Because **you** are the reason that patients and long-term care residents receive innovative, compassionate care.

This year, your gift to St. Paul's Foundation helped provide needed equipment, research, and essential tools to help physicians, nurses, care aids, and staff provide exceptional care throughout the Providence Health Care Family.

You helped us care for 625,374 patients, perform 10,000 surgeries at St. Paul's and Mount St. Joseph Hospitals; and conduct over 245 clinical research trials.

Thank you from all of us.

JC

Dear Mr. Street,

Picture yourself back here ... it's been too long!

Escape the everyday in picturesque Niagara-on-the-Lake with a visit to the Shaw Festival. Stimulate your mind with great theatre while you relax your soul in the most beautiful of settings. This year, The Shaw celebrates its 60th Season with more theatre than ever before. The season includes the crowd-pleasing musical *Damn Yankees*, the wit of Oscar Wilde's *The Importance of Being Earnest*, Bernard Shaw's popular *The Doctor's Dilemma*, the spine-tingling *Gaslight*, plus so much more.

We invite you to return with this special offer that's just for you:
