RULES AND REGULATIONS

1. This Department shall function entirely for and in the interest of the membership of the British North America Philatelic Society. Any Member, in good standing, may participate in the Department and, by his participation, attests and agrees to abide by the Rules and Regulations of the Department. Any Member, so participating, may be denied such participation for infraction of any of the Rules or Regulations of the Department.

2. The President of the Society shall appoint a Member to serve as Sales Manager who shall be responsible to the Board of Governors. The President of the Society shall appoint a Committee to serve as a Board of Examiners to examine any and all stamps or books of stamps submitted to it by the Sales Manager and to order removed any such stamps or other material entered which, in its opinion, is of a questionable character, without any responsibility or liability therefore to the owner or anyone else.

3. The Sales Manager shall keep accounts and records of all transactions of the Department in books of the Society so provided by it. He shall at specific times, provide the Board of Governors with reports of the affairs of the Department, including a full balance sheet of all bookkeeping entries and shall similarly cause such reports to be published in BNA TOPICS.

4. Members entering material for sale through the Department shall mount their material in such books as shall be prescribed by the Board of Governors. Books shall be obtained from the Sales Manager upon request and at such price as shall be determined by the Board of Governors. No other books or forms except the prescribed ones shall be used. The Department reserves the right to limit the dollar value of material entered in any one book and may reject any material which it feels will not be well received, except that such restriction shall be the joint action and decision of the Sales Manager and the Board of Examiners, without any responsibility or liability therefore to the owner or anyone else.

5. Any stamp or item which is damaged, counterfeit, re-perforated, cleaned, repaired, a reprint, or in any other way of doubtful or questionable character, must be clearly so marked next thereto by the affixer upon submission for entry in the Department books. Any such stamp or item, in any way of doubtful or questionable character not so marked clearly by the affixer, so decided by the Board of Examiners or established by any other means, in its sole discretion, and without any lia-

bility or responsibility therefor to the owner or anyone else, shall automatically cause a charge of at least 25 cents for any and each such unmarked item and be removed from the book. In instance of gross or deliberate abuse or violation of this Regulation, or where it may be deemed requisite or equitable, the Sales Manager may, at his discretion, impose reasonable additional charges, or deny the services and privileges of the Department, or both. Such gross and deliberate abuse or violation may be considered as "Conduct unbecoming a Member."

6. A charge of 2 per cent as an insurance fee shall be made of the net value of the material entered at any one time. Monies so collected shall be deposited in the Insurance Fund from which Fund claims for loss or damage to material shall be paid. The Board of Governors shall have final jurisdiction in the payment and settlement of claims.

7. A charge of 8 per cent shall be deducted from all sales made through the Department. Monies so collected shall be deposited in the General Fund of the Department, and all costs of conducting the Department shall be paid from this Fund. Both the Insurance and the Commission charges shall be deducted whenever a payment shall be made to an owner.

8. Circuits must be forwarded to the next Member shown on the Route Sheet within five (5) days of receipt by the forwarding Member, to be forwarded by him by Registered Mail insured for Five Dollars (\$5.00). Strict observance and compliance with this Rule shall be enforced by the Sales Manager and any violation shall be subject to a penalty and charge of 25 cents per book in the Circuit for each day delayed in forwarding Circuits. The loss of any material not so forwarded by Registered Mail shall be entirely the responsibility and liability of the remitter.

9. The Member, upon receiving a Circuit, shall verify the number of books in the circuit, as evidenced on the Route Sheet, and that all spaces on each page of each book contain a stamp or other item, or a proper indication that the stamp or item of the space has been sold or is accounted for.

10. The buyer must sign his name in INK (or use a suitable rubber stamp) and indicate his Society Membership Number in all spaces from which he has removed and retained an item. Each so identified purchase shall be entered on the forms specifically provided for that purpose with each Circuit.

SALES MANAGER: JAMES C. LEHR, 2818 CHESHIRE RD., DEVON, WILMINGTON 3, DEL.

EXTRACT FROM THE RULES OF THE LIBRARY

1. This Department shall be maintained and shall function entirely for, and in the interests of, the membership of the British North America Philatelic Society. Any member of the Society in good standing may borrow material from the Library. Any member may be denied that privilege for infraction of any of the rules of the Library.

2. The Librarian shall receive and acknowledge all contributions to the Library. He shall cause to be published in BNA TOPICS reports of all activities of the Library.

3. A Member, on written application to the Librarian, accompanied by all charges, may have sent not more than two (2) volumes and shall not retain such borrowed material for more than thirty (30) days, at which time, or sooner, same borrowed material must be returned in good condition, fully insured and all charges prepaid. The Member so borrowing material from the Library shall be responsible and liable to the full value of the material until same shall have been acknowledged as received by the Librarian. A member shall make such adjustment or payment for any damage or loss to the material borrowed from the Library in such amounts as shall be determined and established by the Librarian.

4. There shall be a charge of twenty-five (25) cents per week or part thereof for each item borrowed from the Library and held in excess of thirty (30) days. A rental of twenty-five (25) cents or more per week may be charged for any special or rare book when so determined by the Librarian.

NOTE: It would be appreciated by the Librarian if members would include return postage when requesting books, as much of the Library's budget is used up by mailing costs.

Annual Meeting

Minutes of the 18th Annual Meeting and Convention of the British North America Philatelic Society held Saturday, September 17th 1966 at the Calgary Inn, Calgary, Alberta, Canada.

The meeting was officially opened and called to order by President Clarence Westhaver, at 10:00 A.M.

L. J. LaFrance was appointed to serve as Secretary for the meeting due to the absence of the Secretary Jack Levine.

It was moved by George Llewellyn, seconded by Al Cook that the meeting accept the minutes of the previous Annual Meeting as published in B.N.A. Topics. The motion was affirmed.

The President noted that and read telegrams from E. F. Schiewick Smith and Dr. R. C. Carr as well as phone calls from Dr. K. M. Day and John Siverts, all expressing their regrets at being unable to attend the meeting and convention and wishing it every success.

PRESIDENT'S REPORT

The most important event in the annual affairs of B.N.A.P.S. is the annual convention, which this year is being held in the Calgary Inn — Calgary, Alberta. This convention is being sponsored by Sam Nickle and his committee. I personally want to thank them, as well as to express the sincere thanks of the Society.

During the year we lost the able service of Dr. Black as Librarian. Dr. Black did an excellent job and had to resign due to health. We were fortunate to replace him with Stewart S. Kenyon. Barry Haywood also resigned as Circulation Manager due to a business change and was replaced by C. Russell McNeil. Both of the new appointees are carrying out the work in an excellent manner.

This meeting actually concludes my two years as President of the Society excepting the lame duck three month administration to January 1, 1967. One should not look back, because you think of things you would have liked to accomplish instead of things that were accomplished.

As new members are essential to the continued life of the Society, let us all make it our business under our new President—Robert J. Woolley, to continue to strive to get new members.

In closing, may I thank all of you and particularly the officers and heads of committees for the support you gave me during these two interesting years.

TREASURER'S REPORT INTERIM REPORT OF THE TREASURER

(January 1st thru July 31st, 1966)

The Annual Report of the Treasurer for 1965 was published in the May Issue of Topics, so I will only give you a comparison between the estimated and actual results of last year's operation.

At Cape Cod last September, I estimated that we would show a surplus of about \$55.00. The actual surplus was \$797.00 The difference between estimated and actual was caused by:

1. The continuing profitable operation of the Sales and Handbook Departments, and
2. The cost consciousness of our officers.

I will now give you a summary of the financial operations of this Society for the first seven months of 1966.

As in the past years, this report does not include income or expenses connected with any of the following: The 1966 Yearbook, The Handbooks, The Sales Department or the Library. Records for these operations are either unavailable or incomplete at this time.

The total income through July was \$5,445.00 and the expenditures for the same period amounted to \$3,862.00, leaving a balance of \$1,583.00 for expenses for the balance of the year.

I estimate that the income for the balance of the year will be \$673.00, while expenses will amount to \$2,987.00. If these estimates prove to be accurate, our deficit for 1966 will be \$724.00. The estimated expenses have a built-in provision for our yearly Yearbook deficit and once again I ask you to support the Yearbook with your ads.

During 1966 we have had to absorb additional cost in the printing of Topics of \$50.00 per issue plus additional costs from our mailing service firm of about \$10.00 per month to keep our files in order to assure our total membership receipt of Topics which is the life blood of our Society. These increases amount to approximately

\$550.00 per year and I earnestly request that all our officers continue to practice their economies, so that we may avoid a possible financial crisis.

This report is respectfully submitted for your consideration, and I move its approval.

James T. Culhane, Treasurer

The motion was seconded by G. Llewellyn and voted accepted.

SECRETARY'S REPORT

The report of the secretary was not available at the meeting and henceforth was not read.

