## The New Bluenose Stamp

On one of my recent eBay purchases the seller was extremely considerate in using the new Bluenose stamp with the CAPEX 22 LOGO. And, unlike most of the mail I receive from Canada this envelope was cancelled with a cancel from Pickering.

Maresch and Son. Members not yet receiving CAPEX 22 News may use the subscribe for updates button on the [www.capex22.org](http://www.capex22.org) website homepage to be added to the mailing list.

The BNAPS Matching Funds Program for CAPEX 22 reached 50% of its goal in July. Thank you to the Canadian and USA BNAPS members who have given generously in support of CAPEX 22. The program

description on the [www.BNAPS.org](http://www.BNAPS.org) website homepage provides details on the various ways in which members may donate to support CAPEX 22.

CAPEX 22 will pack a lot of activities into the June 9-12, 2022 period. As the world's first International One Frame Stamp Championship exhibition, with the largest number of one frame exhibits ever shown at a single exhibition anywhere in the world, and with many local, national and international organizations planning activities at CAPEX 22, a large volunteer staff is required. BNAPS members wishing to volunteer time during the show dates or leading up to CAPEX 22 may use the contact button on the [www.capex22.org](http://www.capex22.org) website to advise of availability, interests and contact information. An Organizing Committee member or Volunteer Coordinator will contact you.

## Cheerios – the Japan Olympics – and Canada Post Permits

Several issues ago we wrote about a Canadian postal permit that was printed on the inside of Cheerios boxes. It was part of a Cheerios campaign to send “Cheer” to 2010 Canadian Olympians. 2010 was the first year this campaign was run. Phil and Charlie are trying to get more information on which Olympics this campaign was offered. Here are the Olympic dates possible. Date in blue are believed to have had the permits

It may be that the campaign wasn’t run for 2012 and 2014. Charlie has been searching on eBay for boxes from any of the campaigns. So far, NOT A ONE. All kinds of other boxes but none for the “Cheer” campaign.

