As per usual we had a wonderful time at the BNAPS Convention in Dearborn. We held the Annual meeting of the Revenue Group, it was a huge success with about a dozen members present. Harry Lussey gave a very informative and interesting talk on the "In Prize" stamps. It was regrettable that many more of us couldn't have been there to enjoy. However, Harry has promised to send me a copy of his talk. In that way I will be able to publish his presentation in a later Newsletter.

Erling van DAM had a Bourse table at the exhibition. He brought along his new 1986 Canadian Revenue catalog, which was just off the press. This is a real beauty, with many up to date listings and it is full color.

At the annual meeting of BNAPS our member Sam Nickle was elected into the Order of the Beaver.

Joe Shelton had a fantastic exhibit of Canadian Revenues. He really made me a bit jealous with a few of the items he had on display. Joe captured a vermeil award for his exhibit.

Our member Ed Whiting purchased a magnificent collection of the Canadian Revenue "Custom Duty" stamps.

We really missed Ed Richardson on account of illness. A BNAPS meeting doesn't seem the same without him.

This weekend in Philly was the SEPAD Show, our members John Siverts and C. A. Stillions were acting as Judges.

We Revenueers are really going thru a great period, what with all the auctions with listings of Canadian Revenue material. We just had great auctions by Bob Lee, van DAM, Haresch, Firby to mention a few. And I know for a fact that van DAM has a spectacular Auction scheduled for October.