For the first time in 18 years of conventions the annual meeting was without a report from your Secretary. I trust you must know that nothing but extra-ordinary circumstances and conditions could cause such an omission. I am happy to be able to include my report in the minutes of this annual meeting together with all the other reports; evidence that everything is now alright with this Secretary. My deep appreciation to Leo LaFrance for his excellent job of filling in on such short notice with such fine minutes of the meeting.

I need not dwell on the matter of membership development and increase during the past year since it is so ably discussed in the Report of the Membership Committee, chaired by Ed. Richardson. However, I must remark that, while the increase in membership total may not be as well as could be by our members, it nevertheless does continue our returned pattern of an increase in numbers over the previous year.

As reported by our President, we suffered the loss of the Circulation Manager, Barry Haywood, during the year. An immediate and urgent need became obviously apparent; a replacement to work with the mailing company to keep the mailing list up-to-date. Since the Secretary must maintain an accurate and up-to-date listing of the membership and their addresses of record, it was the almost natural action to have him take over this area previously managed by the Circulation Manager. So, your Secretary has been and is working with the Mailing company in and on the requirement and, with the full co-operation of the membership in directing any and all address information and variations to him, expects and promises to keep the mailing list up-to-date and accurate. Your co-operation is urgently required.

The yearbook list herewith has been thrice checked for errors and should be exact to November 1, 1966. I ask that U.S. members send me an address change with your zip code number.

Membership

The total membership of BNAPS as of August 1, 1966, (Sept. issue), is 1015 compared to 986 reported for last year in the Sept. 1965 issue. This is an increase of 29 in total members as shown by the following comparative analysis between 1965-1966:

	1965	1966
New Members enrolled	83	85
Replaced on Rolls	6	8
INCREASE	89	93
Dropped from Rolls	35	31
Resignations	45	24
Decreased	5	9
DECREASE	85	64
Net Increase in Membership 1966		29

It is gratifying to note that better figures were realized in those areas which indicate perhaps more satisfaction with the Society; 4 less dropped, 21 less resignations. Again I draw the members' attention to the report from the Chairman of the Membership Committee and his remarks about new member enrollments and his suggested stimuli; volunteers, please. Our hopes are high.

The President's Certificate

Each year the "President's Certificate" is awarded to the member who proposed the most new members during the year. From January 1965 to December 1965, new members were enrolled by members in the numbers indicated: J. N. Sissons (16); C. A. Westhaver (13); E. A. Richardson (5); R. J. Woolley (3); two (2) each — H. E. Canham, F. R. Hadley, W. F. Haley, F. J. Hickey and S. S. Kenyon. One (1) each — K. Bileski, W. Carter, A. H. Christensen, W. R. Curtis, H. Dilworth, F. H. Endean, H. W. Harrison, G. D. Hicks, A. H. Insey, C. M. Jephcott, G. Johnston, R. M. Lamb, J. C. Lehr, E. M. Livingstone, L. M. Ludlow, R. McMurrich, C. R. McNeil, W. Orobko, E. L. Piggott, C. C. Pond, M. Quarles, H. Reiche, W. H. Russell, B. Scott, J. Spier, R. T. Thomson, R. S. Traquair, G. S. Wegg, W. M. C. Willcock, J. H. M. Young. (39 vs. 29 last year).

From the above indicated results, I am pleased to announce the winner of the "President's Certificate" for 1965 is repeat winner:

J. N. SISSONS

REPORT OF THE CHAIRMAN OF THE BOARD

Members of the British North America Philately Society:

It is with pleasure that I make this report to the members of our society assembled in Western Canada for our Annual Meeting for the second time. Western hospitality and the opportunity of again meeting our many friends who have been unable to attend meetings in the East will, I am sure, make this Annual Eighteenth Meeting a memorable one.

As in past years the Board has performed its usual functions as prescribed by the Constitution by passing on the budget, having the books audited and on April 9th we received the complete Treasurer's report with an unqualified certificate of James H. Degan, CPA as to its accuracy.

Since the last meeting at Cape Cod the Board has been polled a number of times on matters referred to it. In November of 1965 the Board authorized the 1967 Convention Chairman to permit the Postal History Society to hold their convention in conjunction with ours at Alpine Inn.

In January 1966 the Board approved presentation of duplicate non-BNA material in our library to the Royal Philatelic of Canada provided they were willing to pay shipping expenses.

In November 1965 your Chairman received a complaint regarding non-settlement of a substantial indebtedness on the part of a member and after an exchange of correspondence, was advised that settlement had been satisfactorily made. Subsequently an additional complaint from another source was lodged against the same member and as he failed to respond to two letters from me regarding this the Board was polled and voted to accept his resignation.

While it is not a function of the Society to act as a Collection Agency either for members or professional dealers, it has been my practice both as President and Chairman to intercede in such matters in an effort to effect an amicable settlement. In this particular case it was felt that the actions of the member in question reflected unfavorably on the Society.

During the year another complaint was lodged by our Advertising Manager and our Treasurer regarding non-payment of a

Each Year a winner is voted to receive the "Vincent G. Greene Award" — a silver cup awarded to the author or authors of the best original article or series of articles, column or series of columns originally published in BNA TOPICS. To determine such a winner, the 4 elected officers, 9 members of the Board and the Donor are each canvassed by the Secretary for their three (3) successive selections. Points are awarded on a 3 for 1st, 2 for 2nd and 1 for 3rd basis and the selection receiving the most points on this basis is so declared the winner: The above named have all been canvassed by the Secretary and from the 9 returned ballots, the following point score noted:

Max Rosenthal 17 (4-1st; 2-2nd; 1-3rd); Edward S. Mercantini 8 (2-1st; 1-2nd); Daniel G. Rosenblat 6 (3-2nd); Robert H. Pratt 5 (2-2nd; 1-3rd); Jacque Houser 3 (1-2nd; 1-3rd); Peter J. Hurst 3 (1-1st); E. A. Smythies 3 (1-1st); W. G. Moffatt 2 (2-3rd); L. W. Sharpe 2 (2-3rd); K. M. Day 1 (1-3rd).

From the above noted results of the voting, the winner of the "Vincent G. Greene Award" for 1965 is repeat winner:

MAX ROSENTHAL

Congratulations to both repeat winners for their continued efforts and contributions.

The Secretary received a letter from Dr. Joseph J. Balassa, #786, requesting that a correction to the minutes of last year's annual meeting be made part of the records in that reference is made to the appointment of Dr. Balassa as Chairman of a committee of 3 to 5 to investigate the Part Perf issues of the Admirals but that no reference is made to the intention or reasons for such an investigation. I quote the extract from Dr. Balassa's letter dealing with the omission, "You remember that at our last meeting in Chatham I spoke for myself and in the name of about 20 petitioners on the subject of the part perforates of the Admiral issue of 1924. I emphasized that these part perforates were not a Government issue, were not coils — had no relation to coil stamps. Yet handbooks and catalogues treat these as such. I suggested that the B.N.A.P.S. as guardian of pure B.N.A. Philately take these matters in hand, take the necessary steps to correct this situation."

This concludes my report.

Respectfully submitted:

Jack Levine, Secretary

long past due advertising bill in the amount of \$30.00 and the threat of punitive action by the Board was sufficient in this case to settle the matter.

Finally, one of your Western members complained that he wished to attend only certain functions of the present Convention and did not feel that he should have to pay the full registration fee required by the Convention. This matter was referred to the Convention Chairman without being brought to the attention of the Board.

Respectfully submitted

George B. Llewellyn

Chairman of the Board of Governors

The motion to accept the report was made by L. M. Ludlow seconded by Jim Sissons and voted accepted.

REPORT OF THE PUBLICITY DIRECTOR

Once again during the past year I have enjoyed serving the Society in the role of Publicity Director.

The year began with reports of the show at Cape Cod which were dispatched via airmail to the leading philatelic journals and editors of stamp columns as well as news editors of leading dailies.

This year's activities included placing of advertising in several stamp magazines and weeklies. These netted approximately twenty-five inquiries from the first series of ads, the later series being so recent results are yet to come.

In preparation for BNAPEX '66, I prepared publicity releases in July for philatelic journals, in August for forty-five Canadian newspapers and in September for twenty leading United States dailies. These resulted in numerous inquiries for information about the show.

All of which is respectfully submitted and I move the adoption of this report.

Arthur W. McIntyre

The motion was seconded by Dr. Ian W. Taylor and voted accepted. It was further suggested at this time that ads be run in the sister society journals of the Royal Philatelic Society of Canada and the Canadian Philatelic Society of Great Britain to attract new members.

REPORT OF THE PERMANENT CONVENTION COMMITTEE

I want to thank Sam Nickle and his committee for the very excellent meeting they have arranged for us. I was very happy to see several new faces and I hope that these yearly meetings will become a habit with them.

BNAPEX — 1967 is in the hands of the Montreal Group. I have not had any report from them, I assume that they have everything under control and that we will hear from them later.

