

# ILLUSTRATED PERMITS to SEPTEMBER 30, 2024 L & M

## Not the actual size nor to scale

Mike Street suggested I put a note that an item has just appeared on the list. This will be “Aug or Sept 2024” in front of each new listing. In March 2021, he suggested that from then on we leave the dates of the first appearance on the list permanently.

### NOTE

**There are NO unilingual English or French Permits.**

**If the corner card/advertising is in French or if the Permit has French 1<sup>st</sup> - MENTION IS MADE.**
