

BRITISH COLUMBIA POSTAL HISTORY NEWSLETTER INDEX for Issues 1 – 120

Section 1

Articles

Section 2

Cancels/Postmarks

Section 3

Monographs/Supplements

Section 4

Auction Results

As a number of articles in the newsletter are concerned with cancels and postmarks as well as the history of post offices or specific covers, researchers are encouraged to check both Sections 1 and 2 when seeking information on postmarks. Similarly, some town names appear in section 2 when only an example of a postmark is included in the article. Any item that does not have the author indicated was listed while Bill Topping was the editor of the newsletter prior to 2014 and Andrew Scott from April 2014 until Sept 2021.
