

CANADIAN REVENUE ~ NEWSLETTER ~

JANUARY - 1974 # 33

It is now time to start a new year. Our first Newsletter of this series was in April 1971. That means we are now starting the fourth year.

Let us start off with the Treasurers report. The Newsletter has always been able to operate in the black, so far we haven't had to dip into the adequate Revenue Group Treasury.

With this insertion we finish Lee Brandom's Tax Paid Catalog. This has been a major contribution Lee has made to the Canadian Revenue Collector. I am very proud to have had a very small part in Lee's grand catalog.

I received Van Dam's Revenue News in December's mail. He reports that in his sixth mail sale a copy of Canada Supreme Court R 66 sold for \$75.00

He lists a new Manitoba Search Fee and also a new set of the Saskatchewan Law Stamps. (More on this later). He reports that Canadian Supreme Court Law Stamps were discontinued in June 1970.

A few years back there was a question as to whether Quebec R71 the 120 value had been used on the regular issue. I can now tell you it was issued in both perf. 12 and perf. 11. This means that the set R56 to R72 can be found in both perf. 11 x 11 and perf. 12 x 12.
