Jim A. Hennok Auction, Sept. 16 - Over 200 auction lots of Canadian Revenues. Many, many items I have never ~~seen~~ listed in Auctions before. Here is a chance that seldom comes up. There are many items I wish I could afford. For a catalog writ Jim, see His address on listing of dealers.

It is with deep regrets and sorrow to announce the death of Ed Richardson, he will be greatly missed. I counted *him* one of my special friends. It was mainly through Ed's efforts and enthusiasm that the Revenue Group of BNAPS has continuously existed. Ed started a Revenue Newsletter in 1962 which he issued until 1968. Ed's number in the Revenue Group was # 1.

W. H. Steinmetz # 120 - an early member of the Revenue Group. Bill Steimetz was a loyal member and a generous contritor to the Revenue Newsletter. We will miss Bill.

The issue of the Newsletter illustrated the Chinook Conservation Stamp. Correction this stamp was not issued by British Columbia, but it is a Federal Revenue Stamp.

Ian McTaggart Cowan informs me; Largely as a consequence of over fishing the number of this species returning to the spooning grounds in some of our major rivers have declined seriously. To attempt to reverse the trend the Federal Department of Fisheries and Oceans, that has jurisdiction over all salt water fishing in Canada, has set special seasons and bag limits on the catch. Part of the conservation effort is the issuance of the revenue stamp that must be bought and attached to the fishing licence of every angler seeking and catching Chinook Salmon.

Because Chinook Salmon occur only along the Pacific Coast the stamps have so far been on sale only at licencing outlets in British Columbia. However I understand that they are to be offered for sale to the general public in due course.

As a recently retired, re-converted Revenue Collector (I sold about 10 years ago) I have 20% blank spots in my album crying to be filled. Because I bought some collections to catch up, have a good selection of duplicates; am looking for a medium range collector who wishes to swap material.

Try sending \$100 or so worth of your duplicates: I will reciprocate by return.