**2010 - Vancouver – Winter**

2012 - London – Summer

2014 - Sochi – Winter

**2016 – Rio de Janeiro – Summer**

**2018 – PyeongChang – Winter**

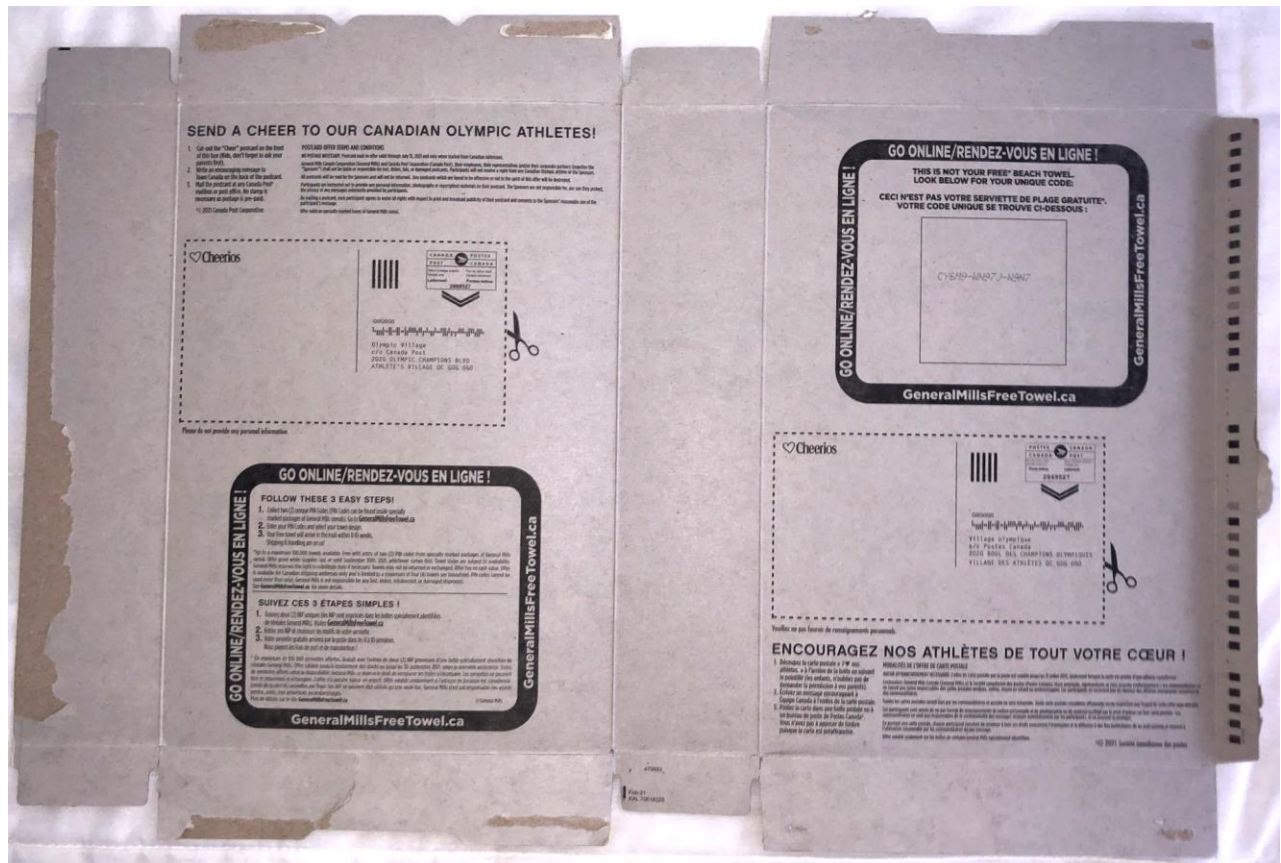

**2020 – Tokyo – Summer – Postponed**

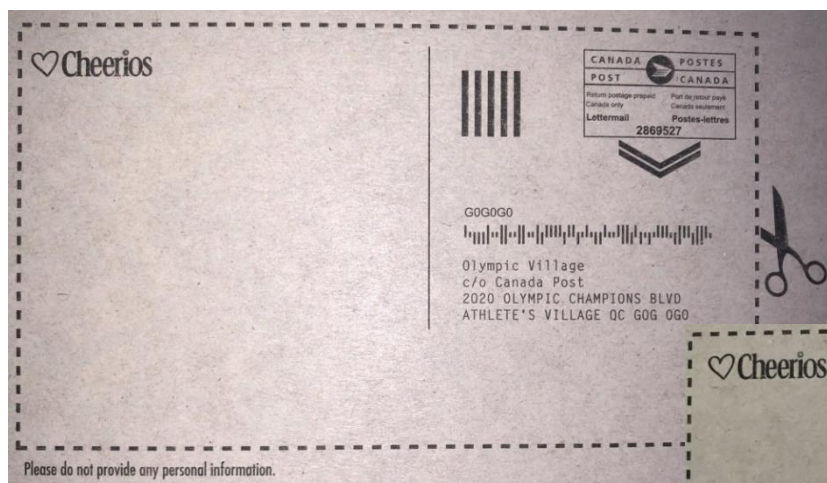

Larry Cherns sent a photocopy of the 2010 box (inside and out) and Mike Street has been kind enough to spend more time in grocery stores than normal BUT – his efforts were successful. Mike has sent me the three different varieties of Cheerios participating in the 2021 campaign. The reverse of these boxes contains the French version of the card. It is possible to acquire three English versions, the French version is the same for all varieties.

The insides of all the boxes are identical (illustration on next page).

If you are interested in owning any of these items, get to the store quickly as they are soon to be gone.

Charlie Livermore is interested in acquiring Cheerios boxes from all versions of the Permit from all of the Olympics.

# The Pilot's Log

## Newsletter of the BNAPS Air Mail Study Group

Volume 14 – Number 1

July 2021

Welcome to the first issue of the revived *Pilot's Log*.

Although *The Pilot's Log* has not been published for several years, the Air Mail Study Group (AMSG) has held several meetings during BNAPEXs in partnership with the Canadian Aerophilatelic Society (CAS).

In November last year, when the CAS was unable to hold its regular Day of Aerophilately in Toronto due to Covid restrictions, the AMSG partnered with the CAS to hold a Zoom Day of Aerophilately.

This meeting was very successful: it attracted 35 participants from across Canada, (British Columbia to Newfoundland), the USA, Scotland and France. There were then requests for future Zoom meetings, and further meetings were held in February and May. Recordings of some of the presentations during these meetings have been posted on the BNAPS website:

- **FAM No.2: Seattle – Victoria – Recent Findings** by Gray Scrimgeour  
<https://bnaps.org/hhl/DocAccess.php?Doc=17>
- **Air Mail to the Arctic 1929 –Commercial Airways:** Denny May talking about his father “Wop” May  
<https://bnaps.org/hhl/DocAccess.php?Doc=18>
- **Ferry Command Dorval WWII – The Unusual Airmail Services** by Bob Toombs  
<https://bnaps.org/hhl/DocAccess.php?Doc=19>

Following these meetings the AMSG has been officially revived, and will hold another AMSG/CAS meeting during BNAPEX 2021:

**12 noon to 2 pm Eastern Time –**

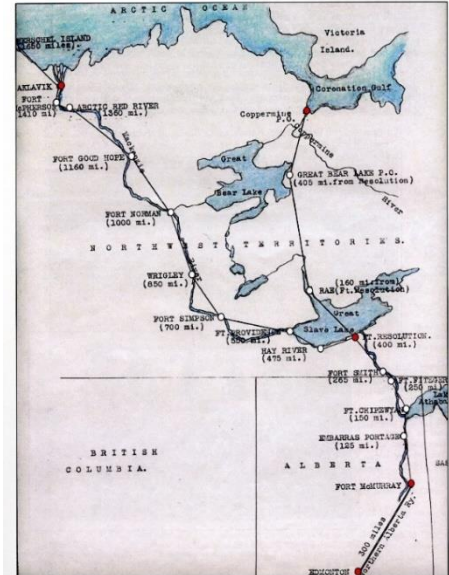

**Saturday September 4<sup>th</sup>.**

**Gord Mallett**

will give a presentation on

**Walter Hale: the Flying Postal Inspector  
of the Mackenzie River District.**

This Zoom meeting will be held as part of the virtual BNAPEX. - Both BNAPS members and non-members are welcome to attend the virtual BNAPEX. Attendance will be FREE, but registration is required, and will begin in July on the BNAPS.ORG website.

Many thanks to Charles Livermore and Dave Bartlett - zoom geniuses; Leo Beaudet - BNAPS webmaster; George Dresser - past Chair of the AMSG; and Ron Smith – Vice-President Study Groups; for their help in resuscitating the Air Mail Study Group, and to Philip Atelic for attaching this first issue of the new *Pilot's Log* to the BNAPS eLetter.

**The AMSG will be operating on a cyber-only basis, so no membership dues are required. - Anybody who would like to be added to the AMSG email/membership list and receive future issues of *The Pilot's Log*, should just send their email and postal address to me at [hargreavescp@sympatico.ca](mailto:hargreavescp@sympatico.ca)**