BNAPEX — 1968 is in the capable hands of our friend from Texas. He has chosen a modern resort situated in a very picturesque spot. The accommodations are modern and very comfortable. The food is very fine. We will have the place all to ourselves. It should be a meeting to be remembered.

I have had some discussions for 1969 and 1970, but to date have not received any invitations. If anyone here would like to invite the Society for 69 or 70. I would like to have them speak out.

Respectfully submitted,
Ray Peters

Permanent Convention Committee

The motion to accept the report was made by Bob Woolley seconded by M. B. Dicketts and voted accepted.

REPORT OF THE HOST COMMITTEE FOR BNAPEX 1968

This is the first time I've had to tell you how pleased I am that your President hoodwinked me into being Host for the 1968 Convention.

At last year's meeting the group present expressed some preference for San Antonio. However, 1968 is the year of the HemisFair, and all the hotels are completely booked. Your Permanent Chairman, Ray Peters of Arizona, and myself spent a day in San Antonio last spring, visiting with the Tourist Bureau and some Hotels. The accommodations available would not be satisfactory, and we were dissatisfied with the food arrangements.

Some 75 miles north of San Antonio on beautiful Lake Travis is the LAKEWAY. There are displays at this convention which tell in detail the features of this resort. We believe it to be the ideal location for BNAPEX '68. There are 80 rooms and we have reserved the entire facilities for the period of the convention, Wednes-

day, October 9th, thru Sunday, October 13, 1968.

At the LAKEWAY there are very lovely New, Stone Masonry units, all with views of the lake. There is a room available for Competitive Exhibits, another for Non-Competitive, a lounge for Bourse and Trading, and a large Meeting Room for the daily cocktail parties, for the Annual Meeting, and other large gatherings. Another room is available for Study Groups. In addition there is a private club, with free membership for all BNAPSers, and a beautiful dining room. All Rooms look out onto the Lake.

Arrangements have been made for the American Plan. Mickey and I can only hope that they retain the present chef and management, as the food has been outstanding these past two years.

I have made arrangements for approximately 148 frames, 8 page type. These will be borrowed from the San Antonio Philatelic Association at no charge.

Your Permanent Chairman has visited these facilities and has given his enthusiastic approval.

It is anticipated that there will be no Bourse fee, and that Registration may be as low as \$12.50 each.

Respectfully submitted
Ed Richardson
Chairman, BNAPEX '68

REPORT OF THE MEMBERSHIP COMMITTEE

Again this year, your Chairman is not particularly happy with results for the past year. While there was a slight gain of 21 members, as based on the August issue of BNA Topics of each year, yet the fact remains that the membership in BNAPS has been almost static for the past ten years, as these figures reveal:—1957—947; 1958—961; 1959—1015; 1960—1045; 1961—1021; 1962—1028; 1963—1021; 1964—982; 1965—981; 1966—1002.

For 1966-67 I would propose: (1.) Since one of the most effective membership efforts was that made by Jim Sissons when he recommended BNAPS to his clients, and placed an application in one of his Auction Catalogs, we plan to do this again this coming year with another auction house. (2.) I would like to seek the assistance of as many volunteers as possible, making up two teams of five each, who will conduct a membership drive during the first

six months of 1967. The winning team to be suitably rewarded and recognized at the 1967 convention. (3.) For years, BNAPS was advertised in the pages of several philatelic magazines, at no cost to the Society, but arranged by this chairman. I would therefore ask the Board of Governors to consult with this Chairman before making any appropriations of funds for advertising purposes, so that all efforts in this direction may be properly coordinated.

Again I wish to acknowledge the efforts of members Stewart Kenyon, Bob Woolley, Jim Sissons, Clarence Westhaver, Art McIntyre and others who have undertaken serious efforts to correct our membership situation.

Respectfully submitted,
Ed Richardson
Chairman

The motion to accept the report was made by Dr. Ian Taylor seconded by Lew Ludlow and voted affirmed.

It was further noted that BNAPS application forms would be included in a forthcoming Auction catalog issued by Wm. Maresch.

REPORT OF THE EDITOR

For the calendar year 1965 ten issues of BNA Topics and one yearbook were published by the editorial office. Delays in publication plagued us through half the year or delays in postoffice delivery. Final reports for the month are received around the 7th of each month so the issue of the magazine can be expected approximately one month later. Checks were made on postoffice delays and it was found that 3rd class mail delivery which we have was extremely slow. Indications were that delivery in downtown Toronto took 2-3 days from mailing, 4 days for Metro Toronto suburbs, up to 2 weeks to Hamilton 40 miles away and a minimum of 2-3 weeks to the Eastern United States. Western areas of America could expect to see their copies one month or longer as evidenced by members who obliged me with mailing date postmarks and receiving postmarks.

We would like to have seen more articles on stamps so that we can get a good balance between postal history, postmarks, and cancellations. I have appealed in the September 1966 issue to the older members to stop resting on their laurels and write us some articles on the pence, large and small queens issues. There has been new

information in the last 15 years but little has been put down in written form.

The backlog of articles is NIL. I have had some articles after appealing to our members. At present I am pleased that we at least have the Rosenthal postal history articles to fall back upon. The appeal for a selection of old articles has yielded one, The Spud Papers by Rev. Earee on Forgeries. We would like more. We also would like any new articles worthwhile to our members.

Respectfully submitted by V. G. Greene
Chairman, Editorial Board for John H. M. Young, Editor. I move that this report be accepted, seconded by Gordon Hill and voted affirmed.

REPORT ON THE NOMINATING COMMITTEE

Contrary to our past practice, this year the Nominating Committee did not prepare but one slate of Candidates. In our report to the Secretary on April 22, 1966 we placed in nomination:—

President—Robert J. Woolley
Vice-President—Dr. R. V. C. Carr
Secretary—Jack Levine
Treasurer—James T. Culhane
Board of Governors (3 vacancies)
—Dr. Kenneth Day
—Dr. James J. Matejka, Jr.
—Leslie A. Davenport

Les Davenport declined.

Similar slates were also proposed by Groups in Toronto and in Philadelphia, with the result that two additional candidates were placed in nomination for Board of Governors.

Stewart S. Kenyon—by the Philly Group
Dr. Robert Chaplin—by the Toronto Group.

In our report to Levine, and in telephone conversation with Dr. Carr we pointed out that if Dr. Carr was elected Vice-President, this would create another vacancy on the Board. We recommended that the Board give consideration to two possible Canadians, either of whom would make a fine addition to the Board, namely

Stewart S. Kenyon and Sam C. Nickle

After trying a new type committee this year, with all members except the chairman, from one area, we recommend that next year's committee go back to selecting members from various sections of Canada and the U.S.

Other committee members for 1966 were Al Cook, William Tutton, William J. Hassan, Mark Arons and Richard Comp-ton, all well known to most members of BNAPS. I wish to thank this group for the swift action taken, after my illness took me out of circulation for a few weeks last spring.

Respectfully submitted,
Ed Richardson
Chairman

A motion to accept the report was made by Sam Nickle seconded by N. Pelletier and voted accepted.

REPORT OF THE CHAIRMAN OF THE EDITORIAL BOARD

During the year our Editor, John H. M. Young has carried on in a satisfactory manner and the Society is indebted to him for the high standard he has maintained in TOPICS.

Two manuscripts were rejected as not being suitable for the magazine and two others, I regret to say, were printed in other philatelic publications although the authors had been advised that they had been accepted and would be published in TOPICS.

The Editor, in his report, will stress the need for new articles, particularly those on stamps and I hope the members will cooperate with him in this matter.

Respectfully submitted,
V. G. Greene and I move that this report be accepted.

The motion was seconded by George Wegg and voted affirmed.

REPORT OF THE ADVERTISING MANAGER

In the absence of Ed Whiting, Jim Culhane gave a brief status report. It was suggested that due to the fact no Year Book advertising forms were enclosed with the last issue of TOPICS that a separate mailing be made to the membership. This was placed in the form of a motion by Lew Ludlow seconded by Lloyd Sharpe and voted accepted.

Sam Nickle volunteered to accept any ads that the attending members might care to place while at the Convention.

REPORT OF THE LIBRARIAN

This report will cover the period from January 1st, 1966, as it was on this date

the duties of Librarian were taken over from Dr. E. C. Black. The transfer of material was completed by the end of January with the receipt of 51 cartons weighing something like 1700 pounds. The unpacking and arranging was made relatively easy by the systematic packing job done by Dr. Black. However, there are naturally problems in arranging storage and filing and this has caused one or two delays in complying with requests by some members when the item just wasn't in the right place. Good progress has been made in the task of sorting, checking and card indexing the hundreds of books, pamphlets and articles in the Library and it is hoped that, with a few minor changes that the Library Committee will be asked to approve, delays will be a thing of the past.

