

**ADDENDUM AND UPDATE TO THE SECTION OF
WEBB'S POSTAL STATIONERY CATALOGUE OF CANADA AND NEWFOUNDLAND 2019
FOR CANADIAN POSTAGE-PREPAID POSTCARD FACTORY® CARDS**
(prepared by Robert Lemire)

This file is an addendum and update to the Webb's Postal Stationery Catalogue of Canada and Newfoundland 2019 section on Canadian postage-prepaid Postcard Factory® cards. It has been prepared and placed on the website with the permission of the editors and copyright holders of Webb's: William C. Walton and Earle L. Covert. The file contains corrections and additions to the catalogue listing, primarily for cards prepared using dies IIIc and IIId (pages 238-259), and it is intended that that the file will be updated at least annually, as new material is reported.

The new information contained in this Addendum and Update is protected by copyright. Reproduction by any means is prohibited without the expressed permission of Robert Lemire. The images on pages 1-3 are copyright The Postcard Factory. Permission is given to philatelic dealers and collectors to use the information provided herein for the identification and sale of philatelic material, provided the source is cited.

Please send: any corrections and further new reports (with scans front and back) to:

NUMBERING

main number new view

- “a”, “b”, “c”... numbers for change in card number spacing, change in SKU#, or PCF added/deleted from the logo
- i, ii, iii ... for differences in underlay and or box style, TM added or deleted from the logo
- -p minor printing differences (*i.e.*, changes in recycle symbol, line break differences) are not usually noted on this list (there may be exceptions because of earlier numbering practices), but these are recorded on the IIIC/IIId master sheet
