Cornelius, 2407 Lake Place, Minneapolis, Minn. *Calgary*—Meets second and fourth Tuesday at 8 p.m., Murray Devlin, 1030-12th Ave. S.W., Calgary, Alberta.

TEXAS IN 1968

Sales Department

RULES AND REGULATIONS

1. This Department shall function entirely for and in the interest of the membership of the British North America Philatelic Society. Any Member, in good standing, may participate in the Department and, by his participation, attests and agrees to abide by the Rules and Regulations of the Department. Any Member, so participating, may be denied such participation for infraction of any of the Rules or Regulations of the Department.

2. The President of the Society shall appoint a Member to serve as Sales Manager who shall be responsible to the Board of Governors. The President of the Society shall appoint a Committee to serve as a Board of Examiners to examine any and all stamps or books of stamps submitted to it by the Sales Manager and to order removed any such stamps or other material entered which, in its opinion, is of a questionable character, without any responsibility or liability therefore to the owner or anyone else.

3. The Sales Manager shall keep accounts and records of all transactions of the Department in books of the Society so provided by it. He shall at specific times, provide the Board of Governors with reports of the affairs of the Department, including a full balance sheet of all bookkeeping entries and shall similarly cause such reports to be published in BNA TOPICS.

4. Members entering material for sale through the Department shall mount their material in such books as shall be prescribed by the Board of Governors. Books shall be obtained from the Sales Manager upon request and at such price as shall be determined by the Board of Governors. No other books or forms except the prescribed ones shall be used. The Department reserves the right to limit the dollar value of material entered in any one book and may reject any material which it feels will not be well received, except that such restriction shall be the joint action and decision of the Sales Manager and the Board of Examiners, without any responsibility or liability therefore to the owner or anyone else.

5. Any stamp or item which is damaged, counterfeited, re-perforated, cleaned, repaired, a reprint, or in any other way of doubtful or questionable character, must be clearly so marked next thereto by the affixer upon submission for entry in the Department books. Any such stamp or item, in any way of doubtful or questionable character not so marked clearly by the affixer, so decided by the Board of Examiners or established by any other means, in its sole discretion, and without any lia-

bility or responsibility therefor to the owner or anyone else, shall automatically cause a charge of at least 25 cents for any and each such unmarked item and be removed from the book. In instance of gross or deliberate abuse or violation of this Regulation, or where it may be deemed requisite or equitable, the Sales Manager may, at his discretion, impose reasonable additional charges, or deny the services and privileges of the Department, or both. Such gross and deliberate abuse or violation may be considered as "Conduct unbecoming a Member."

6. A charge of 2 per cent as an insurance fee shall be made of the net value of the material entered at any one time. Monies so collected shall be deposited in the Insurance Fund from which Fund claims for loss or damage to material shall be paid. The Board of Governors shall have final jurisdiction in the payment and settlement of claims.

7. A charge of 8 per cent shall be deducted from all sales made through the Department. Monies so collected shall be deposited in the General Fund of the Department, and all costs of conducting the Department shall be paid from this Fund. Both the Insurance and the Commission charges shall be deducted whenever a payment shall be made to an owner.

8. Circuits must be forwarded to the next Member shown on the Route Sheet within five (5) days of receipt by the forwarding Member, to be forwarded by him by Registered Mail insured for Five Dollars (\$5.00). Strict observance and compliance with this Rule shall be enforced by the Sales Manager and any violation shall be subject to a penalty and charge of 25 cents per book in the Circuit for each day delayed in forwarding Circuits. The loss of any material not so forwarded by Registered Mail shall be entirely the responsibility and liability of the remitter.

9. The Member, upon receiving a Circuit, shall verify the number of books in the circuit, as evidenced on the Route Sheet, and that all spaces on each page of each book contain a stamp or other item, or a proper indication that the stamp or item of the space has been sold or is accounted for.

10. The buyer must sign his name in INK (or use a suitable rubber stamp) and indicate his Society Membership Number in all spaces from which he has removed and retained an item. Each so identified purchase shall be entered on the forms specifically provided for that purpose with each Circuit.

SALES MANAGER: JAMES C. LEHR, 2818 CHESHIRE RD., DEVON, WILMINGTON 3, DEL.

EXTRACT FROM THE RULES OF THE LIBRARY

1. This Department shall be maintained and shall function entirely for, and in the interests of, the membership of the British North America Philatelic Society. Any member of the Society in good standing may borrow material from the Library. Any member may be denied that privilege for infraction of any of the rules of the Library.

2. The Librarian shall receive and acknowledge all contributions to the Library. He shall cause to be published in BNA TOPICS reports of all activities of the Library.

3. A Member, on written application to the Librarian, accompanied by all charges, may have sent not more than two (2) volumes and shall not retain such borrowed material for more than thirty (30) days, at which time, or sooner, same borrowed material must be returned in good condition, fully insured and all charges prepaid. The Member so borrowing material from the Library shall be responsible and liable to the full value of the material until same shall have been acknowledged as received by the Librarian. A member shall make such adjustment or payment for any damage or loss to the material borrowed from the Library in such amounts as shall be determined and established by the Librarian.

4. There shall be a charge of twenty-five (25) cents per week or part thereof for each item borrowed from the Library and held in excess of thirty (30) days. A rental of twenty-five (25) cents or more per week may be charged for any special or rare book when so determined by the Librarian.

NOTE: It would be appreciated by the Librarian if members would include return postage when requesting books, as much of the Library's budget is used up by mailing costs.

Annual Meeting

Minutes of the 19th Annual Meeting and Convention of the British North America Philatelic Society held Saturday, October 7th, 1967 at the Alpine Inn, St. Marguerite Station, Quebec, Canada.

The meeting was officially opened and called to order by President Robert Woolley, at 10:35 a.m.

In view of the absence of the Secretary Jack Levine, L. J. La France was appointed to serve as Secretary for the meeting.

It was moved by the President and seconded by George Llewellyn that the meeting accept the minutes of the previous Annual Meeting as published in B.N.A. Topics. The motion was affirmed.

The President then read a telegram from the Canadian Philatelic Society of Great Britain signed by their President L. D. Carn expressing greetings and good wishes for our meeting and convention. It was noted at this point that Mr. Woolley had reciprocated wishing the C.P.S. of G.B. the same for their meeting.

PRESIDENT'S REPORT

It is a pleasure to be here with all of you friends of B.N.A.P.S. and to say welcome to all of you who have taken the time from your other activities to enjoy the companionship of kindred spirits at the Alpine Inn.

One of the real pleasures that I have personally enjoyed in a lifetime of collecting has been the fine and lasting friendships made through the hobby and I am sure that most of you who are here today have a similar reason for your attendance.

I must report that my first year in office has been free of any serious problems and I must say that this is entirely due to the dedicated service of our officers and other members acting on committees and doing duties to which they are appointed annually.

We will always have a problem of maintaining our membership. For the past ten years or so we have held around the 1,000 mark and this year are a little above. There is an annual loss through various causes which all members should help to replace by bringing in a new member. To those who have helped by the introduction of new members this year—many thanks. Clarence Westhaver with nine and Ed. Richardson with eight deserve special mention for their efforts.

As you all must realize "Topics" is to many members their only contact with the Society and for this reason is our most important activity. Our issues this Centennial Year have been outstanding and we are indebted to the writers who have contributed and to the excellent job done by John Young and the editorial board.

I should mention in connection with finances that the annual dues and advertising income from Topics do not cover our operating expenses. The additional income which allows us to show a surplus comes from our Sales Circuit and Handbook sales, so we should as far as possible support these activities.

Our most important event each year is our annual convention and the thanks of all members are particularly due to Margaret and Charlie De Volpi for their efforts in organizing this most enjoyable meeting at the Alpine Inn.

Again I express my personal thanks and the gratitude of all B.N.A.P.S. members to the officers who have given us another successful year for our Society.

I move the adoption of this report.

R. J. WOOLLEY, President

TREASURER'S REPORT INTERIM REPORT OF THE TREASURER

(January 1st thru August 31st, 1967)

Since James T. Culhane, the Treasurer was unable to attend the meeting his report was read by George Llewellyn, Chairman of the Board.

The Annual Report of the Treasurer for 1966 was published in the May Issue of Topics, so I will only give you a comparison between the actual and estimated results of last year's operation.

At Calgary last September, I estimated that we would show a deficit of about \$724.00. The actual surplus was \$482.00. The difference between the estimated and actual was caused by the continuing very profitable operations of the Sales Department, under Jim Lehr and the Handbooks, under Bob Woolley. Without this fine performance my estimated deficit would have been a reality.

I will now give you a summary of the financial operations of this Society for the first eight months of 1967.

As in the past years, this report does not include income or expenses connected with any of the following: The 1967 Yearbook, The Handbooks, The Sales Department or The Library. Records for these operations are either unavailable or incomplete at this time.

The total income through August was \$6,069.00 and the expenditures for the same period amounted to \$4,597.00, leaving a balance of \$1,472.00 for expenses for the balance of the year.

I estimate that the income for the balance of the year will be \$1,050.00, while expenses will amount to \$2,905.00. If these estimates prove to be accurate, our deficit for 1967 will be \$383.00. The estimated expenses have a built-in provision for our annual Yearbook deficit.

1967 is Canada's Centennial Year and your Editor and the officers of this Society are making every effort to issue a Yearbook that will be bigger and better to honor this occasion. How big and how much better depends on each and every one of us. Ed Whiting, our Advertising Manager has put forth a gigantic effort, contacting every one of us asking our support and I am asking you now to support us.

If you have not already taken an ad in the Centennial Yearbook, please give your ad to one of the officers. We will bill you for the costs if you so desire.

This report is respectfully submitted for your consideration, and I move its approval.

JAMES T. CULHANE, Treasurer

The motion for seconder was entertained by J. Sissons and the report as read was affirmed.