We have been fortunate in receiving a good number of donations to the Library, of which the most noteworthy was two cartons of Philatelic Journals from the University of British Columbia. These journals date back to 1883 and were part of the Daggett collection. Some of these items are on display at this Convention.

It is sincerely hoped that the members will take advantage of the facilities of the Library and in this way justify the existence of the tremendous volume of material that we own and make worthwhile the efforts of the Library Committee.

Stewart S. Kenyon
Librarian

The motion to accept this report was made by Ted Kilish seconded by Harry Lussey and voted affirmed. It was further moved by Dr. Ian Taylor seconded by L. J. LaFrance and affirmed that the Librarian Stu Kenyon, receive a vote of thanks for placing on display at the Convention Exhibit some of the items from the Library.

REPORT OF THE CHAIRMAN OF THE LIBRARY BOARD

Our librarian, Stewart Kenyon, after taking over from Dr. Black, has now got the library in shape and is looking after inquiries from his home in Edmonton. The Society is very grateful to Mr. Kenyon for taking over the library and I hope the members will continue to send him donations of cash or material for this worthy cause.

V. G. Greene
Chairman of the Library Board

The motion to accept this report was made by Mrs. Russell Lane seconded by Sam Nickle and voted accepted.

It was also made known at this time that the Librarian had the opportunity to purchase a long run of the Canadian Almanac and other material for the library for the sum of \$150.00. After a brief discussion it was moved by Ed Richardson seconded by Lew Ludlow that the Librarian be authorized to make the purchase. The motion was voted and affirmed.

REPORT OF THE SALES MANAGER

In the absence of James C. Lehr the Sales Manager his report was read by L. J. LaFrance.

I wish I could be giving this report in person to the Convention. Since that wasn't possible, here is the status of the Sales Department for 1966 to date. Sales totals \$4551.00, well in excess of last year's total sales of \$3025.00. In addition sales of blank circuit books total \$19.00. We have received 129 new books in the circuit and retired 215. Twenty-five of the retired books were among those received this year. As these figures show, our present sales rate requires many more new books than we are receiving if we are to maintain a required level of stamps for sale.

INCOME TO DATE

Commission on sales	\$364.00	
Sale of blank books	19.00	
Insurance charge on new books	202.00	
Interest to date on savings account	125.00	
		\$710.00

EXPENSES TO DATE

Type annual report	3.00	
Postage	60.00	
		63.00
Profit to date		\$647.00

There will be some additional charges for stationery and printing before this year is out, but we should make a minimum profit of about \$800.00 from the Sales Department. If we were to receive sufficient new books for the circuit it could exceed \$1000.00.

Because of the new postage regulations, increasing registration fees and requiring

all stamp circuits to go by first class registered mail, it was necessary to change some previous practices. A \$25.00 minimum value was set on books submitted for the circuit and we did away with the old "special" circuit where postage was paid both ways if less than \$10.00 was purchased. This returns only 80c in commissions versus the average postage charges of \$1.25—\$1.50.

Please give my best regards to all at this Convention, together with the familiar refrain of more books for the circuits.

Sincerely,

Jim Lehr, Sales Manager

The motion to accept this report was made by L. J. LaFrance seconded by Ray Peters and so voted.

REPORT OF THE BOARD OF EXAMINERS

Jim Sissons reported that no items had been referred to the Board.

The motion to accept was made by Al Cook seconded by V. G. Greene and so voted.

REPORT OF THE HANDBOOK COMMITTEE

In making this report, may I first point out that almost all the work of this Committee was done by your Handbook Salesman, Robert Woolley. However, he did leave the task of making this report to your new Chairman.

No new Handbooks were published during the past twelve months although we appear to have several new ones, and some revisions on the way.

Handbooks Currently Being Revised

- The Perfin Handbook—3rd ed., by Robert Woolley
- The Fancy Cancellations of the 19th Century — 2nd ed. by Dr. Day and E. A. Smythies
- The Flag Cancellation Handbook — 3rd ed., by Ed Richardson

New Handbooks Proposed

- Coil Stamps of Canada — by Ed Whiting
- A Specialized Catalog of BNA Revenues — by Ed Richardson
- Canadian Postal Service with the Armies, 1914-19 — of this last item we know very little, except that there are rumors to the effect that this may become available. Nothing has been heard officially by your Chairman.

Two other possibilities loom on the near future.

1. If there is sufficient interest the cuts used by Mr. Larkin to illustrate his series of "Secret Date" locations, could be used to print up a set of glossy cards suitable for mounting in one's collection.

2. Mark Arons has been working on the possibility of mimeographing a check list of known varieties of Pictorial Railroad Cards. Such a list should be quite popular, and should sell for something under 50c.

In closing I wish again to thank the incoming President, and past Chairman of the Committee, Robert Woolley for his wonderful, time consuming and cooperative selfless efforts as Sales Manager over this past year in particular, but for all his past efforts as well.

Respectfully submitted,

Ed Richardson, Chairman

The motion to accept was made by Clarence Westhaver seconded by R. Woolley and voted affirmed.

A few further comments on the Perfin Handbook were made by Bob Woolley to

the effect that unless many new items were discovered, the 3rd edition of the handbook would probably be the last for some time.

REPORT OF THE STUDY GROUP COMMITTEE

The past twelve months have been particularly active for the various BNAPS Study Groups. Most members are aware of the various study groups thru their contributions to BNA Topics, or at the meetings at the annual BNAPS conventions.

At last year's convention, meetings were held by the Patriotics, Revenue, Fancy Cancels, Semi-Official Airmails and Proofs Study Groups. At this writing plans are to hold meetings of the Revenue, Semi-Official Airmail and Flag Cancellation Groups at the convention in Calgary.

The contribution to BNA TOPICS by the writers of columns related to these various study groups is evidenced by the record;

Squared Circles—9 columns
Perfins—5 Columns and 1 article
Semi-Official Airmails—6 columns
Fancy Cancellations—6 short articles
Proofs—5 columns
Revenues—4 columns

Most of these study groups are not organized on a formal basis. The group activity is centered around the editor of the column, and/or writer of the handbook. This is particularly true of the Squared Circle, Perfin and Fancy Cancellation groups. To some extent it is also true of the Proof group.

The Flag Cancellation group was inactive during the past year.

As for the more formally organized groups, we report:—

Canadian Revenue Study Groups (CRSG)—issued two five page NEWSLETTERS during 1966, containing along with other notes, the results of two preliminary studies conducted by Jim Lehr on the Federal Bill Stamps and Overprinted Quebec Law Stamps. The Group continues to grow, and in spite of serious losses due to death this past year, membership now stands at 109 active members.

Patriotics:—A number of additional studies were issued by the chairman last winter. Plans are, as he relinquishes the post of BNAPS President, to continue these studies as in the past, and to resume publication of findings in BNA TOPICS.

Semi-Official Airmail Group (SOAMS): was actively engaged in various studies during the past year. Four studies for a total of 13 pages were published and distributed to members of the group during the year, and two more are expected before the year is over.

The Officers, Editors of these more formally organized groups are:—

Canadian Revenue Study Group
Chairman-Treasurer—Wilmer C. Rockett
Secretary-Editor—Ed Richardson
Column Editor—Leo J. LaFrance

Patriotics

Chairman, Editor and Column Editor—
Clarence Westhaver

Semi-Official Airmail Studies

Chairman—Ernest F. Schweick Smith
Column Editor—Daniel G. Rosenblat

As in the past years, it is my sincere belief that in these study groups lies the future strength and well being of our great BNAPS. I would welcome any suggestions as to new study groups, how to improve those we already have, and volunteers willing to work in this activity area.

Respectfully submitted,

Ed Richardson

Liaison, Study Groups

The motion to accept the report was made by V. G. Greene seconded by H. E. Canham and so voted.

It was further noted that in addition to the previously mentioned groups scheduled to meet this convention, meetings were held by those interested in Railroad Cancellations, Western Territorials, Perfins, Precancels and Flags.

At this point since there was no more old business to come before the floor, the President Clarence Westhaver opened the floor for any new business that might come before it.

Art McIntyre brought up the question of mailing the membership roll to members as a separate piece rather than in the Yearbook as is current practice. It was stated that this might be a deterrent to the problem of robbery. After considerable discussion from the floor it was decided to make no change from the present practice of including the membership list in the Yearbook issue of TOPICS.

Stewart Kenyon, our new Librarian made the suggestion that use fees be increased so that they would defray the expenses involved in the handling and shipping of material to members. After discussion it

EDITORIAL OFFICES SUPPORT FUND

Our President has suggested this emergency fund for the use of the Editorial Offices for the extra purchase of cuts, proof-reading services, secretarial services, etc.

Those donating to this fund will be acknowledged in the magazine. With thanks to . . .

