

THE NEWFIE NEWSLETTER
of the Newfoundland Study Group of BNAPS

Number 7

September/October 1986

BNAPEX 86

This year's convention is now history. The attendance was quite good as the total registered for the three days was about 175. There were 203 sixteen page frames with 32 competitive exhibits, one of which was mine. My exhibit of the 1937 Coronation Issue was the only competitive exhibit of Newfoundland and it was awarded a Vermeil medal. The grand award went to Lewis Ludlow for a beautiful display of the Pence Issue of Canada. Around the dealer tables, at the social functions, and even on the tennis courts, old friendships were renewed and new ones made. The Detroit-Windsor regional group did quite a fine job hosting the convention.

STUDY GROUP FINANCIAL REPORT

Income	35 members @ \$3.00	\$105.00
	contributions	30.00
		<u>135.00</u>
Expenses	postage for 5 issues	<u>\$54.26</u>
	Balance	\$80.74 U.S.

STUDY GROUP MEEETING REPORT

Fourteen members and interested Newfoundland collectors met on the first day of the convention. Following the financial report, it was moved and accepted that no dues be charged to current study group members for 1986-87. (This is possible because my company provides all photocopying.) Unfortunately our speaker, Carl Newswanger, was unable to attend the meeting but he was able to send his listing of the earliest and latest dates for Newfoundland slogan cancellations. A number of members were able to make additions to his list. Hopefully Carl's revised list will be published in a future newsletter. The convention committee only allotted each study group 45 minutes for its meeting. So some of the group moved to the society hospitality suite next door to the meeting room and continued the meeting informally.

TWENTIETH CENTURY POST OFFICES

In this issue we conclude the listing of the dates of operation of the twentieth century Post Offices of Newfoundland. As before, please look over your collections and notify Palmer Moffat, 4542 East Camino de Oro, Tucson, Arizona 85718 USA if you can confirm a year of operation not on the list.

BNAPEX 87

Next year's convention will be held in Charlottetown, P.E.I. on 17 to 19 September 1987. John Walsh has already promised to present a slide show of all plate blocks of Newfoundland at our study group meeting there. John, however, is in need of some help to complete his slide show. He would like to borrow and photograph the following plate blocks:

Scott # 81 plate 2
83 plate 4
115 plate 2 line perforated
116 plate 1 line perforated
186 Die 2 plate 2
246 plate 2
247 plate 2
259 plate 41601 top center
270 plate 43476 top center

If you can help John with any of these write him at John Walsh, Walsh's Philatelic Service, 9 Guy Street, St. John's, Newfoundland A1B 1P4.

Remember it is not too early to plan to attend BNAPEX '87.