SECRETARY'S REPORT

Since the Secretary was unable to attend the report was read by L. J. La France.

TO THE OFFICERS AND MEMBERS OF THE BRITISH NORTH AMERICA PHILATELIC SOCIETY ASSEMBLED IN MEETING AT THE 19th ANNUAL CONVENTION:

I deeply and sincerely regret not being able to be with you at this 19th annual convention and meeting. To the acting secretary for this meeting, my sincere appreciation and thanks.

May I also take this opportunity to publicly and officially thank our Circulation Manager, Russ McNeil, for his fine cooperation with me to the performance of my job to keep our mailing list up-to-date

and accurate. It is a pleasure to work with him. My report shall be very factual without comment and opinion with this one exception in connection with maintaining an accurate mailing list. It would be so helpful and expedient if members would send notice of address change, correction or alteration to the Secretary especially or simultaneously instead of just to some other officer.

The total membership of BNAPS as of September 1, 1967 is 1,027 compared to 1,015 reported for last year; an increase of 12 in the total membership.

	1966	1967

The President's Certificate

Each year the "President's Certificate" is awarded to the member who proposed the most new members during the year. From January 1966 to December 1966, new members were enrolled in the numbers indicated: C. A. Westhaver (9); E. A. Richardson (8); A. W. McIntyre (8); R. J. Woolley (6); 4 each—J. N. Sissons, J. H. M. Young; 3 each—C. P. Arnold, J. M. Gareau; 2 each—H. E. Canham, A. H. Inasley, S. S. Kenyon; 1 each—J. M. Allen, J. Benningen, R. L. Burton, R. V. C. Carr, S. J. Cohen, D. Crane, D. A. Crawford, W. R. Curtis, L. A. Davenport, G. desRivieres, M. B. Dicketts, A. J. Eatock, H. Feuring, W. F. Haley, G. M. Hill, J. W. Millard, W. G. Moffatt, W. H. Mortonson, R. J. Nickle, C. Poole, H. Reiche, W. C. Rockett, G. F. Smalley, W. E. Topping, J. F. Webb.

From the previous indicated results, the winner of the "President's Certificate" for 1966 is:

CLARENCE A. WESTHAVER

The "Vincent G. Greene Award"

Each year a winner is voted to receive the "Vincent G. Greene Award"—a silver cup awarded to the author or authors of the best original article or series of articles, column or series of columns originally published in B.N.A. TOPICS. The elected officers and members of the Board of Gov-

ernors are canvassed by the Secretary for their three selections. Points are awarded on a 3 for 1st, 2 for 2nd and 1 for 3rd basis and the selection receiving the most points on this basis is so voted the winner. The above noted have been canvassed and the following point score noted:

Max Rosenthal—16; E. A. Smythies—8; A. Graham Fairbanks—8; Peter J. Hurst—4; 3 each—S. A. N. Brotide, Daniel Rosenblat; 2 each—Edward S. Mercantini, Stewart S. Kenyon; 1 each—R. V. C. Carr, R. J. Woolley.

From the above noted results of the voting, the winner of the "Vincent G. Greene Award" for 1966 is:

MAX ROSENTHAL

This concludes my report.

Respectfully submitted,

JACK LEVINE, Secretary

The motion to accept was made by L. J. La France and seconded by George Llewellyn. Before acceptance by the members present John Young stated that the donor of the V. G. Greene Award was not canvassed as to his vote as in the past. The report was however accepted as read.

REPORT OF THE CHAIRMAN OF THE BOARD

MEMBERS OF THE BRITISH NORTH AMERICA PHILATELIC SOCIETY:

Since our Eighteenth Annual Meeting in Calgary, Alberta, last September, the following matters have had the attention of the Board.

In November 1966, the Board was polled and appointed Lawrence M. Bell to fill the unexpired term 1965-1967 of Dr. R. V. C. Carr as of January 1, 1967, at which time Dr. Carr became Vice President of the Society.

On May 2, 1967, we received the Treasurer's Annual Report for the year ended December 31, 1966 accompanied by an unqualified opinion as to its correctness by James H. Degan, C.P.A.

In July 1967, as the result of an offer from Dr. Brian Holmes, whereby in return for the Society undertaking the next revision of the Holmes Specialized Catalogue, royalty income from its sale, estimated at from \$1,000 to \$2,000, would be turned over to us, the Board was polled and unanimously approved the acceptance of Dr. Holmes's offer. In doing so it was the Board's understanding that a committee under the chairmanship of R. J. Woolley would undertake

this work on a voluntary basis, that we were not undertaking publication, only editing, and that no financial problem would be involved.

In closing, I am pleased to report that during the period under review no problems requiring disciplinary action were referred to the Board.

Respectfully submitted,

GEORGE B. LLEWELLYN, Chairman
Board of Governors

I move that this report be accepted as read. The motion was seconded by Sam Nickle and so affirmed.

It was further noted at this time by the Chairman that Wilmer C. Rockett had been appointed to fill a vacancy on the Board created by the resignation of Dr. Day. A vacancy was also created by the death of Dr. E. C. Black but would remain vacant as the term expired this year.

Other action taken by the Board included approval of an ANNUAL AWARD for the best Newfoundland in exhibition to be given by Roslyn C. Meyerson in memory of Dan Meyerson. It was also decided that no Honorary Memberships would be given in B.N.A.P.S. Members, after being duly notified with regards non-payment of dues would have their name dropped from the mailing list after April 1st of each year. The Library Plates for inclusion in donated material were also approved. An exchange of Journals with sister societies is also to take place.

A motion to accept these actions was entertained by Dr. R. V. C. Carr, seconded by Al Cook and so affirmed.

REPORT OF THE PERMANENT CONVENTION COMMITTEE

In the absence of Ray Peters no report was made at this time. Ed Richardson, Host of the '68 Convention, made a few remarks about the coming meeting at the LAKEWAY on Lake Travis which is about 75 miles north of San Antonio, Texas.

The Convention is scheduled for the second weekend in October when the weather should be ideal. As the year passes literature and various mailings regarding attractions, etc., will be mailed to the membership. Ed also suggested that since this would be the 25th Anniversary of B.N.A.P.S. that the Exhibition be by invitation only and that no awards would be given. This would provide the opportunity to present as complete as possible the many facets of B.N.A. collecting.

At this point the question of invitations for future meetings was raised from the floor. Gerry Welburn was commissioned to see if it would be possible to hold the '69 meeting in Vancouver or on the Island. John Young also suggested that Toronto would be available for '69. Bert Llewellyn was in favor of British Columbia first and then Toronto. Horace Harrison then placed an invitation to Annapolis, Md. for 1970. It was also suggested that Fred Jarrett look into the possibility of Halifax. Depending on the situation in B.C. for '69 would also have a bearing on the '71 meeting. This would then be considered for either B.C. or Toronto. At this point it was determined that the information should be forwarded to Ray Peters for consideration and action.

REPORT OF THE MEMBERSHIP COMMITTEE

Ed Richardson gave an informal report on membership activity. He was disturbed at the fact that the number deceased during the past year exceeded the total addition to the rolls. He called for attention to gaining new members and particularly that these should be in younger age brackets so as to continue the high standards of B.N.A.P.S.

It was pointed out that many members of sister societies should also be members of B.N.A.P.S. These facts coupled with the numerical breakdown included in the Secretary's Report should activate each member to get a new member.

The motion to accept was made by Bob Woolley, seconded by Leo La France and so affirmed.

REPORT OF THE EDITOR

During the calendar year 1966 B.N.A. Topics was issued ten times and a Yearbook was published during the month of November. The quality of articles continued at a high standard and credit is given to E. A. Smythies and Max Rosenthal for their research conscience efforts. The Centennial Year, herewith, spawned a wonderful outpouring of Centennial articles for which the editor is thankful. Once again the file of back articles is depleted and if we are to maintain the high standard of 1966 (and 1967) we must appeal to you the members for support.

We were glad to see Sketches of BNAPSers renewed by Dr. R. V. C. Carr which had been so ably carried on by Vincent G. Greene. The Editor received excellent co-operation from our columnists and

our printers. The engraver was switched to avoid delays.

The Editor would like to see the magazine page increased in size by approximately 25% if the cost is not too great. This would enable us to show photos slightly larger than those presently being shown. Increased revenue by larger advertisements would help sustain the increase in size of page.

Credit should also be given to our marvelous Circulation Editor, Russ McNeil, who has performed a job with such perfection that we have no complaints.

I ask that the members accept this report as so read,

JOHN H. M. YOUNG,
F.R.P.S.L. Editor

At this point John also suggested that an increase for advertising space on the inside of both front and back covers as well as the back cover be increased. He pointed out that other Journals charged considerably more for this space than did Topics.

After brief discussion from the floor a motion to do this was made by A. F. Kenyon, seconded by Jim Sissons and so affirmed.

REPORT OF THE NOMINATING COMMITTEE

Ed Richardson, Chairman of the Nominating Committee reported that the members of this committee including Stuart Johnstone, B.C.; Benj. S. Jacobson, California; Ray Peters, Arizona; Leo La France, New York; and Jack Benningen, Alberta; had submitted a unanimous slate for the Board of Governors.

Those nominated were as follows:

Lawrence M. Bell, St. John, N.B.

Sam C. Nickle, Calgary, Alberta

Robert H. Pratt, Milwaukee, Wisconsin

This being the case the Secretary Jack Levine was authorized to cast one ballot and the above mentioned were elected to the Board of Governors.

The motion to accept was made by Bob Woolley, seconded by V. G. Greene and the new Board members were acclaimed by the members present.

REPORT OF THE CHAIRMAN OF THE EDITORIAL BOARD

There were no serious problems arising from articles in Topics during the last year. I think we will all agree that John Young has done an excellent job in maintaining the high standard of the magazine and obtaining interesting articles.

Respectfully submitted, V. G. Greene and I move that this report be accepted.

