of the Newfoundland Study Group of BNAPS

Number 29

May/June 1990

NEW EARLY DATE FOR THE WATERLOW 48CENTS FISHING FLEET (SCOTT 266)

Carbonear
24 Jan 43

This block of four was used a full eleven months earlier than the date listed by Scott. The Scott catalogues, Standard and Canadian specialised, list the year of issue as 1944. The basis for this listing is unknown, but George Sloane in his column in the January 8, 1944 edition of STAMPS listed it as already existing. John Ayshford in his "The Last Stamps of Newfoundland" listed the first printing by Waterlow as occurring in July 1942; therefore it is possible that even earlier dates than this one can be found. Your editor would like to hear from any member with an even earlier date.

B.N.A.P.S. PRESIDENT

In case some of you have not heard, Lew Ludlow, Society President and study group member, suffered a very serious stroke on April 1st. While we have had reports on Lew's condition from time to time, it sounds like a long uphill battle to recovery. Our best wishes go out to Lew, his wife, Mac, and the family.

NEWS FROM OTHER STUDY GROUPS

REVENUE GROUP: The CANADIAN REVENUE NEWSLETTER is currently running "Newfoundland The Stamp Duties Acts 1914-1932" by C. F. Rowe. These are copies of the actual legislative acts which includes the fee schedules. Since postage stamps could be used to pay these fees, this should be of interest to Newfoundland postage stamp collectors. For information about the Canadian Revenue Study Group of BNAPS contact - W. C. Rockett, 2030 Overlook Avenue, Willow Grove, PA 19090.

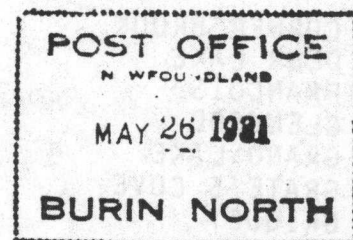

MILITARY MAIL STUDY GROUP: The CMMSG newsletter number 94 (May 1990) contains an article by John Tyacke on the "The Royal Rifles of Canada in Newfoundland 1940-41". For more information about the CMMSG, contact Ken Ellison, R. R. #1, Oyama, BC V0H 1W0.
