~ NEWSLETTER ~

JULY * AUGUST - 1973

#28

Notice the heading. Your Editor is getting old and feeble. So he is going to take a month's vacation. So our next Newsletter will be in September. However, inclosed is a double sending of the New Catalog pages.

This means that I will have to start to plug for the BNA "Calgary" Convention NOW. I hope to see many of you Revenueers there. In regards to the Exhibition I sure would like to see a half dozen Revenue exhibits. I show 5 frames. I would like to hear from youfellows who will also exhibit Revenues. So that my 5 frames will not cover the same category. I plan to show a complete Province, such as Alberta, Quebec or Ontario. However, if someone else would plan to show any of these I will be very happy to pick another category.

Ed Richardson had a successful get together of BNAPers in Houston.

It was a pleasure to meet so many of our Revenue members in Toronto. 7 of us had a Revenue pow-wow in my room. A very nice talk fest. Ed Morris showed us the one and only "3 Cigarette Series C".

* * * *

The 2nd Annual Revenue Convention went off without a hitch. Hilda's kitchen and Bill's bar were kept quite busy. We had a turn out of 11 Revenueers. Hilda took the ladies on a side trip (bird watching) in the morning and a trip to (New Hope) in the afternoon. So they didn't have to put up with us Revenueers.

Our members Ed Richardson and Harry Lussey won Gold awards at the Royal Philatelic Exhibit in Toronto.

NEWFOUNDLAND TOBACCO TAX PAID STAMPS

The Newfoundland Tobacco Tax Paid Stamps have proved to be quite scarce and have been difficult to locate, as no one collection contained near all the varieties. In fact, it seemed that if a collector owned only fifteen or twenty stamps, he would have some particular major or minor variety that no one else had, or he would provide bits of information that were previously unknown to this collector.

Mr. Edward A. Richardson made an extensive study of these stamps some years ago and he was kind enough to make all his notes and information available for this project. Others who were helpful in lending their entire collections or separate items for inspection and study, as well as advancing valuable items of information and whom I wish to take this opportunity to thank for their kind assistance and cooperation, are as follows:

Since this project was begun in 1971, a number of other collectors have contributed generously of their time in checking trial lists, contributing bits of knowledge and facts in supplying additional information. Also, the loan of scarce items from their personal collections for the purpose of study and illustrations, for the catalog has been of invaluable help, without which use of these many issues the effectiveness of the catalog would have been greatly diminished. Additionally, the encouragement and cooperation extended during the preparation of this catalog have been of immeasurable benefit and have been sincerely appreciated.

Additionally, a great amount of assistance was given by the following members:

Mr. Dudley Atwood	# 998	Mr. Jack D. Paslay	#2370
Dr. Neil Callahan	#2505	Mr. R. S. Thwaites	#2019
Mr. Edwin J. Morris	#2264	Mr. E. F. Vilter	#2658

I would also like to take this opportunity to thank Mr. W. C. Rockett for the loan of the following issues which were used for illustration purposes

C-322	M-521	P-186a
C-323	M-574	P-301
C-390	M-700	P-302
	M-702	P-574
G-510		P-900
G-511		P-917
		P-920

There have been a number of items reported that were not listed in the catalog which have been noted and will be included in a possible subsequent edition, after sufficient time has elapsed providing members with an opportunity to report any items they may have in their individual collections which have not been previously listed.
