Second Quarter, 2003

Well, we have a new auctioneer and he has wasted no time in getting down to work. Steve Koning, our Secretary/Treasurer now has the added duties of Auctioneer. He has put together this 399 lot auction of some very interesting material. It's rare that we run two auctions back to back but I have no other material to publish and upcoming work commitments were going to prevent me from preparing a newsletter in May or June so I decided to run with a second auction since it was ready to go. There are a couple of changes in the bidding format so please read Steve's preamble carefully.

Welcome to the 21st Perfins Study Group Auction

I am indebted to our long-serving former auctioneer, Conrad Tremblay, for laying the foundation for the auction rules spelled out below. I have made some small changes, in consultation with our Chair, and accept any blame if they don't work out.

This is the Thomas Southey collection, presented in 399 lots. The estimated value is based on my experience. The market value will be decided through the bidding. Bids for less than 75% of the estimate or for less than \$0.25 will not be accepted. Items priced at \$0.25 must receive at least a \$0.25 bid. Items will be sold at one advance over the second highest bid. No unlimited bids. In case of a tie, the earliest received bid wins. Please bid by lot number in 25 cent increments up to \$5.00, in 50 cent increments up to \$20.00 and in \$1.00 increments after \$20.00

Bids via e-mail to: <a href="mailto:steven@koning.ca">steven@koning.ca</a> will be accepted, and acknowledged via return e-mail. The Perfins Study Group will charge a 10% commission only on lots sold, payable by the consignor. Single perfins are complete and in good condition unless otherwise indicated. In larger lots, incomplete patterns, split patterns, duplication and tired stamps are to be expected. All lots returnable if not as described, EXCEPT large lots or mixes. Lots must be paid for or returned within THREE days of receipt. Cheques or Money Orders are to be payable to the **Perfins Study Group**.

Successful bidders will be notified by mail or e-mail where applicable. All lots with a value of \$100.00 or more shall be sent by registered mail. Mailing costs shall be paid by the buyer.

Bidding closes June 30, 2003 at midnight (postmark on your letter, on time/date on e-mail.

Please send your bids to:

Steven Koning, address on the front page of the Perforator, or at the e-mail address above. Bids shall be in Canadian funds. Payment in USD is accepted at the current rate of exchange as applicable on the date of sale.

Good Luck and thanks for your bids.
