

CANADIAN REVENUE - NEWSLETTER -

DECEMBER 1971 - #9

Holiday Greetings to all you Revenuers out there. I hope that you had a very successful philatelic year.

* * * *

The Postmaster General of Canada has invited a number of philatelists who represent, through their societies, a large segment of the best informed collectors of Canadian Postage Stamps, to a meeting to discuss the recent announcement of a National Philatelic Museum to be located in Ottawa. Several of our members have been invited.

The responsibility for planning, organizing and establishing the museum has been given to Mr. James E. Kraemer, who is a member of our Revenue Group, we know that he will do a great job and we can expect an outstanding Museum.

* * * *

Our editor had another column of Revenue News in the November issue of Topics, nice going Tom. Keep up the good work.

* * * *

One of our good members sent me a complimentary copy of "Lyman's" 1972 BNA Catalog. Thank you. It looks like a very interesting edition and it is a must for collectors of Canada Postage Stamps.

* * * *

We still have a few pamphlets put out by the Canadian Tax Paid Dept. Write in for your copy. Send a self addressed envelope.

CANADA EXCISE TAX STAMPS - CIGAR STRIP TYPE - CONTINUED

Reproduction of No. 165 on preceding page. This is a complete sheet of six stamps with very little separation and I have no explanation of how or why this occurred. There seems to be no evidence of tampering. The blue control numbers are of the same size and style of the other issues of this group. The numbers in the example below have been traced over with a black ball point pen as the xerox machine will not reproduce blue.