The motion was seconded by M. B. Dicketts and so affirmed.

REPORT OF THE ADVERTISING MANAGER

Since Ed Whiting was unable to attend, this report was read by L. J. La France, acting Secretary; who motioned that it be accepted as read. The motion was seconded by Bert Llewellyn and so affirmed.

September 20, 1967

To: 1967 Annual Convention of the British North America Philatelic Society at the Alpine Inn, Ste. Marguerite, Quebec, Canada.

I recently completed a "crash program" solicitation to our membership for advertising in this year's Yearbook issue of TOPICS which is, I am told, to be something special. I must say that I am quite disappointed in the results. So far, I do not even have ten percent replies. I had hoped our people would not consider this matter just a routine solicitation. Those who take a more serious interest in the Society's activities are, of course, those who have responded.

Now for the "rosy" side. The above effort has brought in sufficient new advertisers to cover its cost and I am somewhat gratified by the amount of advertising I now have to be forwarded to the Editor. I append hereto a list of yearbook advertising received to date.

I hope that this list will assist in efforts to secure additional ads from the conventioners. It is my hope that at least a one-inch ad will be secured from each and every member in attendance.

As I have previously mentioned to the convened Society, I do not propose that the production of a "Yearbook" issue of TOPICS which is essentially handled as a separate publication even though in the same sequence is a good idea. With this feeling and the result of the recent campaign I will try to work out a suitable alternative program and present it to the 1968 Convention.

As for the regular issues of TOPICS, the advertising continues at approximately the same level or slightly increased. The control exercised over income seems to be rewarding as I understand what the Treasurer keeps telling me. During the past year several new accounts have been acquired, and were it not for a severe lack of time

on my part, there might be more. I wish to thank the Editor here for his efforts in this regard, and also for the very fine cooperation he has given me over the past several years. As for the ads, we seem to be gaining ground slowly. I hope this will continue.

As for future rates, I feel no increase is in order unless our costs are or become considerably beyond our revenue and I leave that problem in the lap of the Treasurer who is in possession of all the facts.

My plea now is for those of you who have not already done so, to write your request for space in the 1967 Yearbook and send it to me with your copy before another day goes by. I attach herewith sufficient space reservation slips.

EDWARD J. WHITING, No. 61,
Advertising Manager.

REPORT OF THE LIBRARIAN

This report was read by L. J. La France who motioned that it be accepted. The motion was seconded by George Wegg and then affirmed.

I regret that I am unable to be with you to present this report in person but I find that it is impossible for me to make the trip at this time. It is my sincere hope that I will be able to attend the 1968 Convention.

Continued progress has been made in the listing and indexing of the many books and articles that we have in the Library. At this time we have in excess of 700 cards in our file and it is expected to add many hundreds more. Arrangements are being made to commence publishing a completely revised Library List in "Topics" around the end of the year. We are attempting to arrange the list by subject which is anticipated will be more convenient for Members. A long range plan is to have the entire list provided to members in a separate booklet for ready reference. This will, of course, depend upon the finances that are available and the interest that is indicated.

Use of the Library facilities has increased during the past year and I hope that this is at least partially due to the additional information that is being published in the Library page each month.

Donations of material have been quite extensive during the past year and we have been able to fill several spaces on our shelves. Purchases have included a complete run of "Canadian Almanacs" from 1851 to 1895. Several of these volumes re-

quired re-binding and I can report that this has now been done. Donations of cash would be appreciated since the Library is always in need of funds for the purchase of new items and the repair and binding of others.

We are still not very well set up in the matter of providing photostatic copies of articles at a reasonable rate but this is being investigated and it is felt that this service can be added very shortly.

One or two other ideas are being formulated for the improvement of the Library and it is hoped that service to Members will continue to improve.

Before ending this report, I would like to pay tribute to our former Librarian, Dr. E. C. Black who passed away last Spring. Up until the time of his death he continued to show a great deal of interest in the Library and was a great help to me in the initial stages of taking over the task of Librarian.

I would also like to acknowledge the assistance that I have received from two other members of this Society. Mr. R. S. TraQuair of Pointe Claire, Quebec, has been arranging for book-binding at a considerable saving over what I could arrange. Mr. R. L. Stone, of Edmonton has kindly assisted me in obtaining photographic copies of articles when required.

I am pleased with the interest that has been shown in the operation of the Library and I trust that those who have utilised the facilities were satisfied with the service provided.

Respectfully submitted,

STEWART S. KENYON, Librarian.

At this point it was also noted that the Librarian had suggested and submitted Book Plate designs for use in donated material to the Library. There were two different designs, one which could identify the donor of any book and the other would designate donors of cash to cover costs of bindings and the material that was so bound would carry a record in the book. It is noted in previous minutes that the Board of Governors had approved of this suggestion.

REPORT OF THE CHAIRMAN OF THE LIBRARY BOARD

The Society is lucky in having Stewart Kenyon as librarian. He has done a wonderful job during the last year and our library is now one of the best in existence with B.N.A. Material.

I recommend the proposed book plate as suggested by Mr. Kenyon.

V. G. Greene, R.D.P.

I further move that this report be accepted as read. The motion was seconded by Bob Carr and so affirmed.

REPORT OF THE SALES MANAGER

The year to date is very close to the results of last year, with sales of \$4,586.76 through Sept. 9th. We have received 125 new books into the circuits, with 33 of these already retired. However, we have retired a total of 188 books for a net loss of 63 in the total number of books in the circuits this year as compared to last year. Thus the need for new books for the sales circuit is very great. I hope every member will consider entering his surplus material and/or work on other members you know who could submit material.

Assuming we get sufficient new books for the sales circuit, we could at least equal 1966 sales of \$6,157 giving commission earnings of \$500 for 1967. Since insurance charges are almost equal now to that for all 1966, we should earn \$350 from this source. The higher balance in our Savings Account, together with the higher interest rate, will yield \$233 income from this source. With \$30 from blank current book sales, this gives an estimated income of about \$1,100. Estimated expenses of \$80 for postage, \$35 for printing stationery and \$250 for our 1968-1970 insurance indicate an estimated profit of \$700-\$750 for the year 1967. These profits go a long way towards keeping our dues at their present low level. We cannot hope to maintain this level of current sales, however, without opening new sources of material for sales—that is more books for the sales circuits.

Respectfully submitted, Jim Lehr, Sales Manager, and I move acceptance of this report. The motion was seconded by V. G. Greene and so affirmed.

REPORT OF THE BOARD OF EXAMINERS

Jim Sissons reported that no items had been referred to the Board.

The motion to accept was made by Bob Woolley, seconded by Leo LaFrance and so affirmed.

REPORT OF THE HANDBOOK COMMITTEE

I take pleasure in submitting the annual report of this committee.

During the year our handbook sales manager has mailed out a total of 800

handbooks, 642 at wholesale and 158 at retail prices. This compares with last year's distribution of 485 at wholesale and 169 at retail for a total of 654. The increase this year is due entirely to new titles being added to the list. Any new book we distribute generally has good sales in the first year, slowing down in the following years.

The treasurer's report for last year showed a profit from operations of \$300 to the funds of the Society and this figure should show an increase this year.

A breakdown of sales by title for the current year is:

Squared Circle—3rd Ed.

	Wh'sale	Ret'l	On hand
hard cover	—	5	15
paper	39	5	474
Small Queen varieties ..	46	10	308
Perfins	156	31	813
Fancy cancels	25	3	—
Postal Stationery	6	6	179
Transportation P.M. (RPSC)	16	8	10
Duplex cancels (CPS of GB)	27	7	4
Map stamp	1	2	—
Registered letter (CPS of GB)	16	7	10
Revenue cat. (Sissons) ..	20	4	18
Precancel cat. (Noble) ..	28	6	4
Admiral stamps (Reiche)	36	6	8
O.H.M.S. (Wrigley)	4	4	13
P.O. Guide—reprint 1863	87	33	30
First Decimal issue (RPSL)	82	9	9
Roller Cancels (CPS of GB)	53	12	35

During the past year the Canada Map stamp handbook has gone out of print and no longer available. This is true also of the Noble Precancel catalogue which we understand is being revised and a new edition should be ready early in 1968.

Since our last report we have added the Post Office Guide—1863—reprint. The First Decimal Issue of Canada by Geoffrey Whitworth and published by the RPSL and Canadian Roller Cancellations (Cancellations) 1894-1930 by E. A. Smythies and printed for CPS of GB.

By November we anticipate adding a further title "History of the Canadian Railway Post Office" 1854-1967 by L. F. Gilham, FCPS and printed privately by the author.

This report covers the activities of the handbook committee, financial results will be available in the treasurer's annual report.

I move the adoption of this report.

ED. A. RICHARDSON, Chairman
Handbook Committee

The motion was seconded by Sam Nickle and so affirmed.

As addendum to this report Ed also stated that the Handbook of Flag Cancellation and a new Revenue Book should be forthcoming in the near future. It was also announced at this time that Bob Pratt was chairman of a committee to produce a Newfoundland Book based on Dan Meyer-son's "Trail of the Caribou" which had appeared in Topics, as a Memorial to Dan's previous contributions to the field of B.N.A. Philately.

Horace Harrison suggested at this time that all future publications of B.N.A.P.S. contain an application blank for membership in the society. This suggestion was met with the approval of the members assembled at the meeting.

REPORT OF THE STUDY GROUP COMMITTEE

Ed Richardson announced that Clarence Westhaver was assuming the chairmanship of the group and that Clarence would have more plans to announce in the near future.

During the meeting at Alpine, the Revenue group, the Patriotics group, and a group interested in Military Mail all held sessions. Ed also gave his talk along with display of material on Phantom Philately. This was much enjoyed by all who attended.

