## CAPEX22 News

### **BNAPS Matching Funds Program**

As of November 28th, the BNAPS Matching Funds Program for CAPEX 22 has reached over 83% of its goal with the donations received in November from BNAPS members Bob Anderson, Dave Brennan, Charles Livermore, Sydney Mensinga, Gilles Morel, James Pritchard and Joel Weiner. Regrettably three earlier donors, Richard Judge, William Pekonen and Gary Steele were missed in the donor summary posted in the November newsletter. Thank you to all of the current and past donors.

### **AAPE Team Competition**

The American Association of Philatelic Exhibitors (AAPE) single frame team competition will be held at CAPEX 22. This will be the first international team competition that AAPE has conducted. While the complete regulations have not yet been finalized it will follow the basic structure of their popular team competition that they ran in recent years at Ameristamp and most recently at Chicagopex 2021. Individual exhibitors at CAPEX 22 may also choose to become part of a 5-exhibitor team. The team score will be the aggregate of the individual

exhibit scores awarded by the judges plus bonus points for additional awards or attributes of the team. Watch for the team competition regulations to be published later on both the [www.aape.org](http://www.aape.org) and the [www.capex22.org](http://www.capex22.org) websites. There will be no additional cost to participate in the team competition.

## Treasures from the ORE (Online Resources and Exhibits)

<https://bnaps.org/ore/ore-index.htm>

Pictured below is the cover of a book by BNAPS member Clayton Rubec.

From the ORE webpage:

“The Timothy Eaton Company was in operation for 138 years, from 1861 to 1999. During its heyday, it had department stores in over 100 cities and a highly developed mail order business. This monograph explores the company's use of postage stamps, perfins, precancels, postal stationery, postage meter machines, mailing permits, bulk mail, and revenue stamps.”

*Drawing of the original Eaton's store  
at St. Mary's, Ontario, 1861.*

All 123 pages are available to you and it's packed with great information and full-colour illustrations showing the philatelic history of the store.

It's one of the many treasures that you'll find on the webpages of the ORE.
