

THE NEWFIE NEWSLETTER
of the Newfoundland Study Group of BNAPS

Number 4

March/April 1986

This newsletter continues the second round for the list of twentieth century post offices of Newfoundland. The dates of operation for the offices at Chance Harbor NDB through Little Fogo Islands are presented. As before, please look over your collections and notify Palmer Moffat, 4542 East Camino de Oro, Tucson, Arizona 85718 USA, if you can confirm a year of operation not on the list.

We have thirty-two paid members of the study group which is a nice size group. While all have expressed an interest in Newfoundland philately, no two people specialize in the same aspect. That should not really be a surprise, as we all know, Newfoundland philately is a large and diverse subject.

Bob Pratt's article on Newfoundland's 1897 provisional issue is to appear this fall in the 1986 Congress Book. The annual book of the American Philatelic Congress will be distributed during their convention at SESCAL, 24-26 October 1986 in Los Angeles. Books can be obtained from the secretary-treasurer of the American Philatelic Congress, Mary Ann Owens, P.O. Box 1164, Brooklyn, New York 11202.

Speaking of conventions, the BNAPS convention is coming up fast. This year's convention is to be held at Dearborn, Michigan, 28-31 August. BNAPS conventions are organized, financed and run entirely by the host group. This year the host Detroit-Windsor regional group will raffle off two beautiful books to raise funds to help finance the convention. Enclosed is a flyer from the regional group with details of the raffle. Remember, you need not be present to win. Upon receipt of your check, the raffle ticket stubs will be mailed to you.