Clarence A. Westhaver	\$100	Anonymous	\$5.00
Charles P. deVolpi	\$ 50		
Vincent G. Greene	\$ 25		

was moved by George Llewellyn and seconded by Norm Boyd that charges be increased from the present rates to \$1.00 per week or fraction thereof for all books and that pamphlets etc. held over 30 days be charged at the same rate. The motion was approved. It was also suggested that the librarian look into the possibility of reproducing short articles and then charging so much per page to the member desiring the information.

Bob Woolley announced that he would be attending the 1966 Convention of the Canadian Philatelic Society of Great Britain and that he would initiate the interchange of advertising for membership in our respective journals.

Art McIntyre suggested that a schedule of membership fees be included with each issue of TOPICS since the magazine is often read by others who are non-members of BNAPS.

A discussion was initiated by Norm Boyd regarding reservations for BNAPEX '67 at the Alpine Inn. After considerable voicing of opinions from the floor, regarding the announcement in the August issue of TOPICS, it was again stated by the Chairman of BNAPEX '67 Charles deVolpi that with EXPO in Montreal at this time the previously stated preference schedule was still in effect. However, anyone that planned to attend should get their reservations in immediately and that in some manner provision would be made for all on a first come first served basis.

At this point the results of the election of officers for the coming year were announced by Clarence Westhaver from in-

formation that he had received from Election Committee Chairman John Siverts. The results were as follows:

President—Robert J. Woolley

Vice-Pres.—Dr. R.V.C. Carr

Secretary—Jack Levine

Treasurer—James T. Culhane

Elected to the Board of Directors

Dr. K. M. Day

Stewart S. Kenyon

Dr. Robert Chaplin

The motion to accept this report was made by Harry Lussey seconded by Bill Rockett and voted affirmed.

W. S. Johnstone suggested at this time that no numerical values be given in published reports of election results. This was unanimously agreed by the membership present at the meeting.

Our new President Robert Woolley, at this time expressed his thanks to the membership for election to the office and for all the help he had had in the past. His wishes were that continued effort on the part of all is desirous to further the gains already achieved by BNAPS. He also expressed the willingness to listen to and make use of all ideas that would aid in the growth of the Society.

A motion to extend a vote of appreciation to Sam and Rosemary Nickle and all our Calgary Hosts was made by D. Ian Taylor seconded by L. J. LaFrance and vociferously approved.

There being no further business for consideration of the meeting it was adjourned at 12:12 P.M. on the motion of Harry Lussey.

AN OPEN LETTER TO THE B.N.A.P.S.

Dear Sir,

I am not a procrastinator by nature, but I must confess to several delays in writing this letter. To be honest I thought about it for a long while, and then decided against it, feeling that many members would misconstrue its contents as being "sour grapes". I would like to emphasize here and now that it is not intended as such, and the reason for reversing my decision was the notice in the latest "Topics" which asked Why can't we get our members to write? I do not suggest that my comments here are one of the main reasons, but I suggest that they are a contributing factor.

I am a serious collector, and have been for many years, and early in 1966 I applied for membership in the B.N.A.P.S. I had never exhibited anywhere before, and looked forward to my first, and also the upcoming festivities in Calgary with great anticipation. Also, a great deal of time and effort was put into an exhibit. Now, anybody who starts "at the top" by making his first exhibition in an organization such as the B.N.A.P.S. and expects to come away with an award of any kind, is certainly living in a fools paradise.

I was neither surprised nor disappointed at being one of five exhibitors to receive no awards. The entire exhibition was of an extremely high quality, and anybody who did not derive pleasure and knowledge from it certainly does not deserve to be called a philatelist.

However, my point is this, this hobby of our has two very outstanding factors going for it. First is the people you meet — in no other business or hobby will you meet such a congenial bunch of people. Second is the diversity of choice one has in selecting a particular field in which to concentrate. There are literally hundreds — many

of which can be enjoyed by anyone for \$1.00 a month or \$1000.00 a month.

I personally find the greatest pleasure in modern issues — cancellations, tagged slogans, coils, perfins, etc. To each his own has always been a very sound theory, and such things as squared circles, stampless covers, cork cancels, etc. appeal to many collectors, but they hold no interest for me as a specialty. The impression obtained from the exhibition, from many members, and from many spectators, was that if a thing was not 50-60 years old — one might as well forget it.

I have absolutely no doubt whatsoever that any member of the B.N.A.P.S. either has or could secure the material with which he could beat me "on my own ground." I have also no doubt that a large percentage of our members has already got knowledge superior to mine, and this applies to "everyday" collectors such as myself — not only the "name" collectors.

Along these same lines, I have no doubt that if I were interested only in winning awards and recognition, I too, could probably produce an entry which would stand a reasonable chance of winning an award if I was prepared to concentrate on some ancient area in which I have absolutely no interest in collecting. This I am not prepared to do, and therefore must remain more or less on my own, at least as far as exhibits and writing is concerned.

With the possible exception of a few dealers, I feel quite safe in saying that most people join an organization such as the B.N.A.P.S. with the intentions of both giving and receiving knowledge to a more or less equal degree. I am equally certain that many new members such as myself will lose much enthusiasm after having been told by at least a dozen members at the Convention that modern material is never considered in an exhibition, and very few

members concentrate on it to any degree. I seriously question the latter part of this statement, because I don't even expect to meet a philatelist whose eyebrows would not raise just a little at the sight of an inverted Seaway, an imperf pair of 1954 3c Queen, an open circle from a small town, or even a Winnipeg tagged issue with the phosphor in the wrong place. He may not be prepared to specialize in modern issues, but he is interested. This is exactly the way I feel about squared circles, and the like. If one needs any substantiation of the feeling I now have, one has only to read down the list of categories for the last exhibition. With very few exceptions, anything modern would have to be lumped into the tiny "miscellaneous" category at the bottom of the page.

I fully realize that physical space is a problem with exhibitions, and yet the oddities and scarcities of today will be the classics of tomorrow, and as such, I feel deserve possibly not an equal share, but at least a share of the spotlight in our own activities of today. As of now, my thoughts run predominantly to what I can get out of the B.N.A.P.S. even though I feel I am in a position to supply odd bits of information which may seem unimportant today, but in future years, even the B.N.A.P.S. may wish that more encouragement had been given to those interested in current material, while it is current. I will be happy to correspond with individuals whose interests are similar to mine. Indeed I have already done so with several such people, even though my membership can be measured in weeks. However, my interest in exhibiting and writing for the "Topics" has received a serious setback.

Ladies and gentlemen, we (I use the term we, since I was assigned a number in the latest issue) should give serious consideration to giving a little more recognition to modern material before it is too late. Much of the knowledge that we will ever get on the older material has already been recorded, but there is no time like right now to concentrate on today's material. It may be that I am a square peg in a round hole, but I sincerely hope not, because I sincerely feel that there is information that I can both give and receive, and if many members feel as I do, both will be seriously curtailed which is emphasized by the recent plea for more articles for "Topics".

Kenneth G. Rose No. 2224

Dear Sir,

I was sadly disappointed to read in your September issue of Topics that Mr. A. L. McCready was dropped from the membership roll of BNAPS. Although I have only recently become a member of your society, I felt that someone should speak out.

Mr. McCready published Popular Stamps for almost 20 years 1939-1958, 10 of those years in competition with the society magazine. Since he was a newspaper publisher, the opportunity was available for him to print a Canadian stamp magazine for BNA collectors. He may have made a small profit but considering the labour of love that this collector put into Popular Stamps he was no doubt running at a deficit.

Many of our members know what a wealth of BNA philatelic information is to be found in these little paperback journals. In fact many of the older members had subscriptions to both Popular Stamps and BNA Topics.

I understand Mr. McCready is 74 and also has been quite ill. To see our society just unceremoniously **drop him from the rolls** seems to be in poor taste. It seems that no thought has been given to the large part that this member played in the advancement of BNA philately and collecting in general. His membership in BNAPS dates back 10 years.

V. G. Greene wrote on A. L. McCready in May 1962 in his Sketches of BNAPSers that "Since the first stamp paper published in Canada in 1864 to the present day 'Popular Stamps' has outlasted all other independent publications by a wide margin and has run to 204 monthly issues being discontinued only on account of illness in 1958. Other items published by Mr. McCready were 'Canadian Philatelic Literature' and 'Canadian Flag Cancellations'. Mr. Greene further states "Since retiring in 1958 Mr. McCready has given up all his philatelic societies excepting our own BNAPS and those of us who know him personally will wish him many more years of happiness and good health".

Does the society not have Honourary memberships to bestow on members who have served philately or the society and who are now in failing health and unable to continue paid up membership?

I refer this letter to the Board of Governors.

Sincerely,
Scipot A. N. Brotide, No. 2225

Editor's Note:

To have two letters of criticism at the same time, both by new members No. 2224 and No. 2225 is quite a coincident but analysing both letters yields much truth and points up areas for improvement in the society constitution, namely honorary membership and expansion of Exhibit rules. Also it points out the need for articles on material after 1920.