REPORT OF THE CIRCULATION EDITOR

Since my appointment in May 1966, this office has endeavored to furnish various Federal and Provincial Government Agencies, Governmental, University and Public Libraries innumerable quantities of back issues of Topics, from the earliest issued to the latest edition, either gratis or by commercial subscription, besides the many requests from our Membership for extra, duplicate, replacement of defective through printing or copies lost in transit, as well as on a reciprocal exchange basis with a well known British organization.

To provide replenishment and continuity of duplicate copies, we need the assistance of each and every member to forward their excess stock or unwanted booklets, regard-

less of quantity, charges collect, to the attention of your:

CIRCULATION EDITOR

C. Russell McNeil

Concord Apartments, Suite 3-C

187 Park St. South

Hamilton, Ont., Canada, Zone A-2

I recommend the adoption of this report.

C. RUSSELL McNEIL

NEW BUSINESS

Since there was no more old business to come before the floor, Bob Woolley the President opened the floor for any new business.

The Vice President, Dr. R. V. C. Carr, stated that an obituary column for William J. Hassan would appear in the coming issue of Topics.

Ed Richardson reported that A. L. McCready who had been dropped for non-payment of dues was actually deceased and that a correction with apologies should appear in Topics. This was agreed to by the membership present.

John Siverts noted that a report of the Royal Philatelic Society of Canada's recent Convention would also appear in Topics.

At this point Bob Carr motioned that a vote of thanks be given to our Hosts at Alpine, Charles and Margaret DeVolpi. This was seconded by Fred Jarrett and so approved.

There being no further business to come before the group a motion to adjourn was entertained by Bill Rockett, seconded by Jim Sissons and so moved. The meeting adjourned at 12:35 p.m.

ARTHUR L. McCREADY

Arthur L. McCready, BNAPS No. 1395, died in a Cobden, Ont. nursing home, August 24, 1967. He was 75 years of age, and had been in failing health for six years.

McCready was best known to BNAPSers as the Editor and Publisher of "POPULAR STAMPS", a very highly regarded monthly which he issued from 1941 until he retired in 1958. However he also published such well known standard handbooks as "Canadian Philatelic Literature", "Canadian Flag Cancellations" (which ran to two editions), and "Canadian Paper Money"—all of which have long been out of print.

In 1928 Mr. McCready purchased "The Cobden Sun". This newspaper is still being issued from the same shop in Cobden, published by his son Howard, and a granddaughter. Before moving to Cobden he was in the newspaper business in the Cobalt district where the silver rush was still in progress. He also wrote numerous magazine articles and short stories.

A widower since 1960 Mr. McCready was survived by two sons, one daughter, nine grandchildren, and two great-grandchildren.

"Mac" as he was affectionately known by his friends, was a former councillor at Cobden. He took a leading part in the organization of the Cobden Horticultural Society, and was a member of the Grace United Church of Cobden. Aside from horticulture, McCready's hobbies were Canadian Bank Notes of the Chartered Banks of Canada, Canadian Pottery, cast iron toys, 19th century Penny Banks, and of course—stamp collecting—a hobby in which he became a recognized authority, and whereby he became well known to thousands of philatelists, through Canada and the U.S.

"A. L. McCready" was the subject of "Sketches of BNAPSers—No. 90" by V. G. Greene, in the May 1962 issue of B.N.A. TOPICS. To the present day, "Popular Stamps" outlasted all other Canadian independent philatelic publications, and ran to 204 issues. A complete set of this publication is a very valuable reference. Mr. McCready succeeded in putting together a most worthwhile publication. He indulged in no pretense, and was one of the most completely honest men I have ever known. He attracted most of the leading Canadian philatelic authorities and writers to his pages.

We offer our sympathy to McCready's large family. To his even larger family of philatelic friends, his passing leaves a great vacuum—and the most lasting memorial to this wonderful man will be the bound volumes of his philatelic publications in libraries through the world.

—Ed. Richardson

NOTES ON POSTAGE RATES 1897 TO 1951 - A REVISION

F. W. L. Keane (No. 565)

This article is a revision of one with a similar title, which I contributed to B.N.A. TOPICS in April, 1954. In the original article there were certain unavoidable omissions in the information presented, particularly in regard to dates, and in the years which have since elapsed I have been trying to fill these gaps with data obtained from many sources. In these endeavours I have received most kind and efficient help from a number of philatelists, and I particularly wish to acknowledge with gratitude the assistance of Messrs. Don Amos, Charles M. Chandler, Michael B. Dicketts, Cyril F. dos Passos, Horace W. Harrison, Mervyn V. Quarles, Hans Reiche, Daniel G. Rosenblat and Lester E. Small.

Mr. E. Harvey, of the Information Division, Canada Post Office, Ottawa, has also been most co-operative in replying to the many questions which I have referred to him at various times, and in fact this revision would have been quite impossible without his ready help.

The collecting of Canadian covers of the twentieth century is becoming popular among philatelists. They find them to have as much interest as the early covers of this country, as well as being much lower in price and more readily available in acceptable condition. I hope that these notes may be of some help to those who may wish to determine the rate of postage which was applied to any particular cover, and why certain stamps were used at that time to pay that specific rate. I shall try to set out briefly the principal rates of postage, from the Maple Leaves issue of 1897-98 to the Postal Centenary issue of 1951. Mention will be made of the changes of denomination and colour which have taken place during that period, and an effort will be made to explain, so far as possible, the reasons for these changes. No one can undertake such a study without relying heavily on the standard reference works of Howe, Jarrett, Holmes and Boggs, and readers who may desire greater detail regarding some of the postal rates are referred to these authorities.

The U.P.U. Colour Scheme

In order to understand many of the colour changes in Canadian stamps, it is necessary to bear in mind the colour scheme which was recommended by the 1897 Convention of the Universal Postal Union. This scheme specified that the stamps of all member countries should adhere to the following basic colours:

For the International Printed Matter Rate—GREEN:

For the International Postcard Rate—RED:

For the International Letter Rate—BLUE.

It should be particularly noted that the scheme did not attempt to regulate the colour of stamps used for the domestic mail of any country. However, purely as a matter of convenience, many countries adopted RED as the colour for their domestic single letter rate. In Canada, some attempt was made to maintain both the U.P.U. colour scheme, and the red colour for the domestic letter rate, over a period of fifty years. There were, however, several lapses from these rules, as will be noted under the various issues.

Local or "Drop" Letters

Throughout these notes frequent mention will be made of the reduced rates which have applied at various times to local or "drop" letters. Such letters are officially described as those which are posted for local delivery at the office of mailing. Letters which pass between two post offices, even though these are located in close proximity, are not classed as local. Moreover, during the period covered by these notes, letters mailed on or addressed to rural delivery routes were not classified as local letters, but were charged the regular domestic rate of postage.

The Maple Leaves Issue

This issue, which appeared from 9 November, 1897, to 15 January, 1898, consisted of eight values, which were intended primarily to serve the following purposes:

½c—for the domestic rate on transient newspapers, (i.e. those not mailed by the

publishers), not exceeding one ounce in weight. The single use of this denomination, on original wrapper, is scarce, by far the greater number being found used as multiples.

1c—for domestic postcards: for postcards to Newfoundland and to U.S.A.: for drop letters where there was no city delivery service: for domestic printed matter, up to four ounces, (amended in 1903 to two ounces): for international printed matter up to two ounces: for transient newspapers, up to four ounces: for certain classes of samples. This denomination was coloured green, in order to conform to the U.P.U. colour scheme.

2c—for drop letters, up to one ounce, in cities with delivery service: for postcards to U.P.U. countries, British and foreign, other than Newfoundland and U.S.A. It should be noted that the purple colour of the stamp did not conform to the U.P.U. specification for the latter purpose.

3c—for the single letter rate, up to one ounce, throughout Canada and to Newfoundland and U.S.A.

5c—for the single letter rate, up to half ounce, to all U.P.U. countries, British and foreign, except Newfoundland and U.S.A.

8c—for the single letter rate, plus registration fee, throughout Canada and to Newfoundland and U.S.A.

10c—for parcel post: for the double letter rate, (up to one ounce) to U.P.U. countries other than Newfoundland and U.S.A.: for the single letter rate, plus registration fee, to the same U.P.U. countries.

Because of the carry-over of 15c, 20c and 50c stamps from earlier issues, higher values than 10c were not included in the Maple Leaves series.

The Numerals Issue

The original Numerals issue of 1898-99 consisted of the same eight denominations as had been used for the Maple Leaves issue, and there was no change in colours or in usage. The change in design was rendered necessary in order to conform to a U.P.U. request that stamps used on international mail should show the denomination in figures. Furthermore, there had been complaints from French-Canadians that they were unable to read the denominations of the Maple Leaves stamps.

Imperial Penny Postage

On 25 December, 1898, the single letter rate, (up to half ounce), between many countries of the British Empire, was re-

duced from 5c to 2c, (one penny), and on 7 December, 1898, the Canadian "Map" stamp was issued in anticipation of the change. On 1 January, 1899, the domestic Canadian single letter rate and the single letter rate to U.S.A., (both up to one ounce), were reduced from 3c to 2c. It is interesting to note that for a week it had been cheaper to send a half-ounce letter from Montreal to Ceylon than from Montreal to Toronto!

These changes necessitated the issue of a 2c stamp in red, since this colour had come to be recognized as appropriate to the domestic single letter rate, as well as being the colour usually associated with the British Empire. The change also provided a stamp of the correct colour for the U.P.U. postcard rate. The two surcharged stamps of July and August, 1899, first appeared, and these were quickly followed by the definitive 2c "Numeral" in red, which was issued on 20 August, 1899.

On 29 December, 1900, a 20c denomination was added to the Numerals series, principally for parcel post purposes, including the one pound rate to a number of Empire countries. On 23 December, 1902, the 7c value appeared, to provide for the 2c letter rate plus the 5c registration fee.

