definitely want to express my appreciation to our columnists, Clarence Kemp and Dr. Whitehead, Col. R. H. Pratt and Daniel Rosenblat. Two new columnists have joined our ranks namely, Sidney T. Harris with Newfoundland News and Mervyn Quarles with "P.D.Q."

Last year we printed only the Yearbook and 9 issues of BNA Topics rather than ten. Unfortunately this was due to the loss of all the Convention Reports and when they were finally located a month later it was necessary to combine the Yearbook with the December issue. This was explained to the members at the time and it is hoped that it will not happen again. Delays in publication during the first half of this year seemed to be continuous with problems with our engravers, late reports and sickness. Our printers, Mission Press have been most tolerant. Lately, we have been back on time but in the future I wish to state that the magazine will not be issued much before the 10th of each month. With postal delays and transit the members cannot expect it before the 15th. The reason for this is as follows. Advertising copy is closed off the 1st of the month before publication and thus is not received by the Editor until approximately the fifth, e.g. the October issue—Advertising and Secretary's Report closed off September 1st. Received around September 5th. We need a full month from this date to get the October issue organized, typeset, proofed, proofread, corrected, made up into page form, proofed again, corrections checked, printing, shipped to binders, folded bound, cut and stapled, shipped to mailers, envelopes stamped and stencilled, envelopes stuffed, shipped to the Post Office and finally mailed. Thus we have reached October 5th-10th. It is then up to the post office. I want to point out that the publication date printed on the front cover of the magazine is the date that it goes on the press. So it is a number of days after this that it finally reaches the mailer.

As noted in my last report there was a problem of the number of engravings and their cost. Accordingly, at the request of the

Board of Governors, the Editorial offices cut back on engravings and a savings was made. This meant an increase in typesetting which was a cost which had to be borne by the printer, Mission Press, as they were on a contract price. I understand that they have asked for an increase in the contract price which has not been raised for 2 years. Talks did take place last year with Dan Meyerson regarding an increase that was to come into effect January 1965 but the printers did not press the matter when Dan passed away during the middle of negotiations. I strongly recommend that the Board of Governors accept the increase as it would be difficult, if not impossible to find a cheaper rate for the same quality. I wish to point out that our printers is owned and operated as a non-profit organisation by the Roman Catholic Church Extension Offices. They do most of the church printing for the Archdiocese of Toronto and only take side work such as ours to keep their men working steadily and to balance their costs. Their profits are a bare minimum and sometimes not at all as has been the case for the past year with our magazine. Arthur Robson, Mission Press general manager has always been fair and honest. Mission Press appreciates the magazine our society gives them but if they do not receive their costs I suspect they might have to search for a more profitable job. Their men are unionized so they have to pay the standard labour rates.

I solicit the Board of Governors vote in favour of an increase in order not to jeopardize our position.

I respectfully ask Vincent G. Greene to submit my report for discussion and move its adoption.

Yours sincerely,

John H. M. Young

The motion was seconded by W. Chadbourne and voted accepted.

## **REPORT OF THE CHAIRMAN OF THE EDITORIAL BOARD**

September 1965

A number of matters were presented to the Editorial Board for their action. One article had to be discontinued when it was learned after the first instalment had been printed that future parts of the article were going to require an immense number of cuts which the society could not afford. A proposal was given to the author regarding his payment of the costs of a majority

of the Admiral engravings but we failed to hear from him again.

Another article had to be edited without the approval of the author due to some sections which we felt might offend two of our sister societies.

We wish to extend the Board's especial thanks to Max Rosenthal who has written so many articles for Topics for the past year. He has submitted over 20 more which we plan to publish in the future. It is hoped that the Board of Governors will allow us to sanction the use of 2-3 engravings with each of these manuscripts. I personally have offered the editor the use of any material in my collection which would tie in with Mr. Rosenthal's articles.

I have received a letter from Mission Press which reads as follows:

I recommend the acceptance of the Mission Press contract for 1966.

Respectfully submitted  
& moved for adoption

Vincent G. Greene

The motion was seconded by W. C. Peterman and affirmed.

#### REPORT OF THE CHAIRMAN OF THE LIBRARY BOARD

The Society is indebted to Dr. Black our librarian who has done such a splendid job for the past few years. Unfortunately, Dr. Black has asked to be relieved of the office of Librarian on account of health reasons but has agreed to carry on until a new Librarian has been appointed.

