It ^{is} ~~is~~ very gratifying to report we have 2 very active Regional Groups. It is thru these Groups us BNAPSers can get together in fellowship. Many of us can't take the time or money to go to the Annual Conventions. But if there is a Regional Group in our vicinity we have the opportunity of meeting our fellow BNAPS members. I suggest if you live in the locality of a BNAPS Group you contact the Group and join in their activities.

NORCAL - Northern California BNAPS Regional Group

William Wright - 2724 Doris Ct., Carmichael, Calif., 95608

Mid Atlantic BNAPS Regional Group - John Burnett, 3060 Forrest Lane,
York, Pa. 17402

Both of these groups have four activities planned for 1980. Also, both of these groups have Revenue Group members in their membership/ I am sure there are other groups, if you know of them and the activities they have planned please contact me.