Special Delivery

On 1 July, 1898, Special Delivery service was established in certain cities for first class mail, including drop letters, and the first Special Delivery stamp, value 10c, was issued on 28 June. Special Delivery stamps were not valid for other purposes, but ordinary postage stamps have always been valid in payment of the domestic Special Delivery fee. On Special Delivery letters from Canada to U.S.A. it would seem that, technically, it was necessary to use a United States Special Delivery stamp, rather than a Canadian issue, but this regulation was not always complied with, and covers can be found on which a Canadian Special Delivery stamp has been used, and has apparently been accepted without comment. It was not until 1 January, 1923, that the use of Canadian Special Delivery stamps to the U.S.A. was officially authorized.

King Edward VII Issue

The series from 1c to 10c was issued on 1 July, 1903, and the 20c was added on 27 September, 1904. The colours were similar to the corresponding values of the amended Numeral issue, and the denominations were intended for similar purposes.

The 3c, 6c and 8c values were not included in the Edwardian series, as their main usefulness had ceased with the rate reductions of 1898-99. The ½c was also omitted, presumably because sufficient stocks of the ½c "Numeral" remained to cover the very limited demand for this value. On 19 November, 1908, a 50c denomination was added, mainly for parcel post purposes and for heavy or valuable registered mail.

Further Rate Changes

From 8 August, 1908, the rate of 1c per ounce covered all drop letters, including those served by city delivery. On 19 May, 1909, the ½c rate for single transient newspapers up to one ounce was abolished, but the rate of 1c per four ounces or fraction thereof remained in effect. This rendered superfluous the ½c stamp, the Quebec issue of 16 July, 1908, being the last occasion on which this denomination appeared. Newspapers mailed in bulk were carried at a rate of ¼c per pound, up to 300 miles, (1903), and five years later this rate was extended to cover delivery anywhere in Canada. On 1 July, 1905, Mexico was added to the list of countries covered by the 2c single letter rate. On October 1, 1907, the limit of weight for the 2c letter rate to British Empire countries was increased from half ounce to one ounce. On the same date a similar alteration was made in the limit of weight for single letters to foreign U.P.U. countries, (other than U.S.A. and Mexico), so that the 5c rate covered letters up to one ounce, instead of half ounce. The rate for each additional ounce was 3c. From 1910 onwards the parcel post rate to the United Kingdom and certain other Empire countries was reduced from 20c to 12c per pound.

Postage Due Stamps

The use of Postage Due stamps began on 1 July, 1906, and 1c, 2c and 5c stamps for the purpose were issued on that date. These three denominations sufficed for twenty-two years.

The Quebec Tercentenary Issue

This series had no special relation to postal rates. It included a 15c denomination, which had not appeared in the three preceding issues, and was not to be included in subsequent issues until 1951. The only normal use for a single specimen of the 15c Quebec on first class mail would have been on a registered letter between four and five ounces in weight. Such covers must be quite scarce, and I have not seen one.

The First "Admirals"

The first issue of King George V appeared on various dates in January, 1912, and consisted of the same seven denominations as the Edwardian series. The colours remained similar, except that the 50c was changed from purple to black. In April, 1914, domestic parcel post rates were amended. The new schedule of rates was quite lengthy, and varied up to a maximum of 12c per pound, according to the distance travelled and the number of provincial boundaries crossed. Apparently the existing stamp denominations were considered adequate to provide for the amended rates.

Wartime Changes

So far the history of Canadian postage rates since 1897 had been one of consistent reductions, in keeping with the policy of encouraging wider use of the mails for all purposes, with consequent reduction in unit costs. However, the outbreak of war in 1914 put a stop to this tendency and led to far-reaching changes in the opposite direction. On 15 April, 1915, a war tax of 1c on each first class letter, on which the ordinary postage rate did not exceed 2c per ounce, became effective. This covered all domestic and Empire letters, as well as letters to U.S.A. and Mexico. The tax of 1c each applied also to domestic postcards and those to U.S.A. and Mexico, but not to British Empire and foreign U.P.U. postcards, which remained at the 2c rate. On 25 March, 1915, a 1c green war tax stamp had been issued, in anticipation of the application of the tax. The 2c red war tax stamp, which appeared on the same date, was primarily intended to pay the tax on money orders and cheques, but on 16 April, 1915, both the 1c and 2c war tax stamps were made interchangeable with the ordinary postage stamps of those denominations, for postal and war tax purposes. On 1 January, 1916, a combined postage and war tax stamp, value 2c plus 1c and printed in red, was issued. This colour naturally resulted in confusion with the ordinary 2c red postage stamp, which was in general use for postcards and for drop letters. There may also have been confusion with the 2c red war tax stamp, which was still being used on money orders and cheques, although for cheques it had largely been superseded by the regular 2c revenue stamp issued on 15 April, 1915. The confusion was obviated by a change in colour of the 2c plus 1c stamp from red to brown on 29 August, 1916. On 15 September, 1917, the brown

3c Confederation stamp appeared, prepaying the single letter rate of 2c postage plus 1c war tax. This marked the end of the policy of showing the amount of war tax separately on the stamp, and on 6 August, 1918, an ordinary 3c brown stamp was issued.

Soldiers' Letters

During World War I, letters from members of the Canadian Forces on service overseas were normally carried free of postage. It appears that this applied to personnel in England as well as in France, provided the letters were handed in to the unit orderly room for transmission. During the period 8 October, 1914, to 28 July, 1917, covers of such letters will normally be found to carry Canadian postage stamps. These stamps were affixed by the Canadian Post Office, at exchange offices in Canada, in order to ensure that the addressees of the letter should not inadvertently be charged postage due. Further details on this matter may be found in B.N.A. TOPICS, February 1959, page 42.

The Later "Admirals"

On 1 October, 1921, four important rate changes came into effect:

- (a) The single letter rate to foreign countries of the U.P.U., (except U.S.A. and Mexico), was raised from 5c to 10c for the first ounce, and from 3c to 5c for each additional ounce. This resulted in the colour of the 10c denomination being changed to blue, and that of the 5c from blue to violet, both changes occurring in February, 1922.
- (b) There was also a change in the British Empire letter rate, which was increased to 4c for the first ounce and 3c for each additional ounce. This resulted in the issue of a 4c bistre stamp on 3 July, 1922. Since the current 7c stamp was also bistre, and since this latter value now prepaid the two-ounce Empire rate, the risk of confusion between the 4c and 7c was obvious, and the colour of the 7c was changed to red-brown on 12 December, 1924.
- (c) The rate for printed matter, up to two ounces, to Empire and foreign U.P.U. countries, was increased from 1c to 2c. In order to conform to U.P.U. requirements, the colour of the 2c stamp was changed from red to green, and that of the 1c from green to yellow. These colour changes occurred, respectively, on 6 and 7 June, 1922.

- (d) The postcard rate to foreign countries of the U.P.U., (except U.S.A. and Mexico), was increased from 2c to 6c, and consequently the 2c red stamp was no longer required for this purpose. No 6c adhesive stamp was issued, but a stamped postcard appeared in September, 1922, surcharged from 2c to 6c.

Another important change of colour took place when the 3c stamp was issued in red instead of brown, on 18 December, 1923. This was in contravention of the U.P.U. specifications, since the international postcard rate was then 6c, but presumably was done to conform to the unwritten rule, (ignored since 1916), that the stamp for the single domestic letter rate should be red.

On 22 July, 1923, a \$1.00 stamp was issued, principally for heavy registered letter usage, as well as for parcel post. Valuable mail sent by the chartered banks often was insured for large amounts, and this denomination was used, frequently in large blocks, to pay these fees. The \$1.00 stamp was also widely used by postmasters for the prepayment of bulk mailing charges on circulars, etc., to be delivered unaddressed to each householder. The stamps so used were affixed to slips of paper, cancelled and kept on file at the local post office. It seems possible that, towards the end of the Admiral period in 1928, the \$1.00 stamp may have been printed in excess of immediate requirements, and the surplus may have been distributed to post offices in 1929-30, in preference to the newly issued \$1.00 "Parliament". This would account for the relative abundance of the \$1.00 Admiral, in used condition, even after the lapse of nearly forty years.

Registration and Special Delivery Changes

On 15 July, 1920, the registration fee was raised from 5c to 10c. When the Confederation and Historical issues appeared in 1927, each included a 12c value to provide for the then current postage rate, plus the registration fee, on single domestic letters and on those to U.S.A. It is interesting to note that, ever since the war tax came into effect on 15 April, 1915, it had been necessary to use two or more stamps to prepay the postage and registration on a single-weight letter. On 1 September, 1921, the Special Delivery rate was increased from 10c to 20c, but a Special Delivery stamp of the latter value did not appear until 21 August, 1922. During this interval, it was necessary to use two Special Delivery

stamps, or to use regular postage stamps in payment of the Special Delivery fee. The former usage is rather scarce.

Rate Reductions

Beginning in 1925, there was a tendency to reverse the upward movement of postal rates, which had commenced ten years earlier. In September, 1925, the postcard rate to foreign U.P.U. countries was reduced from 6c to 4c, but no corresponding change was made in the stamps or in the printed postcards. On 1 October, 1925, the single letter rate to foreign U.P.U. countries was reduced from 10c to 8c for the first ounce, additional ounces being reduced to 4c. An 8c stamp, in blue, was issued on 1 September, 1925, in anticipation of the change. The 10c stamp had already been altered from blue to light brown, on 1 August, 1925, to avoid confusion with the 8c.

Partial Abolition of the War Tax

On 1 July, 1926, the 1c war tax on certain items was abolished. The rate for single domestic letters and for those to U.S.A. and Mexico reverted to 2c. The Empire single letter rate was reduced from 4c to 3c. There was no reduction in the drop letter rate, in the domestic postcard rate or in the postcard rate to U.S.A. and Mexico, all of which remained at 2c. The Empire and foreign U.P.U. postcard rate, and the foreign U.P.U. letter rate, were of course unaffected, since these had not borne the 1c war tax.

