

CANADIAN REVENUE ~ NEWSLETTER ~

MAY - 1972 - #14

Through the hard work and know how of our member Lee Brandon we now have quite a few pages of the New Tax Paid Catalog in hand.

So -- for the next couple of months we will be mailing 1st Class, double rate, to include more pages per sending.

Of course, this is more expensive. Up until now through the generosity of some of our members with donations, and the sale of a few of our old Bulletins the Newsletter has been operating in the black. We now appeal to you Revenueers who have not made a donation in the last year or so to help us to keep the Newsletter operating in the black.

BLUE CONTROL NOS.

The red variety has many shades that range from orange to brownish red and a rose red. Some have undoubtedly become oxidized and the colors have changed. Again, all the "large" size have an imprint at the bottom that reads "Montreal & Ottawa", but a few have Montreal only. The issue date of the black, brown and red was changed from 1880 to 1877 because used copies are known dated 1877.