Your editor

P.S. I refer both these letters to our Board of Governors as suggested by Mr. Brotide.

Dear Editor:

Having just returned from a vacation trip of 6000 miles, that included the Calgary convention, I hope you have space for this "Letter-to-the-Editor", since I sincerely mean every word included.

U.S. Member Praises Convention

The local committee of the Calgary convention, both the men and the ladies, deserve the utmost thanks from the whole

Society for the outstanding way the convention was handled.

As a member from the U.S., attending my second B.N.A.P.S. convention, I sincerely feel that everything was as close as humanly possible to perfection.

The hotel facilities were excellent, the cooperation of the hotel staff was far above the usual, the exhibition and bourse were attractively housed, and the members of the local committee were constantly and effectively attentive to all details.

The hospitality, both formal and otherwise, certainly proved that Calgary truly lives up to its "white hat" reputation.

Even the Canadian Rockies, which I visited afterwards for the first time, would have to come second as far as my memories of this first-class get-together.

Once again, my personal thanks to each and everyone, from Sam and Rosemary, down to the nocturnal photographer who prowled the halls!

Yours sincerely,

Ian W. Taylor, No. 1984

Report from the Library

STEWART S. KENYON, 15205-74 Ave., Edmonton, Alberta

At the Annual Meeting held during the Convention in Calgary, the charge for retaining Library material over the 30 days allowed was raised from 25c per week to \$1.00 per week per item. This is, of course, designed to ensure the return of Library items within the prescribed period of time in case other members are waiting. It should be pointed out that in the large majority of cases, books are returned promptly but as can be expected, there are exceptions. The co-operation of all members in this regard is appreciated.

Members receiving material from the Library lately will have noticed that we now have a printed form letter to reply to their request. This will speed up replies and enable us to keep better control. The task of card-indexing the Library is proceeding slowly but surely and while no promises are being made as to when, eventually every item will be listed and indexed according to the relative subject.

As will be noticed in this column, we have had several sizeable donations of material and money to the Library. These donations are very much appreciated as, of course, we are still short of many issues of periodicals and books and we are anxious to fill in these shortages. So don't throw away those old stamp magazines but drop the Librarian a line to see if they will be of use to the Library. Monetary donations are always welcome since we are trying to have a number of periodicals bound and this costs about \$4.00 per volume.

A large number of issues of "Popular Stamps" published by Mr. A. L. McCready are surplus to the requirements of the Library and these will be sold to members who are interested. Issues start with Volume 9 (October 1946) up to Volume 20 (1957). A few complete Volumes are available namely Vol. 10 (1948), Vol. 11 (1949), Vol. 12 (1950) and Vol. 17 (1955). Complete volumes will be sold at \$2.00 per volume and single copies at .25c each. Revenue derived from the sale of surplus material will be used to purchase additional items for our Library and when possible pay for having some of our publications bound.

We are short some issues of "Popular Stamps" to complete our set so if any member has any surplus copies of any issues from Volume 1 to 9, we would be pleased to have them either as a donation or we will purchase them.

NEWS ITEMS

On or about Sept. 3, 1966, the home of Dr. Edna Walck, Dover, New Hampshire was entered and a collection of stamps taken. The loss comprised: U.S. Plate blocks, regular, commemorative and air issues from 1925; 300 fancy cancels and a number of covers, chiefly U.S. FDC, RR, Advertising, and Stampless.

Canadian Plate blocks from 1910, Canadian Officials, Semi-officials, Revenues and a large number of Squared Circle Cancellations.

Fairly accurate check lists for the stamps are available and many of the items are identifiable. The cooperation of other philatelists and dealers would be appreciated in our efforts to locate this material.

BUTCHER, BAKER, CANDLESTICK MAKER . . .

EVERYONE NEEDS THE 1967 SCOTT Vol. I Offers 39,600 New Prices and 2,000 Fresh Listings

In the annual overhaul of the vast storehouse of stamp knowledge that is Scott's Standard Postage Stamp Catalogue, the editors do three things:

1. Change the old prices, or insert prices where none stood before.
2. Add new listings, major and minor, with the majority coming from the monthly supplement.
3. Revise and elucidate the older listings.

This year—the 99th for Scott—the 1967 edition of Volume I, covering U.S., U.N., British Commonwealth and Latin America, sets new records. It presents 39,686 new prices (last year the total was 31,210). It adds 1,934 new-issue listings from the Chronicle in Scott's Monthly Stamp Journal (last year's total: 1,689). It carries insertions in older listings of 83 new major-stamps in 11 countries, and of 242 new minor-number varieties in many countries. (Last year the new majors ran to 37, the new minors to 214.)

Granted that statistics make dull reading, these do point up to the fact that the 1966 Vol. I Scott has suddenly become archaic.

HARMERS TO SELL RARE MISSIONARIES AND CLASSIC EUROPEANS

Material worth \$200,000 to be auctioned November and December

Mr. Bernard D. Harmer, President of H. R. Harmer, Inc. announced this week the receipt of two outstanding properties to be sold at the 48th Street Galleries prior to Christmas.

Hawaii

The first is an exceptional group of Hawaii, comprising the original collection formed by that renowned philatelist of the past, Mr. Alfred F. Lichtenstein together with a wonderful group of "Missionaries" which has not been seen on the philatelic market for close to half a century. All are part of his daughter's collections and are being offered on her instructions.

The "Missionaries" comprise a copy of the 2 cent on a small piece (cataloguing \$22,500), one unused and two used copies of the 5 cent (cataloguing \$10,000 and \$4,500 each respectively), an unused and used example of the "Hawaiian Postage" 13 cent (\$5000 and \$3000) and an absolutely beautiful "H.I. & U.S." 13 cent used on a cover that is fresh, clean and picturesque. Although the stamp catalogues but \$5,500 Harmer's believe that the cover may well bring \$20,000 or even more by reason of its wonderful condition and overall appearance.

The group, comprising only some 50 lots, will be sold in a special evening auction on **Wednesday, November 16** commencing at 8:30 p.m., and is expected to realize about \$75,000.

BNAPEX '66 AT CALGARY

By A. W. McIntyre, Director of Publicity

B.N.A.P.S.

Biennial elections, brisk annual meeting, fine exhibition, good bourse, best of hospitality and entertainment, backed by efficient organization, combined to make BNAPEX '66, staged in the sumptuous modern new Calgary Inn and sponsored by the Calgary group, pass into history as one of the best for the British North America Philatelic Society.

Robert J. Woolley of Toronto takes over direction of the Society in '67, having moved up from the vice-presidency by acclamation. He succeeds Clarence A. Westhaver, whose splendid leadership drew plaudits as Dr. R. V. C. Carr of Youngstown, Ohio, was acclaimed vice-president. He was unable to attend.

A mail ballot for three to the Board of Governors returned Dr. K. M. Day and added two new members, Dr. R. A. Chaplin, Toronto, and Stewart S. Kenyon, Edmonton. There being a vacancy on the board, a motion from the floor elected Mr. Kenyon to the unexpired term.

Entertainment for the three day period, September 15, 16, 17, was freely described by some veteran convention-goers as "out of this world." A new feature that was much used and appreciated was the Hospitality room where an urn of hot coffee and table of cups was available from early morn until late night. Many a time a small group gathered there for consultation.

The ladies committee, headed by Mrs. Russell H. Lane, prevented a single dull moment by providing shopping tours, a tour of Calgary's beauty spots and a country drive to Priddie. There they visited the Willowbrook Ranch, viewed the beautiful Arabian saddle horses and enjoyed afternoon tea in the home of hosts Mr. and Mrs. Brien Horne.

Other highlights in entertainment included Friday evening drive by four chartered buses to Scenic Acres where delegates were welcomed by the owner of the Polled Hereford ranch, Samuel Nickle Sr. (father of the convention chairman, S. C. Nickle). Situated on a ridge overlooking the city, the house features a huge rumpus room, with swimming pool below. A Western Barbecue including the finest of beef was thus served indoors. For the drive back, bus

lights were turned off so as to enjoy the myriad of city lights.

Cuisine of the closing banquet was outstanding. Guests were asked to take home as souvenirs of the Calgary show, the bone china teacups which bore the Alberta tartan and the official floral emblem of the province, the Wild Rose. Local singer Bob Horny sang western songs of his own composition, and his orchestra provided lively music.

The banquet was preceded by the Edmonton Reception, sponsored by the Edmonton group. Many of the group appeared in colorful Klondike dress of gold rush days, long dresses and large hats for the ladies, colorful shirt, scarves and hats for the men, which has featured summer exhibition week in the Alberta capital. Chairman Sam commented that it added to the fun of the dance that followed.

On behalf of the convention delegates, more than 125, a silver Paul Revere bowl was presented to Sam and Rosemary Nickle by President Westhaver.