As a result of the reductions, the 3c red stamp was surcharged 2c, as an experiment intended to use up the large surplus of 3c stamps. The experiment was unsuccessful and the 2c green stamp became the ordinary denomination used on domestic letters. The use of the 7c red-brown for double-weight Empire letters came to an end after only about eighteen months. Covers thus used are rarely encountered, and it appears that the surplus supply of this stamp was used up for parcel post and other purposes.

The "Scroll" Issue of 1928-29

This issue continued, for all denominations up to the 8c inclusive, the final colours of the Admiral series. Usages for the most part remained the same, the more important being:

1c orange—for the domestic printed matter rate, up to two ounces.

2c green—for the domestic single letter rate and the single letter rate to U.S.A. and Mexico, all up to one ounce: for the drop

letter rate, up to one ounce: for the domestic and Empire postcard rate: for the postcard rate to U.S.A. and Mexico: for the Empire and foreign U.P.U. printed matter rate, up to two ounces.

3c red—for the single letter rate to the United Kingdom and other Empire countries: for double-weight drop letters.

4c bistre—for the U.P.U. postcard rate: for double-weight domestic letters and those to U.S.A. and Mexico.

5c violet—mainly for parcel post use.

8c blue—for the U.P.U. single letter rate, up to one ounce.

The 10c, 20c, 50c and \$1.00 stamps were principally used for parcel post and for heavy registered mail. The 12c denomination covered the combined postage and registration rate on single domestic letters and those to U.S.A., and was also available for double-weight letters to foreign U.P.U. countries.

Another Christmas Rate Reduction

On 25 December, 1928, the single letter rate to all countries of the British Empire was reduced from 3c to 2c. This restoration of "Penny Postage" was signaled by a scarce cachet which was recorded by Rev. John S. Bain in B.N.A. TOPICS of July-August, 1956. Incidentally, this reduction accounts for the comparative scarcity of the 3c of the Scroll issue, which was only in use for its principal intended purpose for a period of thirteen days.

Air Mail

On 21 September, 1928, the first Canadian air mail stamp appeared, value 5c. This and all subsequent air mail stamps have been available for one ounce domestic air mail letters, and could be used, if desired, as ordinary postage stamps, although the latter use has never been encouraged by the Post Office Department. The air mail rate, (5c for the first ounce and 10c for each additional ounce), actually had been effective from 24 August, 1928, on pioneer official flights within Canada, and later to the U.S.A.

The "Arch" Issue

When the Arch and pictorial issue of 1930 first appeared, most of the denominations and colours were similar to the superseded Scroll issue, and were intended for the same purpose. The 3c denomination, however, was not included in the new issue, as the demand for this value had been very

limited since the reduction of the Empire letter rate to 2c in 1928. The British American Bank Note Co., which had taken over the contract in 1930, also produced new air mail and Special Delivery stamps, of the same denominations as the former issues. The Special Delivery stamp was not fully bilingual, and this feature was corrected in the similar stamp issued on 24 December, 1932.

Further Rate Reductions

On 1 June, 1929, the 2c rate on postcards was extended to France, and on 25 December, 1929, it was extended to all countries in the Western Hemisphere. On 1 July, 1930, there was an over-all reduction in rates to U.P.U. countries, resulting in four colour changes in the stamps. The Empire and foreign U.P.U. printed matter rate became 1c, and the stamp for this rate became green instead of orange. To avoid confusion, the 2c stamp became red instead of green, thus incidentally restoring the traditional colour for the domestic letter rate. The foreign U.P.U. postcard rate became 3c instead of 4c. The single letter rate to foreign U.P.U. countries was reduced from 8c to 5c, and the 5c stamp became blue instead of violet. The 8c was changed from blue to orange, and would appear thenceforward to have been used mainly for parcel post.

The Downward Trend is Reversed

A year later, on 1 July, 1931, the effects of the depression were reflected in an increase in the domestic letter rate from 2c to 3c for the first ounce, the 2c rate for each additional ounce remaining unchanged. The same increase applied to single letters to U.S.A. and Mexico, and to British Empire countries. This increase necessitated the reappearance of a 3c stamp, which was issued in red, (incidentally providing the correct colour for the foreign U.P.U. postcard rate). On 24 June, 1931, the 3c Admiral stamp, perf. 12 x 8, was issued as a provisional, to be followed by the regular 3c red of the Arch issue on 13 July, 1931, and by the 3c on 2c surcharge on 21 June, 1932. The 2c "Arch" was changed from red to brown on 4 July, 1931. The 2c drop letter rate was not increased at this time, but drop letter covers bearing 3c postage are frequently found, due to popular misunderstanding of the rate increase.

On 1 July, 1931, the air mail rate within Canada and to U.S.A., for letters up to one ounce, was likewise increased from 5c to

6c, but the surcharged air mail stamp was not issued until 22 February, 1932.

The Ottawa Conference Issue

For this issue four widely used denominations were selected: the 3c red for the domestic and Empire single letter rates, and for the foreign U.P.U. postcard rate; the 5c blue for the foreign U.P.U. single letter rate; the 13c for the combined postage and registration rate; and the 6c surcharged air mail stamp.

The "Medallion" Issue

This series, issued on 1 December, 1932, repeated the final values and colours of the Arch issue, and the denominations were for the same purposes:

1c green—for the domestic and U.P.U. printed matter rate, per two ounces.

2c brown—for drop letters: for domestic postcards: for postcards to all countries in the Western Hemisphere, to the British Empire, to France and to Spain.

3c red—for single domestic letters and those to all countries in the Western Hemisphere, to the British Empire, to France and to Spain: for postcards to all U.P.U. countries not covered by the 2c rate.

4c ochre—the use of this denomination seems rather obscure. I should be interested in hearing of covers on which this stamp has been used alone.

5c blue—for single letters to all U.P.U. countries not covered by the 3c rate: for double-weight letters and those to countries in the Western Hemisphere, to the British Empire, to France and to Spain.

8c orange—for parcel post: for double-weight U.P.U. letters.

13c violet—for postage and registration on single domestic letters, and on those to Western Hemisphere and Empire countries, to France and to Spain.

The Commemorative Issues of 1933-35

The single commemoratives of 1933-34 were issued in various denominations: the 5c value was chosen for the Postal Union issue in order to obtain wide publicity on foreign letter mail, but it is difficult to understand why 5c rather than 3c was chosen for the Royal William stamp, since this was intended to celebrate an intra-Empire centenary. The selection of the 20c "Harvesting" stamp for the Regina Conference commemorative overprint was obviously appropriate. The domestic single letter rate was chosen for the Cartier stamp, but I do not know why 10c was chosen for the United Empire Loyalist issue, and 2c

for the New Brunswick issue. The Silver Jubilee series of 1935 consisted of the six denominations in most common use.

Special Delivery

On 1 March, 1939, a reduction in the Special Delivery fee from 20c to 10c necessitated the issue of a surcharged stamp, and one month later a definitive 10c value appeared. The reduction applied only to first class mail, the Special Delivery fee for parcels remaining at 20c.

The Regular Issues of 1935 and 1937

These two issues, including air mail and Special Delivery stamps, did not involve changes in postal rates, and the colours and values up to 8c, inclusive, resembled those of the 1932 Medallion issue. Again in these two issues, there seems to have been no specific usage for the 4c denomination, and further information as to its use would be welcome.

The "War Effort" Issue

The original series of 1 July, 1942, was again patterned on preceding issues, but there were differences in the colour and format of the 4c and 8c stamps. For the first time, an Air Mail Special Delivery stamp of 16c was included in the series.

On 1 April, 1943, rising war costs necessitated a widespread increase in rates. In contrast to the procedure of 1915, there was no attempt to emphasize, by inscriptions on the stamps, the fact of the war tax. However, an increase of 1c on each first class letter and postcard was put into effect. This applied to domestic mail, and mail to all countries in the Western Hemisphere, the British Empire and Spain. Rates for mail to other U.P.U. countries were not affected, although there were, in fact, few of these countries with which normal postal service was still operating.

For eight days the 4c greenish-black was the only single stamp available to pay the increased letter rate, but on 9 April the 4c red appeared, to supersede the 3c red. On 16 April stamps of 7c, 14c and 17c were issued, superseding respectively the 6c, 13c and 16c values for air mail letters, registered and Special Delivery letters, and Air Mail Special Delivery letters. On 30 June, 1943, the 3c stamp appeared in mauve, superseding the 2c denomination for drop letters and postcards. The 2c value was little used from 1 April, 1943, onwards, being only needed for double-weight printed matter, up to four ounces. The issue of the 3c in purple and the 4c in red

was a technical violation of the U.P.U. regulation, as the U.P.U. postcard rate remained at 3c. However, at such a time, this was probably not considered an important matter.

Regular and Commemorative Issues

The "Reconstruction" issue of 1946, and the various 4c commemoratives of 1947 to 1949, have no special significance in relation to postal rates, and the same applies to the higher values which were issued in new designs in 1950 and 1951. The "Revised" and "Unrevised" issues of 1949-50 repeated the final values and colours of the War Effort issue, and were intended for the same purposes.

Rate and Colour Changes, 1951

On 1 April, 1951, the domestic, U.S.A., British Empire and foreign U.P.U. printed matter rates, which had remained unaltered for many years, were increased. All these rates were raised from 1c for each two ounces or fraction thereof, to 2c for the first two ounces and 1c for each additional two ounces or fraction. Also on 1 April, 1951, the registration fee was raised from 10c to 20c, and increases in parcel post rates became effective on the same date. On 25 July, 1951, the colour of the 2c stamp was changed to olive-green, to conform to the change in printed matter rates. On 11 August, 1951, the colour of the 4c stamp was changed from red to orange, and this appears to have been done so that the red colour might become available for the U.P.U. postcard rate of 3c. The issue of a 3c stamp was contemplated, but was halted by the death of King George VI.

