OF THE NEWFOUNDLAND STUDY GROUP OF BNAPS**

Number 58

January/February, 1996

CHAIRMAN'S NOTES

The weather in St. John's so far this season has been excellent. In the first three months of winter we have had but one snow storm. This was removed by mild temperatures and rain. The streets and sidewalks are bare at this time which makes for easy travel to see stamp friends or to meetings. Our group continues to gather new members, whom I hope will stay with us. Don Wilson is working on the Cabot Year Convention coming up in 1997. More about this at a later time.

EDITOR'S NOTES

In this issue you will find:

*Kevin O'Reilly's "Labrador Offices"
"Slogan Cancels or Newfoundland*

These are excellent articles which should be given a close study by all group members. If you can offer Kevin O'Reilly or John Butt any new dates or town cancels, please drop them a line at the following addresses:

Kevin O'Reilly, P.O. Box 444, Yellowknife, N.W.T., X1A 2N3

John Butt, 264 Hamilton Avenue St. John's, NF, A1E 1J7