Respectfully submitted

V. G. Greene

#### REPORT OF THE PUBLICITY DIRECTOR

Repeating my annual practice, I mailed advance stories of the convention to editors of philatelic journals and newspaper stamp columns. Following the events, stories of main exhibition awards and the election of officers were mailed.

It would be helpful if members would mail clippings of publicity used in their areas.

Respectfully submitted

A. W. McIntyre

#### REPORT OF THE HANDBOOK COMMITTEE

Since the last convention at Muskoka Sands Inn your handbook Committee have had quite an active year mainly because of

the addition of new titles to the list of handbooks available. After some difficulties in getting the third edition of Dr. Whitehead's Squared Circle Postmarks off the press in late December we have had quite a good demand as you will note from the figures given in this report.

The handbook published by the CPS of GB on the Registered Letter Stamps and Cancellations has enjoyed better demand than we anticipated resulting in our being short of supplies on occasion but this situation is now corrected and all copies ordered are in the mail.

The new 1965 edition of the Noble Pre-cancel Catalogue has also been added to the list of handbooks available and we have had good distribution.

Sales for the year are listed:—

	W'sale	Retail	on hand	amount
Squared Circle Postmarks (3rd Edition)				
hard cover .....	24	31	24	135.60
paper .....	200	57	618	284.80
Canadian Philatelic				
Literature .....		7	1	8.75
BNAPS Revenue				
Yearbook .....		10	4	5.00
Small Queen				
Varieties .....	65	9	447	57.50
Perfins .....	25	8	—	34.50
Fancy Cancels .....	51	8	133	115.80
Postal Stationery ...	23	5	213	47.00
Can. Duplex Cancels	39	12	19	90.37
Canada Map Stamp	35	7	6	66.00
Registered Letter				
Stamp .....	79	51	20	326.25
Transportation				
Postmarks .....	30	5	1	137.50
Sissons Revenue				
Catalogue .....	35	11	31	59.33
Noble Pre-cancel				
Catalogue .....	86	17	22	132.20

As you will see from these figures, during the last year 692 handbooks have been shipped at wholesale prices to dealers and 235 to collectors at retail for total sales of \$1530.60. The purchases by dealers is particularly encouraging as without their sales it would hardly be economical to the Society to publish these very important guides to the collection of Canadian stamps.

Our exchange relations with the CPS of GB and the RPSC whereby we handle their publications at a discount allowing us to supply both dealers and collectors remains satisfactory and is much appreciated.

Arrangements to distribute the commercially published catalogues Sisson's

Revenue and Noble's Precancel also add to the income through the handbook committee and contribute to the success of our venture into the handbook field.

You will note that the Perfin handbook is completely sold out. Consideration will be given during the year for a reprint with an addenda listing the few additions and new identifications. At present there is no new handbook in preparation although the committee is still hopeful of seeing a Flag Cancel handbook in the near future. The committee would be interested in discussing further handbooks with member authors.

I have pleasure in moving the adoption of this report.

R. J. Woolley

Chairman, Handbook Committee

The motion was seconded by L. A. Davenport and voted accepted.

Mr. Woolley advised the meeting that E. A. Richardson had accepted the Chairmanship of the Handbook Committee and that he would continue as distribution manager.

#### **REPORT OF THE SALES MANAGER**

Sales Manager Lehr advised the meeting that he anticipated sales for the year to reach the \$3000.00 mark and possible more depending on the co-operation of the members in sending books to the circuit sales especially such containing Proofs & Essays, Airmails, Booklets, Revenues and early used. 70 new books were added to the total of 277 in circuits sent to members — 113 circuits to 180 members. Mr. Lehr stressed the need for additional books in the circuits and solicited the help of the members.

#### **REPORT OF THE ADVERTISING MANAGER**

Mr. Whiting reported that his efforts for new advertisers were showing some results and that he was encouraged to expect even better results.

Ed. Richardson reporting on behalf of the Membership Committee complimented J. N. Sissons and C. A. Westhaver for their special efforts and results in enrolling new members. He requested that Mr. McIntyre check with him on free advertising possibilities before paid advertisement for new members. Mr. Richardson stressed the fact that individual efforts were most important in recruiting new members.

Speaking about Study Groups, E. A. Richardson advised the meeting that response at this convention to the called Study Group meetings was excellent. Six were held and all were well attended and very active.

Dr. Day, speaking for the Fancy Cancellation Study Group asked the membership to continue to submit any unusual markings or tracings of them for publication.