The Postal Centenary Issue

The four stamps issued on 24 September, 1951, represented the denominations in most common use at the time. The 4c prepaid the domestic single letter rate, and the single letter rate to all countries in the Western Hemisphere and the British Empire, to France and to Spain. The 5c rate applied to single letters to all countries of the U.P.U. which were not covered by the 4c rate. The 7c stamp was for air mail letters throughout Canada and to U.S.A. The 15c value appeared for the first time since the Quebec issue of 1908, and was intended for the quarter-ounce air mail letter rate to the United Kingdom and certain countries of Western Europe, which had been in effect since 1 November, 1946. The 15c stamp was kept on sale for more than two years, as part of the definitive

series, the rate being reduced to 15c per half ounce on 1 July, 1953.

End of the U.P.U. Colour Scheme

In 1952 the U.P.U. at last gave up the struggle to maintain, in face of constantly changing postal rates, their scheme of colour uniformity in stamps intended for certain basic usages. The scheme, which had been in effect since 1897, was abandoned by resolution of the U.P.U. Congress at Brussels in 1952. The resolution was given formal effect at the next Congress.

In these notes little mention has been made of air mail rates to British Empire or foreign countries, with the exception of U.S.A. During the early years of long distance air mail, the rates were rather complicated, and they belong more properly in the field of aerophilately.

Postal Stationery

While I have scarcely mentioned the relationship of Canadian postal stationery to postal rates, readers who are familiar with Bond's Postal Stationery Catalogue will find that the value and colour changes of

the adhesive stamps are often reflected in the contemporary issues of postal stationery. There are, however, some rather startling exceptions: for example, the blue colour of the postcards which were issued in 1898, 1904 and 1912, specifically for mailing to U.P.U. countries, do not comply with the U.P.U. colour scheme.

Conclusion

In this article I shall not deal with the stamps which have been issued since 1951, nor with the substantial rate increases which have taken place during the present reign. I realize that the story of Canadian postal rates during the 1897 to 1951 period has been rather complicated, and it may perhaps be of assistance to the reader to have some of the more important usages, with the respective minimum rates, set out in tabular form. The table on page 299 has been prepared for this purpose, but it does not attempt to cover all the rates which may possibly be of interest. Further details should be sought in the text of these notes and in the standard authorities.

STOP PRESS — TOPICS DELAYS

Reports of the annual meeting were not received until November 1 and thus the delay in the YEARBOOK.

The December issue is being typeset as of December 8 and we will try to get it in the mails before Christmas.

— The Editor

BNAPEX '67 AT THE ALPINE INN

By A. W. McIntyre

Director of Publicity, B.N.A.P.S.

Colorful Fall foliage of Maples, restful rural scene of the Laurentians and the excellent cuisine of the Alpine Inn, noted ski resort of the Canadian hills 60 miles from Montreal at Ste. Marguerite Station in the Province of Quebec, combined to provide a setting for BNAPEX '67 that drew a registration which topped 200.

Along with the 19th annual convention and exhibition of the British North America Philatelic Society headed by R. J. Woolley, the staging of a joint meeting with the Postal History Society of the Americas added another 50 persons. Proximity to EXPO, Canada's outstanding and thrilling World International Exposition at Montreal proved a magnet. Indeed a chartered bus provided the ladies with an outing to the World's Fair.

The 160-frame show was staged beneath plastic with continuous security guard. Far from city crowds, there was no public admission and no security threat.

There was an eight-table bourse: Dick Lamb, Kitchener, Ont.; Bob Davis, St. Lambert, Que.; J. N. Sissons, Toronto; R. W. Lyman, Marblehead, Mass.; Bill Slate, Toronto; George April, Quebec City; Bill Maresch, Toronto; George Wegg, Toronto.

Forty of the frames held postal history exhibits and 55 contained fine non-competitive material, including an exposition of Canada's registry system, a showing of Newfoundland early issues, die and plate proofs, an expansive presentation of Prince Edward Island. Gerry Wellburn showed four frames, not for competition, of early express covers of British Columbia. Vinnie Greene showed his Canada Pence and 1859's direct from the Court of Honour at the Royal Philatelic Society exhibition in Ottawa.

JURY OF SEVEN

Three golds, three silvers and five bronze medals were awarded in the main section by the jury of seven: William Bilden, John Boker, Ezra Cole, Bernard Harmer, Robert Lyman, William Maresch and James Sisson.

The grand award, a gold medal mounted on a silver tray, was won by Dr. Clare

Jephcott, Toronto, for an exhibit of early B.N.A. postal markings on 64 album pages. An eight-frame showing of selected Prince Edward Island pages won a gold for Dr. Robert Carr. Golds also went to Sam C. Nickle for Canada pence, and to Mr. and Mrs. Norman Hubbard, Long Island, for Canada pence on cover along with '59s on cover.

Silvers were won by Susan McDonald, Canton, Ohio, on cross-ocean covers of 1760-1840; and by Harry Lussey, Fort Lee, N.J., on large and small queens, mint, used, on cover.

Another silver was awarded with felicitations of the jury on an exhibit of early Newfoundland covers by Robert Pratt of Milwaukee, to whom the judges expressed regret that his pence items had recently been stolen.

Bronze medals were won by Rosemary Nickle of Calgary on Quebec Tercentenary issues; R. J. Woolley, Toronto, on wartime MPO and NPO cancels; Houghton Sanguinetti for semi-official airmails of Canada; Wilmer Rockett on Canadian Revenues; and Viola Ilma to whom the jury extended felicitations, for her collection of royal children on stamps.

POSTAL HISTORY

An exhibit rich in stamps that were forerunners of the first official United States postage of 1847, such as the Baltimore Pairs, St. Louis bears of '45; Eagle Carriers, City Dispatch and Blood locals along with later Pony Express issues, won the Grand Award in postal history for J. King Horner of Baltimore.

A five-frame exhibit of early Western Canada mail won the gold award with felicitations of the jury for Charles P. deVolpi in the postal history division. This contained a fur trading letter dated 1776 and one from York Factory in 1830, one from Fort William January 13, 1847, back-stamped at Bytown a week later, and arrived in London February 16; also a letter with a Red River Settlement handstamp marking plus a 10-cent United States postage stamp, indicating the Pembina route east.

A silver medal was awarded an extensive display of Canadian Siberian Forces mail by Edith Faulstich, Yonkers, N.Y.; and another silver to Leon Silak of Guatemala City on covers of his country reflecting Guatemalan postal history.

Two bronze medals went to Susan McDonald on Trans-Atlantic mails, and to L. F. Leonard on a display of Connecticut railroad covers.

The jury were V. G. Greene, chairman; Ed Richardson and Clarence Westhaver.

FAMILIAR FACES

Veteran convention goers present included Bill Rockett who has never missed, Bert Llewellyn, Dr. Norman Boyd, John Siverts, Ed. Richardson, Sam and Rosemary Nickle, Clarence Kemp, Nels Pelletier, Al. Cook, Vinnie Greene, Fred Jarrett and Harry Lussey.

Missing were Dr. K. M. Day who is quite ill and to whom greetings were dispatched, Secretary Jack Levine, Treasurer Jim Culhane, Circulation Manager Russ McNeil, Ray Peters, Stuart Johnstone, W. C. Peterman, George Hicks and Fred Hadley.

Hosts to the convention for the second time were Charles and Margaret deVolpi of Montreal. They served in the same capacity in 1958 and 1962 at Alpine Inn. A resolution was passed expressing the best thanks to the genial host and hostess for conducting the meetings single handed in the arrangements at Alpine Inn.

ANNUAL MEETING

Fifty chairs were filled when President R. J. Woolley convened the annual meeting October 7 with Leo LaFrance secretary for the second time. Coming from the greatest distance on the mainland were Leon Bilak, Guatemala City, Central America; L. M. Bell of St. John, N.B.; and three Alberta members representing the west. Then Colin McNaught, Auckland, New Zealand, registered.

Greetings were received from the annual meeting of the Canadian Philatelic Society of Great Britain, of which many BNAPS-ers are members.

The society's periodical, TOPICS, is one of the most important and costly services provided, said the president in his review of the year. Therefore the additional revenue from the sale of handbooks and from the sales circuit was most helpful.

A report read from Treasurer Jim estimated a deficit of \$383 in 1967. Secretary

Jack sent a report that noted membership, at 1027, shows a net gain of 12 after 77 new members enrolled. Past President Clarence, with 9, led in getting new members.

Max Rosenthal scored most points for articles written for TOPICS, 16, thus he wins the V. G. Greene cup.

Board chairman Bert reported that L. M. Bell had been appointed to fill the unexpired term of Dr. Robert Carr when he became vice-president. On the day prior to this meeting the board had accepted the resignation of Dr. Day and appointed Wilmer C. Rockett to fill that unexpired term.

POLICY SETTLED

On matters of policy the board had vetoed any suggestion that the society should award honorary life memberships. It was decided to discontinue sending the magazine to any member remaining unpaid by April.

Having decided to reprint the articles on Newfoundland carried in TOPICS and written by the late Dan C. Myerson, in book form, the board accepted the offer of a committee to edit the material under the chairmanship of Bob Pratt.

Vinnie moved the adoption of "a fine suggestion from the librarian that 500 book plates be printed to carry the names of book donors, and another 500 for use in books rebound by donations of cash." This was carried.

Chairman Vinnie of the editorial board reported no serious problems. Chairman Jim Sissons, board of examiners, said there was nothing to report.

A report was read from Librarian S. S. Kenyon which noted an increasing use by members and larger donations. This drew some comment: President Bob—Stewart has made the library one of the best services. Board Chairman Bert—Our library is now one of the best philatelic libraries and S. S. Kenyon has done a wonderful job.

