THE BRITISH NORTH AMERICA PHILATELIC SOCIETY

Our society was founded two years ago when Mr. Jack Levine decided that a group to promote B.N.A. issues would fill a need desired by many collectors of them. Mr. Levine gathered together a small group which met and began organization on Oct. 28, 1943. Since then it has progressed and advanced steadily with many new collectors joining monthly. The membership now totals well over 200 persons.

The B.N.A. Philatelic Society ranks among the finest of the specialists groups in the United States. It provides the all important feature of being able to gather and present the many philatelic problems confronting a specialist through its publication—B N A Topics. Also maintained are sales circuits members exchange and the use of its library. The advantages of belonging to such a group, not only to the specialist, but to the average collector also, are many, in that it enables us to know a little more about the stamps we are collecting.

Membership in our society is open to anyone who collects stamps. Additional information can be secured from any of the officers listed in the forepart of this book.

3. The Sales Manager shall keep accurate accounts and records of all transactions of the Department in books of the Society so provided by it. He shall at specified times provide the Board of Governors with reports of the affairs of the Department, including a full and accurate balance sheet of all bookkeeping entries. He shall cause such reports to be similarly published in *BNA Topics*. He shall collect and be custodian of all funds received by and for the Department and shall, at suitable intervals, make any authorized payments from such funds to the owners of material sold by the Department. He shall post a bond to the Society in such an amount as shall be decided by the Board of Governors and premiums thereon shall be paid by the Society.

4. Members entering material for sale shall mount their material on sheets or books as shall be prescribed by the Board of Governors. Sheets or books shall be obtained from the Sales Manager upon request and at such a cost as shall be determined by the Board of Governors. No other form except the prescribed one shall be used. Any damaged stamp, reprint, counterfeit or item of questionable character must be so designated by the affixer.

5. A charge of 2% as an insurance fee shall be made of the net value of the material entered. Monies so collected shall be deposited in an Insurance Fund from which fund claims for loss or damage to material shall be paid. The Board of Governors shall have final jurisdiction in the payment and settlement of claims.

6. A charge of 8% shall be deducted from all sales made through the Department. If any spaces on a page are not so accounted for, the receiver must immediately notify the Sales Manager and the person from whom he received the circuit. Such discrepancies must be adjusted between those two members.

9. The buyer must sign his name in *ink* (or use a suitable rubber stamp) in all spaces from which he has removed and retained an item. Each so identified purchase shall be entered on the forms specifically provided for that purpose with each circuit. Remittance for all purchases must be sent in full to the Sales Manager and in U. S. funds. The circuit must then be forwarded to the next person shown on the Route Sheet and in the manner prescribed in rule No. 7.

SOB STORY

When you walk into a dealer's back room you expect to stumble over crates, barrels, cartons and hogheads full of rare old errors. Dealers are supposed to accumulate stamps in volume. It's the nature of the bea . . . oops, sorry! . . . gentlemen.

But I'm no dealer. I'm a collector, like the rest of you. A lazier collector than most of you, because I'm one of the "bored" Governors our friend "Click" talks about. Consequently I have no right attracting excess stamps like sticky paper draws flies.

I do, though! I get more gosh-darned stuff! I buy collections and accumulations to get a few items I can use, and there I am . . . stuck with the residue. Naturally, I want to get rid of it. Naturally, I want as much as I can get for it. Naturally, I'm trying to sell it to you . . . and you . . . and you . . . in this ad.

For instance . . . recently I bought, solely that I might catalogue the material for the Canadian Revenue Society, the famous Bartlett Collection of Tax-paids. It is the wildest assortment you ever saw! Cigarette stamps, Raw Tobacco strips, Cigar stamps, Diamond-shaped tobacco stamps, Lock and Seal labels, Customs and Petroleum labels, Liquor stamps . . . all in singles, multiples, and sometimes even complete sheets!

These stamps are hard to locate in quantity, many of them are unlisted in any catalogue, and it is extremely difficult to gauge their true value. (That's why I'm writing catalogue listings for the CRS.) They are fascinating examples of the stamp-making craft, many of them being exquisitely engraved or designed. I love 'em to pieces . . . but I've got too many of 'em!

Hence this ad, and a cockeyed offer which I don't think you can refuse . . . if this sort of offtrail material appeals to you at all. Here's the offer:

Send me \$10.00, and I'll send you a sample assortment of this surplus material guaranteed to be worth at least three times that amount. The basis for my guarantee? Simple! I'll put up or shut up! After examining what I send you, if you don't like it or don't want it for any reason whatsoever—no argument from this side of the fence!—return it to me, and I'll send you back not only your \$10.00, but a B.N.A. item worth at least \$1.00 as a compensation for your disappointment!

You can't lose, because you are the sole judge. I've got to come through with a satisfactory selection, or it's my neck!

That fair enough? Okay! Then send that ten-spot to:

NELSON S. BOND

WILLOW ROAD

ROANOKE (17), VA.

GROVE PARK

P.S. Oh, yes . . . I'll play ball with the big boy and the small boy too. I can offer selections of this material in price-ranges anywhere from \$1 to \$100. Want-lists based on current C.R.S. catalogue numbers will receive particular attention.

IT IS A WASTE OF TIME

to write out an ordinary advertisement offering to buy collections and accumulations for no one pays the slightest attention to these. I've run such many a time in all kinds of stamp magazines but if even a single collector was persuaded to sell anything to me I've yet to hear of it.

However, this ad should produce results, for it does not ask for the readers personal collection or in fact anything that need be locked up in a vault. What I want to buy are sidelines of every imaginable hue and variety, and by sidelines I mean such things as proofs, essays, revenues, errors listed or unlisted, forgeries, reprints, etc. etc. any country of the world.

Furthermore, I don't want these for nothing but will pay the correct prices and considering that many a year I've bought as much as \$50,000.00 net worth of such things there is considerable value to many.

There are hundreds of dealers and collectors right at this very minute who are following just this procedure: they have on their stamp desk a box with the word "Bileski" written on it. Into this box they put in all such sidelines as come their way and every so often these are packed up and sent on to me for my offer, whereupon after mutual agreement a check goes on its way to the sender. Then the box gets filled up again.

For those who immediately start thinking about difficulties let me say there is not the slightest trouble about mailing anything to Canada. Just wrap up and mail any way you wish, no invoices, no customs or any other form to fill out.