A spontaneous presentation of a silver bowl to a society guest, Dr. G. M. Geldert of Ottawa, president of the Royal Philatelic Society of Canada, "for outstanding service to the hobby" almost left the surprised veteran of philately speechless.

A draw of ticket stubs resulted in a fine western blanket going to Bert Llewellyn, chairman of the board.

Telegrams conveyed good wishes from absentees, Kellers of Philadelphia, John Siverts and the Traquairs of Montreal (former Calgarians) and Secretary Jack Levine.

AWARDS PRESENTED

On behalf of the three-man jury, Vinnie Greene presented the medals. The other two members were C. A. Westhaver and W. S. Johnstone of Vancouver. The jury found the quality of exhibits so high that nine silvers were awarded, a number well beyond the usual five. He said a highlight of the show was the Western Postal History that won the Grand Award, as unquestionably it was a fantastic collection. Of the two gold medal lots, he said the pence issues were quite outstanding, the other the

most complete collection of the registration stamps of Canada.

The judge said that of the general high quality exhibits, the one-cent rose 1859 exhibit was the only one to win the felicitations of the jury. Of the winning exhibit of small queens, he had never seen such a lot of cancellations on small queens; of the showing of Quebec Tercentary issues, it included the terribly scarce die proofs; Canadian flag cancels were a wonderful display. The Canada squared circles far better than at Hamilton; military covers were outstanding, also the revenues and territorials. Quality of exhibits winning the bronze medals was such as likely to have won silvers in shows with less competition.

The jury was pleased to see new exhibitors present some interesting side lines, such as the winner of the novice award on a showing of B.C. railway handcancels.

An exceptional non-competitive exhibit, presented by Col. L. W. Sharpe of Hamilton, showed Riel rebellion and Nile Voyageur covers, also prisoner-of-war mail.

Other non-competitive displays were early Edmonton postal markings by the Edmonton group, and outstanding historical items by the Calgary group, including a Calgary-Edmonton 1918 air cover flown by Catharine Stinson, with enclosed letter by her.

The Canada post office display production routines of three different stamps. Some striking mosaics in stamps were shown by Dr. Ian W. Taylor of Wheeling, Ill.

An unusual feature was a display of pioneer philatelic journals and rare philatelic reference books from the society by the new librarian, S. S. Kenyon.

An active bourse found ready buyers for a wide range of material, especially covers and special postal markings on stamps. Present were Fred Jarrett and George Wegg of Toronto, Mrs. Doris McKay and Ian Paterson of Edmonton, Kenneth Robertson, Victoria, and Fred Kraemer, Calgary. C. F. Borth; H. G. Walburn, Okanagan Centre; and G. E. Melvin, Vernon, B.C.

Most of the past presidents were in attendance, also four members who have never missed a convention, V. G. Greene, Harry Lussey, Wilmer Rockett and James Culhane.

AWARD WINNERS

Here are the medalists: Grand award went to Charles deVolpi, Montreal on a Western Canada Postal History exhibit

with items from Rupert's Land, Keewatin, Assinboia. Included was a Louis Riel stamp essay of 1869, on the eve of the ill fated rebellion.

Gold medals to Dr. R. A. Chaplin, Toronto, on Canada registered letter stamps; and to S. C. Nickle on Canada pence issues.

Silver medals: Nova Scotia issues, Dr. Robert V. C. Carr; Canada one-cent rose, 1859, S. S. Kenyon; Canada small queens, Harry Lussey of New Jersey; Quebec Tercentenary issue, Rosemary Nickle; Canada squared circles, Ben Jacobson, Santa Barbara; early Canada flag cancels, R. A. Peters; Canada colonial, federal and provincial revenues, W. C. Rockett; Willow Grove, Pa.; Canadian Boer War items, Ed Richardson, Texas; mail service of the Victorian era in the Territories, E. A. Harris, Flin Flon.

Bronze: Pioneer western Canada airmail, N. A. Pelletier, Toronto; Canada machine cancellations, Ted L. Kilish, Detroit; B.C. law stamps, Leo LaFrance, Ossining; Canada King Edward VII precancels, David Crane, Kelowna. Novice award was for an exhibit of ornaments of railway hand cancels.

Exhibits when received were stored in a vault. The exhibit hall was under armed guard of a security organization which added a trained dog at nights. The show closed at 4 p.m. Saturday and so well organized was it that the last exhibit lot was mailed before 6 p.m.

The show was well staged under glass and about 225 adults, many accompanied by children, paid one dollar to see the stamps. Exhibits were under Gordon M. Hill, awards and certificates under Murray Devlin. Visitor Dr. Ian Taylor became an active volunteer aid. Assisting the general chairman were three vice-chairmen, Eldon C. Godfrey, Alex W. Stewart and John M. Gareau.

The bourse in the exhibits hall came under the chairmanship of Jack Bennigen. Tables were free and dealers were requested to pay full registration fees of \$17.50 and join in all activities. The convention badge was in the form of the traditional Calgary white hat.

Mayor Jack Leslie officially opened the show. All mail dispatched received a special BNAPS slogan cancellation.

EIGHT STUDY GROUPS

Under chairman Ed Richardson, a general meeting on sideline studies was largely attended and as each topic came up, the

genial chairman introduced members active in that line. Hours were set for eight groups, each of which drew from nine to 17. It was an off year for proofs and essays, patriotics, admirals, postal stationery, officials. Groups not already organized appointed chairmen and secretaries.

Semi-official airs drew ten, chaired by Dan G. Rosenblat, columnist for TOPICS, in the absence of Ernest Smith who sent his regrets. Copies of western airlines route maps were distributed. J. N. Sissons stated that it is proposed to list non-Scott items, like semi-official airs, in the Revenue Catalogue. There was need of a simplified listing.

The squared circle crew participated in discussions by ten enthusiasts under chairmanship of Dr. W. G. Moffat, who edits the column in TOPICS since the illness of the founder, Dr. Whitehead. Illness prevented attendance of C. A. Kemp. Need of a reference collection was mentioned.

The Perfins group saw nine, under Bob Woolley discuss such items at the Ontario Legislature LA and the Saskatchewan Government PS. A new list is talked.

Flag cancels drew about 15 under Ray Peters. A series of slides was screened by E. A. Harris. It was noted that six types of Montreal flags have been reported.

Ten revenue enthusiasts from an active group that can boast ten percent of society members on its rolls, met under W. Rockett. It was stated that the October 19 Sissons auction catalogue of the Dr. Morgan revenue collection, along with prices realized, is likely to prove an excellent record of value. Mr. Sissons promised to cooperate in filling this need.

The R.P.O. group drew 17 and was chaired by Lou Ludlow, direct from Tokyo Japan. Alex Price of Vancouver shared the discussions and Gordon Hill of Calgary agreed to mail lists of those attending.

Anything lacking in numbers was made up by the interest displayed in the Canadian Pre-Cancel group as it was chaired by W. G. Walburn of Okanagan Centre, B.C., who has been the editor of the official catalogue of pre-cancels.

The Western Territorials group had 15 present under chairmanship of E. A. Harris. An effort is to be made to make available to the membership lists of post offices. Dr. Norman Boyd of Windsor said that he has those compiled by Frank Campbell up to five years ago, and N. A. Pelletier, Toronto, those compiled by Campbell since. It was

stated that a list of B.C. post offices has been compiled by G. H. Melvin, Vernon, assisted by W. Topping of Vancouver, and a list of Alberta post office by Thomas Walker of Edmonton.

Ian Paterson of Edmonton told how the Edmonton group had begun a register for the province with strictly selected headings. This struck the audience as a desirable move and regional chairmen were named to compile similar registers, with plans to exchange information. The list: B.C., James Pike, Vancouver; Alberta, Thomas Walker; Saskatchewan, Ernest Toth, Saskatchewan; Manitoba and Keewatin, Harold Wilding, Winnipeg; North West Territories and Yukon, J. D. Goodall, Edmonton. Mr. Harris said that there is available a list of APOs in Canada.

ANNUAL MEETING

Sixty members attended the annual meeting. Clarence A. Westhaver, in his presidential address reviewed a successful two years, and said that he had received good support. He paid tribute to Dr. E. C. Black for the fine state of the library, now in charge of Stewart S. Kenyon. Another new appointment is that of Russell McNeil of Hamilton as circulation editor. Treasurer Jim Culhane reported receipts of \$5,455, expenditures \$3,862, leaving a surplus of \$1,584. for the rest of the year. Cost of printing TOPICS has advanced \$50 per month.

The writer reported on the year's activities as director of publicity. A special advertising campaign in the spring netted about 25 inquiries and the second series is about on the way. The treasurer asked what proportion resulted in memberships. Ed Richardson, chairman of memberships, supplied the answer—12, about 50 percent.

There has been a real gain of about 21 but he could not say he was happy with the situation as the total has been almost static for ten years. One of the best campaigns was conducted by Sissons in his auction catalogues which brought in nearly 40. Maresch has now agreed to include BNAPS material in his Fall auction catalogue. We need a drive with five teams of two or more, said Ed.

