Collectors attending the CAPEX22 International Bourse will find a great variety of material available no matter one's collecting interest. The dealer roster includes many leading Canadian, American, UK, European and Australian dealers and auction houses. The Dealer Profiles feature added to the CAPEX 22 website provides information in the dealers' own words on their business and the types of material that they carry. Also provided with each profile is the dealer contact information by phone, e-mail and website. If you are looking for something special contact the dealers well in advance of the show so that they may have time to arrange to bring any special items that they may have in your field. Dealer Profiles are available at: <https://capex22.org/bourse/dealer-profiles/> and updates will be made as received.

Welcome to the Calgary Philatelic Society 2022 BNAPEX information update.

Each month I will be providing additional updates on the progress of our show in early September in Calgary. Our show is a joint endeavour between the Calgary Philatelic Society and the BNAPS Regional Group. It has received national level status from the RPSC, and we are celebrating the 100th anniversary of stamp collecting in Calgary. There will only be three national level shows in Canada in 2022 (CAPEX 2022 is an international level show) and CPS 2022 BNAPEX is one of those three shows and the only national level show in Western Canada in 2022. For exhibitors, exhibits will be accepted for both BNA material and worldwide material and there will be two sets of judges to cover each of these exhibits. Also, exhibitors can enter their exhibits in both categories if they wish.

The show will be held at the Hyatt Regency from Sept. 2 – 4. Plus getting together with new and old friends.

Each month I will focus on one specific area to provide more information to you. You can also go to BNAPS.org for

CAPEX22 BNAPS Member Reception

✓ Save the Date & Time

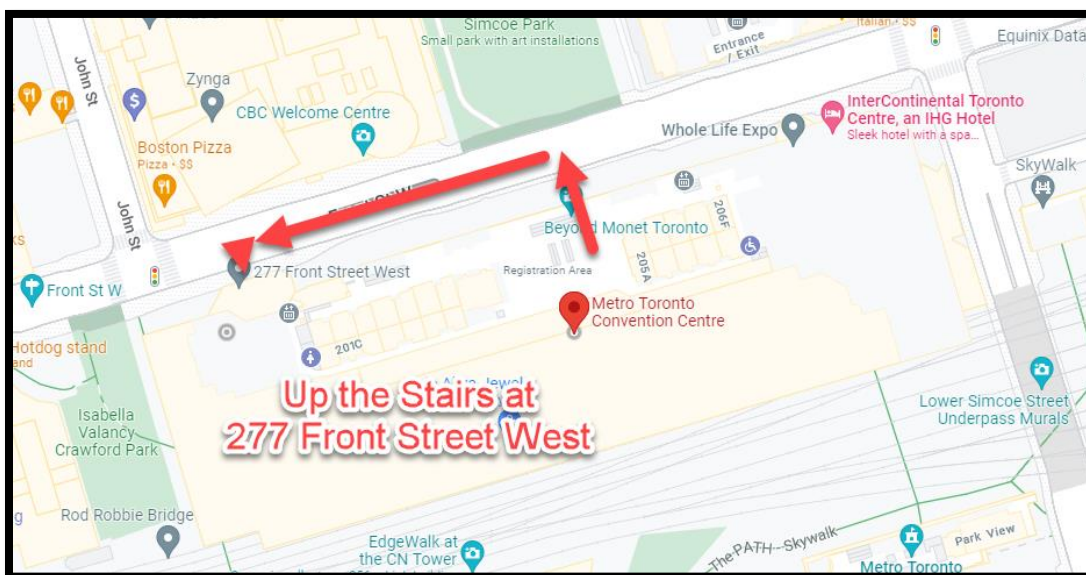

Thursday June
9, 2022
6-8 PM

The Pint Public House 2nd Floor

Save the date & time of June 9, 6-8 PM, the first evening of the 4-Day CAPEX22 event, for a reception for **BNAPS members** at The Pint Public House adjacent to the Metro Toronto Convention Center. The reception will start just after CAPEX22 closes for the day. It will provide a chance for members who haven't seen each other face-to-face for the last two years of COVID to get together and share some refreshments, hors d'oeuvres and "COVID stories" in a relaxed setting. Due to pub capacity, we are limited on number of members attending, so an on-line registration system has been set up and will go live on **April 20**. To register for the BNAPS Member Reception, go to the BNAPS.org website, sign in and under the CAPEX22 heading, click on the BNAPS Member Reception Signup button & register your name and provide your email address for us to send a last-minute reminder.

Spouse and significant other is invited but must be registered on the signup form by the member attending. Also, if a member would like to propose a new person for membership, that person is invited but must be identified on the signup sheet and an email address provided. Some logistics: each attendee will get two drink/admission tickets by stopping by the BNAPS booth #202 during Thursday, June 9 all day. A cash bar will be available if you want additional drinks. Soft drinks will be available. There will be a master sheet of registered attendees. If you haven't preregistered on-line prior to June 9, we may be sold out. So, our advice is to register on-line early.

This is interesting: there are two varieties of first day of issue cancels for the Margaret Atwood stamp. On the left is the cancel on the Canada Post official first day covers, the ones sold at post offices and online. On the right is a cancel on a cover that I sent to the National Philatelic Centre in Antigonish for cancelling. The ink flowing from the fountain pen is thicker on the official first day cover.