Publicity Director A. W. McIntyre reported that advance publicity had been sent to philatelic journals, editors of stamp columns and the leading daily newspapers. After BNAPEX '66 at Calgary reports of the election of officers and the medal winners were sent. The membership advertising was extended with small returns.

A written report from Russell McNeil told of smooth operations in mailing the periodical.

PHILATELISTS AT BNAPEX

Gerry Wellburn, a gold medalist of Duncan, Vancouver Island, chats with Ed. Richardson, Texan writer, after latter's lecture, *Collecting the Uncollectable*.

Retiring from the membership chairmanship after eight years, Ed. Richardson pointed to the aging membership and large numbers of deaths as need to seek active young collectors as members of the society.

NEW HANDBOOK

Reporting as the new chairman of the handbook committee, Ed. Richardson said that of 800 books sold, 642 went to dealers and 158 sold at retail. Profits of \$380 in 1966 should be better this year. He emphasized that all the past work had been done by Bob Woolley.

The committee has in prospect the compiling of a new book on Flag Cancellations which will have a first run in the columns of TOPICS. He will be joined in this by Ted Kilish.

For the nominating committee John Siverts said that members of the board were re-elected by acclamation. Al Cook is to accept the chairmanship.

Mr. Siverts noted the exchange of promotion space in TOPICS and the PHILATELIST. President Bob added that exchange of space has been arranged in Maple Leaves.

Sales Manager James C. Lehr said that sales were about \$4,800 to the end of September with an estimated net gain of \$700 which will help to retain fees unchanged.

Advertising Manager Ed. J. Whiting said he had conducted a crash program to win extra revenue for the yearbook but has been disappointed in results, so plans a new scheme for the 1969 edition.

HIGH STANDARD

Editor John Young said of TOPICS that a high standard had been maintained during Centennial Year. He was glad to see

sketches of members, a feature originally written by Vinnie Greene, carried along by Dr. Carr. He gave credit to Russ. McNeil for the efficient circulation. He expressed the wish for a page size 25 percent larger, if costs would permit.

When he voiced the view that advertising rates on the three prime pages, inside covers and back, might well be increased, Jim Sissons, who uses the back, agreed that rates should be raised 25% on the inside covers and 50% on the back.

CONVENTION PLANS

In the absence of convention chairman Ray Peters, Ed. Richardson talked about the 1968 event to be held around the second weekend of October in a large private golf and country club with 100 cutstone rooms facing on a large lake, 15 miles from Austin, Texas, or about one hour's drive from San Antonio. The premises will be used exclusively by philatelists at a season when the temperature is moderate and even.

There will be no competitive show. Plans call for 75 persons showing not more than two frames each under glass a full range of collections. There will be a booklet for this invitational show and a bourse for recognized dealers.

A non-competitive exhibition in 1968 was approved by the meeting. To clear the way for future planning, the ruling that the two shows in Canada, 1966 and 1967, are to be immediately followed by two in United States was rescinded.

There was lively discussion about future dates, with a large showing of hands for an early west coast show. This tentative lineup developed: 1969—Vancouver or Vancouver Island, alternately Toronto; 1970

—Annapolis sponsored by Baltimore; 1971 —the opposite of the pair named for '69, or Halifax. However the executive was requested to make the necessary exploration of the possible use of the convention auditorium at Williamsburg for 1971.

The Toronto group talked of staging the next show there at The Inn-On-The Park on Eglinton Ave., six miles north of the lake and one south of Highway 401 freeway.

STUDY GROUPS

A large audience attended a meeting at which Ed. Richardson gave a fully illustrated talk on Collecting the Uncollectable, which featured many sidelines.

The revenue group again was best attended. It enrolled five new members from among the 16 persons present. Semi-official airmails drew 12 and military mail 10.

Clarence Westhaver succeeds Ed. as study group leader.

Classified Topics

THE B.N.A. MARKET PLACE • RESERVED FOR BNAPS MEMBERS

RATES:

4 cents per word per insertion; 500 words to be used as desired, \$15.00. Payable with copy in advance.

Copy for Classified Topics should be sent to Edward J. Whiting, 25 Kings Circle, Malvern, Pennsylvania.

WE NEED—WANT
Will Buy All Your
Stamps and Coins
FOR CASH

Our buying prices usually top the best offer you can get elsewhere. We will buy your estates, collection, surplus stock, or speculative holding — any unwanted material.

We want to buy specialized collections, accumulations, dealer stocks. We are especially well equipped to appraise as well as purchase large and small estates.

Continuing tremendous sales require extensive replacements. Our European sources can no longer adequately supply our demands.

Make your offers to

at public auction

We'll be the first to admit that you can collect choice B.N.A. without turning to the auctions to help you.

But as long as you can get what you want at the pleasing prices you want to pay, won't you agree you are missing a bet by neglecting this form of buying?

We have been offering choice U.S.A. and B.N.A. at public auction for a third of a century.

If you are late in getting on this gravy train, hop aboard now. You can't make up for lost opportunities, but you'll be able to take advantage of those available to you in the coming season.

The President's Message

Now that our Alpine Inn convention is over I would like to REGISTER the DUE appreciation of all members attending, the OFFICIAL thanks of the Society for the SPECIAL DELIVERY of a meeting full of good fellowship to Margaret and Charles De Volpi.

Your society has had an excellent year and it requires no TAX on literary abilities to AIR the opinion that our success is built on the devoted and hardworking service of the present COLLECTION of officers.

Please don't re-COIL from minor IMPERF-ections. STRIKES in Great Britain have CANCELLED prompt delivery of some handbooks but they will arrive eventually.

The thanks of all members to Jack Levine, Jim Culhane, John Young, Jim Lehr, Stew. Kenyon, Russ McNeil, Ed Whiting, Art. McIntyre, Ed. Richardson, Bert. Llewellyn and all others who have contributed in any way to a successful year.

Let us have another good year in 1968, supporting our officers by promoting membership, advertising, sales circuit, handbooks and the contribution of articles for use in Topics, our contact with members.

All good wishes for Christmas and the New Year to all.

R. J. WOOLLEY

CHARLES AND MARGARET deVOLPI

for another fine meeting at

the Alpine Inn 1967.

We look forward to meeting old and new friends

in TEXAS in 1968

ROSEMARY and SAM NICKLE

NOTICE

Those who possess old letters, documents, correspondence, MSS, scraps of autobiography and also miniatures and portraits as well as out of print books (condition unimportant) relating to persons and matters historical, literary, political, and social associated with Western Canada or the Arctic regions should communicate with John Lundberg at 105th Avenue and 105th Street, Edmonton, Alberta who will at all times be pleased to give his advice and assistance either as to their preservation or publication.

Lundberg has a large assortment of postage stamps some of which may be of interest to BNAPS-ers, many of which are available in exchange for required items and all of which have given him as much pleasure as time has permitted over the past forty years or so.

**A CENTENNIAL GREETING TO ALL
I'M LOOKING FOR COVERS — NEWFOUNDLAND OF COURSE**

Anything earlier than 1732????
or Later?

Any 1840 letter with the "black" Newfoundland circle.

Any date with a RED one!

A "crown circle" to somewhere besides England, Canada or the United States.

A "Simon" seal — postoffice Newfoundland????

A RED "St. Johns Newfoundland — paid" from 1849.

A double circle RED paid from elsewhere than Harbor Grace, Trinity or Brigus.

How about a "Ship Letter Newfoundland" or a "Bay Bulls Ship Letter" or anywhere else????

Don't forget "Pence" issue covers or covers from 1865 to 1885

I'll trade — buy — or ask for a LOOK AT so that they can be recorded.

If you prefer, write me and give the dates, cancellations, rates, where from and to whom, where; etc.

All of this is leading up to a comprehensive treatise on Newfoundland covers and rates — long needed.

Letters to Newfoundland are also important — with or without stamps as long as they have Newfoundland rate notations.

"BOB" PRATT — B.N.A.P.S. No. 1982

7912 N. Beach Rd. - Milwaukee 17, Wis. 53217

No. 1427

\$12.50 ALL SHOT TO HELL

That's what it cost me last year to advertise my tale of woe, pleading for British Columbia material, stamps, covers, Express covers or even Canadian stamps on cover with B.C. cancels before 1900.

I got one reply with two Canadian covers, nothing exciting, but a friendly letter and I hope both of us satisfied.

The amusing part is that I personally get a kick out of finding things for other advertisers and if memory serves me right I sent seven people things they were looking for, and you could do the same for me if you weren't too lazy to look for them in that old stock book.

Won't you have a look and find out how quickly I'll send you a cheque in exchange.

STUART JOHNSTONE

6086 ANGUS DRIVE VANCOUVER 13, B.C., CANADA

P.S. — I'll even take B.C. squared circles on cover, and some of them are more than a penny ha'penny.

COVERS WANTED

The Cobham Stamp Exchange, which has successfully been offering Postal History and better class Canadiana for the past 8 years, has, owing to requests from present members, decided to start the New Season with a second Postal Auction, dealing almost entirely with GB, as well as continuing the new very popular all Canada Packets. Our current list, which contains over 100 items of Major errors and other desirable items will be sent free on request, postage 15c or \$1 per year. Material of the highest quality only can now be accepted for inclusion in future lists, either GB or Canada, at the lowest of commission rates, please write for details.

ISTANBUL REVISITED

About two years ago I mentioned a trip to Turkey in this space.

As quite frequently occurs, there was no immediate commercial result directly attributable to that trip, which chanced to be my third visit to Istanbul.

Recently I have bought a very important collection which I would not have been able to purchase had I not made the trip in question. In addition, I am currently on my way back to Turkey to secure the collection for which I negotiated two years ago.

It is one of the quirks of the business that an apparently unproductive trip can turn out to be far more rewarding than one which yields a quick return. The seasoned professional expects this and is perfectly willing to chalk up credits for the future, and at the same time provide long term advice and help to those he visits.