As a result of inquiries, the writer suggested that every issue of TOPICS might well carry a paragraph stating society fees.

In the absence of Jack Levine who was unable to attend, the president asked Leo LaFrance to act as secretary of the meeting.

Ray Peters, conventions, reported no invitations received for 1969 or 1970. The '67 show is fixed for Montreal and the '68 for Texas. Jim Sissons suggested going from east to west, say Vancouver or Victoria, while Fred Jarrett said he would favor Halifax in '69. Ed Richardson explained that whereas delegates last year expressed preference for San Antonio, this did not prove feasible because of a super fair. Space had been secured at Austin Lakeview Club which offers accommodation on the American plan at reasonable rates. Color pictures on two large cards showed scenes at Lakeview and Ed busied getting signers for October 9 to 13, 1968, dates which would not clash with the Hebrew holiday. Before leaving Calgary delegates were discussing the possibility of chartering a bus or plane for Texas.

LODGING QUESTION

Announcement in August Topics calling for written registrations for Alpine Inn where the 1967 convention meets October 5, 6, and 7 facilitating visits to EXPO '67 the early part of the week, roused brisk debate because of the clause, "Reservations for the entire week will be given preference." Dr. Norman Boyd and Wilmer Rockett questioned the right to place handicap on members desiring to attend the meetings but not the EXPO.

Charles de Volpi said demand for space was so great, owners of inns did not want to turn away calls that would take the full week. He said 22 of the 157 reservations filed now for the week of October 2 to 8 asked accommodation for three days. "We will try to take care of everyone with space within two or three miles of Alpine Lodge."

THEFT ANXIETY

Member 77, H. E. Canham, Regina, asked for revival in the yearbook of the geographical listing, as a great benefit to touring members. Jim Sissons questioned the desirability of publicizing addresses on account of the growing number of burglaries and thefts of stamps. Ed Richardson said some choice items in stamps, coins and antiques are reported to be ending up behind the Iron Curtain. While visiting at Banff before the convention, Dr. Edna

Walck got word that her home had been robbed of stamps, coins, silver and antiques, consequently flew directly home.

The publicity director suggested that because of the thefts perhaps the roll should be withheld from the yearbook and lists mailed directly to members. A lady saw merit in a list that would drop into her purse for use when travelling. Others said many old books are available but that organized crime would dig for lists and addresses if needed.

V. G. Greene, for the editorial board said post office deliveries of the monthly organ has plagued the society, a check showing that it requires from two days to one month. Advertising manager Ed Whiting has pushed back the yearbook. The treasurer said the advertising manager was doing a good job and he bespoke support of the yearbook.

The new librarian said that the society library was moved from Vancouver to Edmonton at the end of January, in 51 cartons weighing 1,700 pounds. Due to the systematic packing, good progress is being made in filing. There had been a donation to the library by the U.B.C. of that part of the Daggett literature collection comprised of early journals dealing with philately. He suggested need of increasing fees on overdue journals from 25c to \$1.00. Accordingly the meeting authorized a bylaw change.

Mr. Greene reported an opportunity to purchase a range of Canadian Almanacs, 1851 to 1895 along with a complete set of Topics for \$150. The meeting approved buying.

Dr. Taylor said that the librarian should be complimented on his display and he moved a vote of thanks.

Sales circuit manager James Lehr reported an increased turnover, from \$3,025 to \$4,516, so despite higher postage, he expected profits would rise from \$647 to \$800 for the year.

As the meeting adjourned, Dr. Taylor suggested a round of applause for Sam, Rosemary and the committee, which was lustily given.

Everybody seems to **BOAST**. Make them **PROVE IT!**

You see many ads boasting of huge stocks and unbelievable sums spent to maintain these stocks.

I turn over plenty of Canadian material, and have handled U.S. and Canadian stamps exclusively since 1929.

If you have ANY stamps you wish to turn into **IMMEDIATE** cash, I think I can afford to pay a decent price.

MAKE ME PROVE IT!

I've already asked Mr. Insley of Toronto; now I'm asking all the rest of YOU if you'd care to help me in re-writing the article on **Canadian Coils**.

Anyone who has knowledge of any item of information concerning coils that may be used in this study please do not hesitate to let me know about it.

Ed. Richardson prevailed on me (he really twisted my arm) last year to agree to do this job.

Now I'll need all the help I can get. I'm aiming for publication in next year's Yearbook or sooner!

Let me hear from all of you! That's right, flood me with mail — I dare you!

BANK OF

September 30, 1966.

Mr. Edward J. Whiting,
Advertising Manager,
B.N.A. "TOPICS",
25 Kings Circle,
MALVERN, Pa. 19355, U.S.A.

Dear Ed:

BNAPEX 66 is now behind us, and we can look back at one of the best and most enjoyable ANNUAL CONVENTIONS and EXHIBITIONS ever!

CONGRATULATIONS to CHAIRMAN SAM C. NICKLE and all the rest of those WONDERFUL CALGARIANS. MANY THANKS to them too for their SPECIAL BRAND of WESTERN HOSPITALITY.

I hope that ALL OUR MEMBERS are planning to come to MONTREAL next summer, for CANADA'S ONE HUNDRETH BIRTHDAY PARTY. The participation of so many OUTSIDE COUNTRIES in EXPO 67, will make it the GREATEST WORLD'S FAIR ever, and with BNAPEX 67 close by — what better reasons does anyone need to PLAN NOW TO ATTEND?

While in CALGARY, ED RICHARDSON signed us all up for BNAPEX 68 deep in the heart of TEXAS, and that is another BIG EVENT to look forward to.

I find an increased interest in ROLLER CANCELS, R.P.O.'s and more specializing in the SPECIAL CANCELS field. SEMI-OFFICIALS and early AIR COVERS also seem to be coming into their own. Our new FLORAL EMBLEM SERIES (now complete) is a very popular item on both sides of our border.

For these and any other specimens of "BETTER CANADA", from STAMPLESS to STAMPEDE, send your want lists to . . .

Yours truly,

DORIS McKAY

(Mrs. Doris McKay)
BNAPS #1819

REMEMBER ME?

I used to offer bottles of Whiskey for the more discerning, Bourbon for the rebels below the border, and Mother's Rum for all and sundry in exchange for stamps I wanted.

Well, even the all and sundry sent so few stamps along I usually drank the barter goods myself and that, plus my recent attendance at the Calgary convention decided me to take the pledge so now I am reduced to offering money.

Have sold all my early Canada to Jim Sissons and boy! did he pay me good prices for them, so have a dollar or two to spend and now want British Columbia only, stamps, covers, Express covers, or even Canadian stamps with B.C. cancels before 1900 so see what you can dig up for me and we may both enjoy Xmas this year.

CONVENTION 1967

The 1967 Convention is being held at the Alpine Inn, Ste. Marguerite Station, Quebec (some fifty miles north of Montreal) from October 2nd to October 8th, 1967; actually the philatelic convention is for the 5th, 6th and 7th, the first four days being for the members who wish to attend EXPO 67 — Canada's Great World Fair. Reservations in the Montreal area are already becoming difficult to get, and this includes a radius of 70 miles of Montreal.

Your Montreal committee (all of us) have to date had 135 requests for reservations, and all of them for the entire week so get yours in **NOW** and even if you verbally told members of the committee you wanted reservations, confirm it in writing **NOW**—first come-first served (this includes Jarrett, Greene, Michael, Bilden, Culhane, Harrison, Lyman, Sissons, Jephcott, Nickle, Peterman, Lea etc, etc).

Reservations for the entire week will be given preference.

The Postal History Society of the Americas are joining us and their convention and exhibition is being held in conjunction with ours.

DON'T DELAY DO IT TODAY — or you will be sorry

RARITY

Some stamps which are termed "rarities" are selling for high prices owing to exceptional demand. In most cases the items in question are actually in relatively small supply, but do not merit their prices in relation to other stamps from unpopular countries which are true rarities.

The 12d. Canada is a scarce stamp of unusual beauty and with a glamorous international reputation. Very fine mint copies demand a price from \$10,000-\$15,000, and similar quality used copies \$8,000-\$10,000. There are certainly several dozen very fine copies, mint and used, in the world.

In 1878 Persia printed 500 copies of a 1 Toman value of which probably a dozen unused copies have survived, and possibly several dozen used copies. Many of the existing copies are defective since the stamp was printed on a quite fragile pelure paper.

Several years ago I sold a very fine unused copy of this stamp for \$700.00. I have two similar quality used copies in stock for which my price is \$325.00 each.

Canada is an extremely popular country and the 12d. is a great classic, while Persia is a highly unpopular country and the 1 Toman 1878 is an "in-between" issue. Any direct comparison would be totally unrealistic, but still it would seem that the price differentials are sufficiently large to be taken advantage of.
