It's pretty hard to tell by looking at this couple that a senior's ...
#1 worry is outliving their retirement income, and ...
#2 worry is how to leave more to their family.

That's because this couple is living the retirement that they always dreamed of ...
the retirement that they planned for! You see they didn't agree that it was okay to
follow the path of the typical Canadian.

If you would ask them about their secret, they would tell you, "It's simple... take