President Westhaver offered the floor to Sam Nickle who confirmed the dates for the 1966 annual convention at Calgary, Alberta, on September 15-16-17. Mr. Nickle assured all who would attend a wonderful time in the true custom and tradition of BNAPS conventions.

The locale for the 1967 convention is Montreal and Mr. Richardson entered a bid for 1968 convention to be held at San Antonio, Texas. It was moved by J. Levine, seconded by V. G. Greene, that the meeting accept the bid of Mr. Richardson. The motion was affirmed and so ordered that the 1968 convention be held at San Antonio, Texas.

Under the call for new business, Dr. Balassa was appointed as Chairman of a committee of 3 to 5 whose purpose shall be to investigate the Part Perf issues of the Admirals and return with a report to the next annual meeting of their findings.

J. S. Siverts, Chairman of the Election Committee, reported to the meeting that 237 ballots were returned for the election of three new Board members to the following results: Messrs. Cook, deVolpi, and Llewellyn duly elected to the Board of Governors for the periods of 1966-1969.

The meeting rose to express a vote of appreciation to Clarence Westhaver and his Host Group for a wonderful convention.

There being no further business to come before the meeting, it was voted adjourned at 12 noon on motion by L. A. Davenport.

#### **REPORT OF THE LIBRARIAN FOR 1965**

During the past year, the most noteworthy feature of the affairs of the library has been the increased use of its resources by the membership.

Outstanding acquisition of the year has been the completion of the file of the Society's journal, **BNA TOPICS**.

Further progress has been made in the cataloguing of the file of articles extracted from journals.

A review of rules governing the use of the library has been initiated.

Friends of the library have continued to send in much needed material as well as cash for bookbinding. Such gifts account chiefly for the growth in the library.

In addition to expressing gratitude to the many friends of the library, special thanks

are also due to Miss E. McMann of the staff of the Vancouver Public Library, Mr. V. G. Greene, Chairman of the Library Committee, Dr. Harry Daggett and Mr. John H. M. Young.

## IT ISN'T EASY

to maintain one of the best dealer stocks of B.N.A. on this Continent, but we do our best. Of course, the only way is by keeping constantly on the alert for good properties to buy. One of our best sources of supply is from friends and customers, with whom a mutual confidence has been established over the years. So if you are planning to liquidate your collection or some part of it, please remember that we are interested in buying in order to keep selling—both B.N.A. and the rest of the world.

## SQUARED CIRCLES

### WANTED

A good clear full dated copy of Kingston Hammer 1 with #1 above the date.

Clear strike of Markdale Hammer 2.

Ottawa with #12 and #24 above the date. These high time marks appear on the King Edward Issue.

Complete strikes of Ottawa and Paris on any issue. I am making an exhaustive study of the time marks used at these two offices,

Ottawa with #1 above the date for JY 2 97 on 3 cent Jubilee. This is required to complete a set of all eight time marks for this date.

### HAVE

Some fine duplicate squared circles to offer in exchange for any of the above items, or will purchase if you would rather sell than trade.

### PLEASE

Report all new findings to Dr. Whitehead so that they will be recorded in his records and reported in TOPICS. New earliest and latest dates of use, new time marks, and additional copies of some of the rarities are being found almost every month, but your fellow collectors of squared circles cannot be kept fully informed on these unless they are reported and published in TOPICS.

Many new collectors have entered the squared circle field in the past year or two. Some have already reached the 200 town mark, and a few have passed the 250 town plateau. If you have any duplicate material to trade or sell you can help to maintain the interest and enthusiasm of these collectors by dropping them a line to let them know what you have to offer them.

## STARTING A NEW COUNTRY

Most collectors sooner or later reach a "plateau" at which point they frequently find a lack of forward impetus in their current field. There are numerous possible reasons for this situation to arise;

1. The collector may have started out with a "type" or space-filling kind of collection, and his interests switched around to more specialized areas.

2. He may have picked a narrow specialized field, and over-estimated the availability of material.

3. His collecting area may have become too expensive for him.

4. During his time of collecting important sections of material held by other collectors may have been diverted to museums, or otherwise permanently removed from the market.

And so forth, leaving the collector with the problem of "where to go from here".

This decision is too complex to cover adequately on a page such as this, but I will be happy to discuss the matter without obligation with any collector who cares to contact me.

The corollary question is the fate of the old collection. Again there are alternatives;

1. Holding intact as an investment.
2. Keeping some sections for incorporation with the new project, and disposal of the balance.
3. Sale by private treaty.
4. Sale by auction.
