

**Addendum and Update to the Section of *Webb's Postal Stationery Catalogue of Canada and Newfoundland 2019* for Canadian Postage-Prepaid
Postcard Factory® Cards (6.2 MB - pdf) - Robert Lemire**

This addendum to *Webb's Postal Stationery Catalogue* contains corrections and additions to the listing of postage-prepaid Postcard Factory® cards, primarily for cards prepared using dies IIIc and IIId (pages 238-259 of the catalogue). It is anticipated that the addendum will be updated at least annually, as new material is reported. Addendum date: 2023-01-16.

Specialists have noticed other minor typesetting varieties that are not identified in the following pages.

NUMBERING

main number new view

- “a”, “b”, “c”... numbers for change in card number spacing, change in SKU#, or PCF added/deleted from the logo
- i, ii, iii ... for differences in underlay and or box style, TM added or deleted from the logo
- -p minor printing differences (*i.e.*, changes in recycle symbol, line break differences) are not usually noted on this list (there may be exceptions because of earlier numbering practices), but these are recorded on the IIIc/IIId master sheet

- ¹ These cards also have 64392 00409 at upper centre and this number at the lower left.
- ² These cards have barcode 64392 00409 at lower left.
- ³ Single barcode at lower left only.
- ⁴ Also has barcode 64392 00443 at lower left.
- ⁵ Replaced AL 038.
- ⁶ Lower fifth of barcode numbers missing on the sI cards but not a problem on the sV die IIIId cards.
- ⁷ Rounded top on “3”s and closed “4”s in barcode number.
- ⁸ A different font – flat topped 3 but rounded corners.
- ⁹ O 042 is the same view as ONT042.
- ¹⁰ Same view as ATC205, but borderless.
- ¹¹ Borderless version of ATC202.
- ^{11A} Borderless version of ATC204.
- ¹² Borderless version of ATC206.
- ¹³ MAN 024V and SASK006V have different captions but have the same view.
- ¹⁴ On RCMP cards this indicates that the bar code has a closed 4 and rounded 3.
- ¹⁵ See Webb's pages 219-220 for illustrations of UR1, UR2 and other differences on the RCMP cards.
- ¹⁶ Known only from a .poor scan of the image
- ¹⁷ The picture on C 095V is the same as on C095V
